ONTARIO WOMEN'S HOCKEY ASSOCIATION ANNUAL REPORT 2009-2010

SHARING THE DREAM

Our theme this season, Sharing the Dream, was launched at the OWHHA General Meeting in September with the assistance of Her Worship Hazel McCallion and delegates from the Olympic Women's Hockey Team of China. The Olympic Women's Team of China gave thousands of players and supporters in Ontario the chance to "Share the Dream" as we supported China through 3 months of training that included 28 games. China attributes their improvement and success to their interaction and support within the OWHHA. The 2010 Winter Olympics in Vancouver saw Canada win a record number of medals – including the Women's Hockey Gold!

As we enjoy the positive impact on the growth and development of female hockey through the credibility of being an Olympic sport, it is important to give thanks to the past and also to move forward with increased energy and a positive vision to the future.

When the OWHHA was formed in 1975, there were no provincial championships, national championships, world championships, sanctioned tournaments and few players, teams and leagues. This season, the OWHHA:

- Gold Medalists – U18 National Championship, Surrey, B.C.
- Silver Medalists – U18 National Championship, Surrey, B.C.
- Gold Medalists – Female Midget National Championship, Regina, Saskatchewan
- Silver Medalists – National Aboriginal Championship, Ottawa, Ontario
- Bronze Medalists – National Aboriginal Championship, Ottawa, Ontario
- Bronze Medalists – CIS Championship, Antigonish, Nova Scotia
- 9 Players on National Women's Team – Olympic Champions, Vancouver, B.C.
- 10 Players & HC on National U-18 Team – World Champions, Chicago, Illinois
- 12 players & 2 coaches on National U-22 Team – Gold – MLP Cup, Germany
- 3 OWHHA on – ice officials at Winter Olympics, Vancouver, B.C.
- 160 players and 40 staff at Ontario Winter Games, Muskoka, Ontario
- 511 teams in provincial championships
- 52,692 members
- 1422 On-ice officials

The evolution of female hockey within the OWHHA has been an overwhelming success to date thanks to skill and attitude of the players combined with the thousands of volunteers who have worked selflessly for the good of the game. One such person was Bev Mallory, a life-long supporter of female hockey and a founding member of the OWHHA. Bev served as a member of the Boards of Directors of the OWHHA, Stoney Creek Girls Hockey Association, Hamilton Girls Hockey Association and Hamilton Women's Hockey Association. She contributed to the OWHHA development programs and worked with many task groups to form new female hockey teams and associations. Bev's late husband Ross was also a dedicated volunteer as were daughters, Louise and

Ann who also played. Bev suddenly experienced health problems at the beginning of 2010 and lost a valiant battle to cancer on April 16, 2010. We sincerely thank Bev for her contributions and friendship.

The current state of the OWHA is very good. There is a solid foundation built on positive values. There is a strong central operations that is driven by empowering a very capable membership to operate teams and programs in a manner that provides both flexibility and fairness.

We continue to address opportunities and make changes that are consistent with the values and objectives of the OWHA. The Ontario government's Ministry of Health Promotion re-vamped the Ontario Winter Games criteria, bringing in line with the Long Term Athlete Development Model (LTAD). The OWHA worked with the Ministry to create a new format and we were accepted as a Core Sport for 2010 and 2012. This season over 400 players participated in selection/development camps and 160 moved on to play for 1 of 8 teams. Players and staff were mixed by ability and geography and came together on teams named after OWHA high-performance athletes – Lori Dupuis, Geraldine Heaney, Angela James, Karen Nystrom, Cathy Phillips, Cheryl Pounder, Vicky Sunohara, and Katie Weatherston. Prior to the start of the competition, the OWHA hosted very successful Officiating Camps and Coaching Camps.

We are so very fortunate to have the privilege of belonging to the Ontario Women's Hockey Association. It is an organization of players, coaches, team staff, officials, administrators and supporters working side by side providing and enjoying the great game of hockey. It is the only organization of its kind in the world!

Sincere congratulations to everyone in the Ontario Women's Hockey Association. This was a wonderful season of participation, excellence and friendship. The future for Team OWHA is very bright with continued hard work, unity and teamwork. Thank you!

This marks the 23rd year of the Penalty Free Sweepstakes initiative, a promotion created by the members of the Hockey Development Centre for Ontario and supported by the Ontario Ministry of Health Promotion, to foster skills, safety, and sportsmanship in Canada's most popular sport. SINCERE THANKS TO THE HONOURABLE MARGARET R. BEST AND THE ONTARIO MINISTRY OF HEALTH PROMOTION

On January 11, 2006 the Honourable Jim Watson, Ontario Minister of Health Promotion, announced the establishment of the *Quest for Gold* Program aimed at providing additional support to Ontario's amateur athletes. The *Quest for Gold* Program will be funded through net revenues generated from the new *Quest for Gold* lottery game that was also launched by the Ontario Lottery and Gaming Corporation (OLGC) and Minister Watson on January 11th.

The *Quest for Gold* Program will provide additional support to Ontario amateur athletes through direct financial support, access to high performance coaching and enhanced competitive opportunities and services for Ontario athletes. The overarching goal of the *Quest for Gold* Program is directly related to the Enhanced Excellence goals of both *ACTIVE2010* and the *Canadian Sport Policy* – to improve the performance and number of Ontario athletes performing at the national and international level, thereby contributing to the improved performance of Canada at international competitions.

The program has continued under the direction of the current Minister of Health Promotion, the Honourable Margaret R. Best.

2010 Isobel Gathorne-Hardy Player-of-the-Year Jayna Hefford

Isobel Gathorne-Hardy was the daughter of former Governor General of Canada Lord Stanley of Preston and Lady Constance Villiers. She was one of seven children, five boys and two girls. While living in Canada, Stanley helped to popularize ice hockey and is considered one of the first women to play the game. In 1898 she married the Honourable Sir John Francis Gathorne-Hardy, a brother of the 3rd Earl of Cranbrook and took the name Isobel Gathorne-Hardy. Gathorne-Hardy had one child: daughter Elizabeth Constance Mary Gathorne-Hardy. Stanley became Dame Commander of the Royal Victorian Order. She shared her father's love of the game of ice hockey and was instrumental in convincing her father to create the Stanley Cup. Stanley played hockey while she was in Canada, playing on the outdoor rink at Rideau Hall. After the opening of the Rideau Skating Rink, Stanley is mentioned in one of the first games of women's hockey played, played at Rideau Rink in 1899.

Sincere congratulations to the 2010 Isobel Gathorne Hardy Player-of-the-Year, Jayna Hefford, an outstanding player and role model. Jayna was born in Trenton, Ontario and she met and exceeded the award requirements as she demonstrates leadership, commitment and positive values. This was exemplified as she wore the “A” for the gold medallists, Team Canada at the 2010 Olympics.

Jayna has been an exceptional hockey player throughout her career, growing up in Kingston and playing for the Kingston Girls Hockey Association. Through her years with Kingston, Team Ontario, the Brampton Thunder and Team Canada, Jayna has been a steady two-way player and a leader with great work ethic,

In the 2000 World Women's Hockey Championship, Team Canada was down 2-0 to a powerful USA team. Jayna scored two unanswered goals in the third period to take her team into overtime where Canada scored to win the gold. In the Salt Lake City Olympics, it was again Jayna who came through with the winning goal to give Canada its first Olympic gold. These are only two examples of Jayna's ability to come through in tough situations, to put her team on top.

Jayna is also a strong contributor to young girls as she was one of the first players to start her own hockey school. She is co-owner of the very successful Lori Dupuis, Jayna Hefford hockey school in Kingston.

A sample of Jayna Hefford's Accomplishments:

- 2002 Olympic Gold medal (scored the winning goal in Salt Lake City, Utah)
- 1998 Olympic Silver medal
- World Championships 1997, 1999, 2000, 2001, 2004, 2005

- In July 2009 Jayna Hefford's Charity golf tournament made a \$15,000.00 donation to support cancer and palliative care at Kingston's university hospitals. The money was raised through Jayna's Links 4 Life Golf Classic.

Jayna Hefford has been an outstanding hockey player for her entire playing career, from the years with Kingston Kodiaks Girls Hockey through her participation on various senior teams including Toronto Aeros, Mississauga and Brampton Thunder, She also led the OWHA's provincial teams.

Jayna is a quiet leader and, as such, has never received the public accolades worthy of a player of her skill, leadership and accomplishments. She has been, and continues to be one of the very best players in the world. This is recognized by her peers and by those closest to the game.

Jayna also is a long time contributor to the young girls throughout the Ontario Women's Hockey Association and Canada. She gives back through her hockey school, clinics, appearances, charity work and through her commitment to excellence.

Jayna is a most worthy winner of this special award and is an inspiration to the young athletes attending the Esso Cup.

We sincerely congratulate Jayna Hefford.

MAYOR HAZEL McCALLION

The contributions she has made, and continues to make, every day have a major impact on the citizens of Canada. Hazel is respected and admired by both men and women for her excellence and commitment to people. She succeeded throughout an era that often closed doors on females. Hazel remained focused and showed through hard work and determination that women deserved rights and opportunities. She earned a place for herself and has served as a role model for many other successful Canadian women.

Hazel is an icon in the world of women's hockey. The participation of female hockey as a medal sport in 1998 in Nagano, Japan and in 2002 in Salt Lake City would not have been possible without the support of Hazel McCallion. She is very much a part of the Canadian Team's gold medal victories in Salt Lake City, Turin and Vancouver.

Hazel's love of sports led her to challenge the belief that "girls can't play hockey". In the 1940's, Hazel and her sister laced up their skate to play for a team in Gaspé. She may actually have been the first professional women's hockey player as she was paid \$5.00 per game.

In the late 1970's, Mayor McCallion joined the Board of Regents of the Ontario Women's Hockey Association (OWHA). The OWHA had been formed in 1975 as a province-wide organization to promote the development of female hockey. At this time, girls' hockey struggled against tremendous hostility. It was almost impossible to get ice time, sponsorship support or any credibility. Talented players had limited competitive opportunities and young girls had nowhere to play.

Hazel was a role model. She showed that women could succeed. In addition, she became spokesperson for the game. Hazel was a credible person – when she spoke, people listened – when she stated that girls and women could play hockey, they did. Hazel became an active lobbyist. If girls and women could not get ice time, she made phone calls and secured support. Hazel encouraged the corporate sector to get involved and they did, making it possible for more girls to enjoy hockey and gain valuable life skills. Publicly, Hazel McCallion spoke at meetings and to the press – hockey is our Canadian game – hockey is for every Canadian girl and woman.

By the mid 1980's the momentum of women's hockey was expanding to other countries. It was becoming apparent that the challenges we faced were universal. Hazel McCallion's role must be expanded! In 1987, against overwhelming odds, the Ontario Women's Hockey Association hosted the very successful, "First Women's World Hockey Tournament" in North York and Mississauga. Hazel was the Honourary Chairperson. Hazel's credibility and hard work made this event a success and the catalyst for world championships and Olympic competition.

At the international level, Hazel quickly became a role model for female hockey players throughout the world. Her advice has helped them create better opportunities in their countries. They also gain courage in her example of an exceptionally successful female in countries still heavily dominated by men.

Hazel continued her work, lobbying for female hockey acceptance and participation at all levels. Her local contributions brought support and opportunities for young girls who gain valuable self-esteem and life skills through hockey. Municipal governments became aware of their role in supporting female athletics.

Hazel's leadership and excellence have made it possible for girls and women to live their dream of Olympic competition. She has made an everlasting contribution to the equality of opportunities for girls and women of all ages. Thank you Hazel from the Ontario Women's Hockey Association!

THE OWHA SALUTES IRENE BRYSON

“Go Grandma Go”

Irene Bryson was born June 13, 1929.

Irene Bryson is a veteran player who played forward for the Rexdale Women's Hockey League in 2009/2010. Irene and her husband, Cameron made the one-hour drive to the arena from their home in Newmarket!

The oldest player to ever play in the NHL was Gordie Howe, and he was only 52 years old. For those of us who know Irene Bryson, we might consider Gordie a “wimp” - Irene Bryson has him beat by 28 years!

This June Irene celebrates her 80th birthday and is the eldest registered woman that is actively playing in the OWHA, and of course, the RHWL.

Irene has played on a team since she was 21, and when she started out there was, “body-checking and everything,” With equipment almost non-existent, Irene had only a pair of gloves and shin pads – and NO HELMET. Can you imagine what the OWHA would think? But according to Irene's son Larry, Irene has always been, “Tough as nails” and when he was 16, Irene could still beat him in a play fight.”

Even just a few years ago Irene was among our league's top scorers. Irene's dedication to the game of hockey is nothing short of inspirational and I hope that 40 years from now I have half the heart and determination that Irene Bryson has both on and off the ice.

Last year in an article for the Toronto Star, Irene stated that she was aiming to keep playing until she was 80. Well Irene, now that you've reached that milestone I think we would all agree that you should now aim for 90!

In honor of Irene's 80th birthday, and her participation in the playing the great game of hockey over the years, the RHWL presented her with a commemorative plaque and Toronto Maple Leafs #80 Jersey autographed by Darryl Sittler.

The Ontario Women's Hockey Association is honoured to recognize Irene Bryson. We thank Irene for all the years of great playing and inspiration she has given to the league and to all of female hockey. Here's hoping for many more years of hockey fun and friendship!.

Thanks to Laura Healy for her files

IN LOVING MEMORY OF FOUR VERY SPECIAL TEAMMATES

The Ontario Women's Hockey Association was saddened to hear of the passing of Linda Greer after a brief and courageous battle with cancer on January 19th 2010 at Kingston General Hospital. The Greer family have dedicated many years to the advancement of women's hockey in various roles. They were involved with the Stoney Creek Girls Hockey and more recently with the West Northumberland Girls Hockey Association. Linda attended many local and provincial meetings and will be missed by the many volunteers who enjoyed working with her. Wayne is a coaching instructor with the OWHA. Our thoughts and prayers are with Wayne, Allison, Kaitlyn and the entire family

The hockey community was saddened by passing of Frank Pindar on December 8, 2009. He was surrounded by his loving wife, Libby and sons Sean and Kyle. Frank was an Officer of the Ontario Hockey Federation at the time of his death. Prior to that, he served on the GTHL Board of Directors. Holding various positions at U of T. he was a supporter of the University of Toronto Lady Blues. The OWHA thanks Frank for his life-long contributions to hockey as a strong leader who was a great listener and cared for the game and the people in it.

The Ontario Women's Hockey Association is saddened by the loss of Bev Mallory who passed away April 17th, 2010. Bev has left a legacy as a pioneer and advocate of women's hockey. Bev was a founding member of the Ontario Women's Hockey Association. Her contributions have had an impact on the growth and development of female hockey throughout Ontario, Canada and the World. She has been very involved with the Stoney Creek Girls Hockey Association and the Hamilton Women's Hockey Association. Bev has been a tireless volunteer and a great friend of many in the game. Our thoughts and prayers are with Ann, George, Joe, Keith, Louise and the entire Mallory family

On March 10, 2010, Donna Weber died in Kitchener, surrounded by her family. She was 70. Donna was a key volunteer at the 1997 Women's World Championship in Kitchener. Her kindness and generosity inspired players, volunteers and VIP's. She again contributed at the 2002 and 2006 Four Nations Cups at the Aud. She has been honoured and recognized for her efforts which has included induction into the Waterloo Region Hall of Fame, Volunteer of the Year for both Kitchener Minor Hockey and Kitchener Minor Baseball, and Life Member of Kitchener Minor Hockey Donna's legacy lives on.

The participants and supporters of the Ontario Women's Hockey Association Provincial Championship and all the members of the Ontario Women's Hockey Association extend our most sincere condolences to the Greer, Pindar, Mallory and Weber family and friends.

You will all be forever remembered for your participation in women's hockey.
