

Mask Policy

During the 2021-22 ringette season

- 1) U12 and under: WORA is mandating that all on-ice volunteers and bench staff for U12 and under wear a mask on the ice and on the bench.
- 2) U14 and above: WORA recommends that coaches and on-ice helpers at U14 and above wear a mask on the ice but must always wear a mask on the bench and off the ice.

ALL coaches and bench staff must have masks available at all times for when they are in close contact with players.

This is in addition to any other mask policy that may be required by the establishment, municipality and/or province.

This policy is being put in place to provide extra safety for all our athletes.

For any questions, please contact vice.president@westottawaringette.com .
