

COVID GUIDELINES FOR TRYOUTS

1. **Covid Check In to be completed upon arrival at arena.**
2. Player can dress at the rink. Rooms will be open 15 minutes before the scheduled skate and players will have 15 minutes to change after the skate.
3. Stop at the Icemen ticket booth prior to going to dressing room where try out jerseys will be distributed. These are to be kept for the duration of the skates.
4. Masks are to be worn by players coming into the arena, worn in the dressing room, taken off during the skate and then put on when re-entering the dressing room and leaving the rink. The city has lifted restrictions on the number of players allowed in each dressing room.
5. One parent only in the dressing room for U11 and we request no parents for U13 and up unless absolutely necessary. Mask must be worn coming into the rink and if going down into the dressing room.
6. Hand sanitizer to be used going into the rink and when leaving
7. If remaining in the stands to watch, there is a limit to number of spectators so it is recommended that additional family members do not attend. You must be seated at all times and maintain social distancing. Masks may be taken off but no one is allowed to stand and lean on the boards.
8. Players will have 15 minutes following their session to change and shower.
9. Maintain distance to the right side as much as possible to allow passing of people in the hallway. Follow the arrows where applicable. Please limit the amount of time spent in the lobby before and after skates. Please vacate the arena as soon as possible.
10. Any additional information will be posted as much as possible on our website. Please monitor that for updates

Thank you and see you all on this week-end.
