

PLANNING A SUCCESSFUL ESSO FUN DAY

Identify and recruit volunteers (lead on-ice/off-ice instructors, safety person, registration, etc.)
Hockey Canada recommends a coach ratio of 1:5.
Refer to the program manual for more details.

WHAT DO YOU NEED TO DO?

1. Establish a plan and provide leadership for the program (resources for exercises and drills can be found in the Resources section below).
2. Book the ice time(s).
3. Identify and recruit volunteers (lead on-ice/off-ice instructors, safety person, registration, etc.).
Hockey Canada recommends a coach ratio of 1:5. Refer to the program manual for more details.
4. Advertise your event.
5. Collect player, volunteer and coach information and register all participants in the Hockey Canada online registration link provided.
6. Ensure players have full equipment (as per guidelines in the program manual).
7. Contact Hockey Canada for jerseys.
8. Have fun!
9. Submit wrap-up form and receipts and/or photos with release forms.
10. Distribute survey.

RESOURCES

PROGRAM PLANNING:

Hosts can access drills and games by utilizing the Hockey Canada Network app or the Drill Hub section of the website. Download the app by searching Hockey Canada Network in the App Store or Google Play Store. Create an account on the app, then head to the Female Hockey section found within Programs for Esso Fun Day essentials.

Hosts can also visit the U7 Program section in the app or at the Drill Hub section of the website at to find more drills for new-to-hockey players in the Timbits U7 section.

PROMOTIONAL RESOURCES:

Hosts can print the event poster to promote their Esso Fun Days.
