

MAKING ETHICAL DECISIONS (MEDs)

The National Coaching Certification (NCCP) offers coaches the opportunity for training and evaluation in ethical decision-making through the NCCP Make Ethical Decisions training, and online evaluation.

By successfully completing the NCCP Make Ethical Decisions training, coaches will be fully equipped to handle ethical situations with confidence and surety. The training helps coaches identify the legal, ethical, and moral implications of difficult situations that present themselves in the world of team and individual sport.

The NCCP Make Ethical Decisions module is a cornerstone of the NCCP and leaves coaches with no doubt as to what to do in challenging situations. The module equips coaches to handle challenging ethical situations with confidence and surety. It helps coaches identify the legal, ethical, and moral implications of difficult situations that present themselves in team and individual sports.

1. After completing the NCCP Make Ethical Decisions module, you will be able to:
analyze a challenging situation to determine its moral, legal, or ethical implications; and
2. apply the NCCP Ethical Decision-Making Model to properly respond to situations in a way that is consistent with the NCCP Code of Ethics.

After you have taken the module, you can access the [NCCP Make Ethical Decisions online evaluation](#) free through the Locker. **Successful completion of the evaluation is necessary for coach certification in any NCCP program.**
