JOIN US IN THE CELEBRATION OF WOMEN'S HOCKEY

ONTARIO WOMEN'S HOCKEY ASSOCIATION ANNUAL REPORT 2011-2012

PERSPECTIVE in HOCKEY and in LIFE

We join sport to enrich our lives. Let's ensure our actions provide enrichment to the lives of others. We are teammates in the growth and development of female hockey!

The 2011 – 2012 hockey season has was an overwhelming success for the Ontario Women's Hockey Association. Tens of thousands of players, coaches, trainers, managers, administrators, officials, supporters and fans came together to share a game that requires teamwork and cooperation at all levels. Female hockey in Ontario is thriving with its success having a positive impact on opportunities throughout Canada and the world. Sincere thank you to everyone who contributed to the competition and participation over the past season!

Our primary objective is for every player to enjoy a positive hockey and life experience. We share the responsibility of providing a welcoming and respectful environment for all those in female hockey.

The leadership must continue to come from the adult administrators who oversee the game. We do recognize the pressures from a society that sometimes does not grasp the responsibility of both giving and receiving in a team atmosphere. It is difficult at times, but we must support each other, focus on the positives and work together to address opportunities to make the game stronger and more enjoyable. Each season is a journey to be cherished as the personal memories are far greater than the score of a single game.

There have been many wonderful initiatives within the OWHA this season. The first IIHF World Girls Hockey Day came about with very short lead time. OWHA members jumped to the ice and ran outstanding programmes. As an example, Brampton Canadettes focused on promoting hockey in new areas and recruited 10 girls from a local mosque.

With success come challenges that we need to approach "head" on. Concussion education is a very important component of OWHA programming. Dr. Charles Tater and Dr. Michael Czernota are two of many experts who recently attended OWHA meetings and are truly committed to hockey safety. Dr. Tater's web site. <u>www.thinkfirst.ca</u> is a valuable source of information. We commend associations such as Waterloo Ravens who hosted an excellent concussion awareness seminar for their members.

An area of focus for the OWHA continues to be fair play. We have work to do to reduce the number of suspensions incurred this season. Head contact, checking from behind, fighting, deliberate attempt to injure and verbal abuse have no place in female hockey and will not be tolerated. It is the responsibility of coaches to teach respect and the importance of playing by the rules. Coaches have a tremendous impact on the players and must set a positive example. Why are novice and atom coaches receiving suspensions for verbal abuse? Officials at this level are often young people doing their best as they learn to officiate. Even highly trained NHL officials make mistakes and questionable calls. If a coach does not exemplify positive values, they should not be coaching.

The Ontario Women's Hockey Association partnered with Senators Sports and Entertainment to bid for the 2013 IIHF Women's World Ice Hockey Championship. The bidding process was extensive but resulted in success as we were awarded the hosting of the event by Hockey Canada. A component of our bid included holding the 2013 OWHA Provincial Championships in Ottawa during the World Championship. The event will truly be a Celebration of Women's Hockey with thousands of female hockey enthusiasts sharing the excitement! All OWHA members should feel proud to take ownership of this event as it belongs to all of us. We need to work together to make it a truly memorable experience as we welcome the world to Ontario and share the excitement of female hockey at all levels.

We congratulate Team Canada on capturing gold at the 2012 IIHF Women's World Ice Hockey Championship in Burlington, Vermont. They rebounded from a tough opening loss to Team USA but rebounded with an overtime gold medal win!

What is this level of sport about? It is the best in the world, the most intense competition with winning at the forefront. It is about arch rivals Canada and the USA. It is also about growing the game for future generations throughout the world as female hockey players exemplify the values of excellence and fair play.

This World Championship also captured media attention for a very special example from Team USA of what true sport is also about. An injury to Team Canada forward Hailey Irwin led to this headline in the Canadian Press; "Irwin injury interrupts U.S. – Canada rivalry".

Irwin suffered a serious ankle injury when she slid heavily into the end boards. As play continued, she struggled to one leg and, in obvious pain tried desperately to get to her bench. USA goalie, Molly Shaus did her best to assist, giving Irwin a well appreciated push that took her to the blue line.

As Irwin continued struggling on one leg, the whistle finally went and she collapsed in front if the USA bench. American forward Monique Lamoureaux-Kolls jumped off the bench and helped Irwin to her feet. In spite of the intense rivalry between the two top world powers, the players are exceptional role models who display the true values of sport.

The Ontario Women's Hockey Association is an exceptional organization thanks to countless players, administrators and supporters who have contributed to the opportunities we now enjoy. From Isobel Gathorne Hardy who played in the first recorded women's hockey game in Ottawa in 1898 through the palyers on the Preston Rivulettes and Stratford Aces in the 1930's to Hazel Journeaux (McCallion) with Montreal Kik in 1940. Those and many others led to the formation of the OWHA in 1975. From there, the OWHA established the senior national championships, the world championships and led the lobby for inclusion as an Olympic Sport. Through all of this, the primary focus remained the individual player and her opportunity to play at a level suiting her ability and interest.

We have a wonderful opportunity this year to celebrate our uniqueness and to promote the strengths of female hockey. We rely on each other to spread the positive messages to our communities, the province and the world!

Please take time to enjoy the journey through the 2012-2013 season. There will be ups and downs in hockey and in life over the next twelve months. It is within the power of each of us to embrace the positives in even the toughest situations and to share the enrichment of life through hockey.

Sincere thank you for your contributions to female hockey. Have a great year!

- January 1st-Free day- bus left in afternoon for overnight ferry to Stockholm. It was very rough sailing with little sleep. All were happy to arrive in Stockholm the next morning.
- January 2nd-Guided sightseeing tour of Stockholm, checked into hotel, went for late lunch and walking/shopping until early evening.
- January 3rd-Went to the museum that houses a ship that sank in Stockholm harbour over 300 years ago and was pulled intact from the harbour in 1961. Very interesting and revealing of life in Stockholm at that time. Travelled to Enebyberg to play Ormsta/SDE. Nepean lost 2-1.

This is the first snow we had when visiting the palace in the Alps. Played in Garmishvs Garmish Partenkirchen. Nepean won 3-1.
- > January 7th -Flew back to Montreal and bussed to Ottawa.

Notes on the Experience:

- > Great experience for the players on and off the ice. Good teambuilding and life experiences.
- > Players ranged in age from 14-20 and the teams we played against ranged from 14-33 years old.
- > Officiating was good. Most games were 20 minute periods with 2 floods.
- > Tourist sites were interesting throughout but all enjoyed Germany.
- Time difference and lack of daylight were significant in getting into a normal sleeping pattern for all. It was good to have such a full itinerary so that you were made to keep active during the day so that you adjusted to the time difference.
- Accommodations were in nice, centrally located hotels which enabled us to walk to most sights, shopping and restaurants.
- > Overall this was an amazing experience.

In the semi-final game, Team Ontario Red beat Team Atlantic 5-1 in the exciting gold medal game televised on TSN2 with Team Ontario Red's Amanda Leville making 22 saves for her second shutout of the tournament. Jamie McDonell, Victoria Pittens and Laura Stacey scored the goals for Team Ontario Red, which is 35-1 all time at the U18 Nationals

Congratulations to Team Ontario Blue on an excellent championship. In the first game, Team Ontario Blue lost 4-1 despite a very solid performance against Team Quebec. Team Ontario Blue won their second game 3-1 against Team Saskatchewan and lost their third game against Team Atlantic 6-2. Despite a valiant effort Team Ontario Blue did not make it to the finals.

Congratulations to all participants for their hard work and dedication. We look forward to the excellence on the ice as well as the friendships off the ice as we continue to work together for the good of all girls and women who participate in female hockey.
