

OWHA COVID-19 UPDATE

February 28, 2022

OWHA Vaccination requirements remain in place for the duration of the 2021/2022 hockey season.

OWHA continues to require all “Affected Persons” 12 years of age and older, who are engaging in one or more Sanctioned Activities, to be fully vaccinated. This will continue for at least the remainder of the 2021/2022 hockey season.

It is mandatory to use the enhanced vaccine certificate with QR code to be eligible to participate in any OWHA sanctioned activities.
