

## **IMPORTANT COVID-19 UPDATE - NOV 6, 2020**

### **Attention OWHA Members,**

Further to our last email, we are waiting for details and clarification regarding the Covid-19 Reopen Framework: Keeping Ontario Safe and Open.

Our existing protocols remain in place at this time and we point out the importance of following the most restrictive requirements.

As an example, OWHA permits some scrimmages/modified 3on3 and 4on4 within OWHA rules but in areas of the province where these are not permitted by either the province or other authority, they may not take place.

There are currently no scrimmages/modified games permitted in Toronto or Peel and teams from these areas are NOT permitted to participate in other parts of the province.

We are seeking clarification to determine if scrimmages/modified games are permitted in areas designated as Protect (yellow) and Restrict (orange).

Until we receive approval from the province that scrimmages/modified games are permitted in these areas, OWHA teams in these areas may NOT participate in scrimmages/modified games in their areas or in other areas. Development programs may take place within proper protocols.

Kind Regards,
