ONTARIO WOMEN'S HOCKEY ASSOCIATION

LEADING and EVOLVING

WORLD FEMALE HOCKEY LEADERS

The Ontario Women's Hockey Association celebrates an amazing season of success and positive changes in an organization that embraces a powerful past, focusses on a welcoming environment for current participants and has a solid vision for an even greater future. Truly, the OWHHA is driven by World Female Hockey Leaders. Local teams and associations coordinate exceptional Fundamentals programs as well as coordinating House League and Competitive teams with sound values and a supportive infrastructure.

Last season, the OWHHA was finally fully recognized as the official PSO (Provincial Sports Organization) for the province of Ontario. It is a role we have played since our inception and this upgraded status creates greater opportunities. As fate would have it, the Ontario government mandated that all PSO's reapply in order to be granted status going forward. We were up to the challenge, submitted extensive documentation and were one of fifty-seven sports granted official PSO status based on the quality of our submission and the strength of the organization.

A major step forward for the OWHHA and a requirement of the MTCS (Ministry of Tourism, Culture and Sport) was the acceptance of By-Laws that meet modern good governance standards and are aligned with Hockey Canada. We sincerely thank Leanne Cupidio and the OWHHA task group consisting of Ted Dean, Elaine Maxwell, Pat Nicholls, Michelle Smith, John Wilkinson, and Bill Williamson for their extensive work. Special thanks to the OWHHA members for their participation in providing input and attending meetings that ultimately led to the approval of the document at a special members' meeting in January 2017.

Another major undertaking this past season was the creation of an updated Strategic Plan that will drive the Association through 2020. Again, we sincerely thank the OWHHA members who contributed to the plan through attendance at planning sessions and electronic submissions. We will increase the engagement of the OWHHA membership with identification and analysis of challenges and opportunities that will lead to solid evidence-based decision making.

The OWHHA continues to work with the MCTS and other PSO's in Ontario to share best practices and promote the positive values of sport participation. A key priority is enhancing the opportunities for females as players, coaches, officials and administrators. We encourage all OWHHA teams and associations to reach out, encourage and support female coaches, officials and administrators in meaningful roles that maximize their potential as positive role models for the players.

Another first for the OWHHA was the participation in the 2016 Ontario Summer Games, an interesting concept for a winter sport. The event proved to be an overwhelming success for participants and for the Games itself. All forty team staff- coaches, trainers and managers – were women with a wide variety of hockey and professional backgrounds. Some were teachers and university students whose schedules suited the timing of the Games. Based on the success of this event, the OWHHA applied for and was accepted into the 2018 Ontario Summer Games in London, Ontario.

The OWHHA has strengthened its support for Female Sledge Hockey and has worked closely with the Canadian Women's Sledge Hockey Association and several Ontario players. We are encouraging everyone to promote and support women's sledge hockey and we successfully applied to introduce the event at the 2018 Ontario Winter Games in Orillia, Ontario. It is our hope that this will be a catalyst to increase the participation and enjoyment for girls and women in sledge hockey.

A few years ago, the OWHHA took forward the idea of a Global Game that would unite women's hockey internationally. Players from all countries would compete on one team in a game that moved across the world in the manner that mirrored New Year's Eve. The event started as a trial with the Long Game moving across Canada

giving young girls at various levels to play for Team Ontario. This year, the OWHa hosted the Global Game and welcomed girls from across the country to play for Team Canada. The event was an overwhelming success with 38 countries participating.

Internationally, we welcome Team China for a series of games including their participation in the Stoney Creek Tournament, sanctioned Toronto Leaside on a tour of New Zealand and welcomed Sonya McEneaney as a volunteer at the provincial championships. Sonya heads the Female development program for the Irish Ice Hockey Association.

Within Ontario, it was a busy season for the OWHa in areas of development. The OWHa coordinated a bantam showcase and worked with Hockey Canada to put 200 girls through skills sessions during the USports women's hockey nationals in Napanee. The OWHa hosted a High Performance Coaching Symposium in March with a strong message on the OWHa coaching philosophy and a focus on Long Term Athlete Development (LTAD). The OWHa hosted a High Performance officiating camp in conjunction with the Ontario Summer Games and held a supervisors seminar in August. Successful development programs were held in Sarnia, Bluewater and London in conjunction with the women's Team Canada vs Team USA international hockey game. The OWHa coordinated two skills sessions in Ottawa on Clarkson Cup weekend. The OWHa participated in development sessions held in Ottawa during international exhibition games prior to the start of the World Cup in Toronto.

At the High Performance level, OWHa teams performed well with OWHa Team Ontario Red taking gold and the OWHa Team Ontario Blue taking 4th place at the U18 National Championship in Regina. Durham West Lightning Midget AA team won the 2017 OWHa Provincial Championships and went on to win bronze at the Esso Cup National Female Championship in Manitoba. We congratulate all team members who are great ambassadors of the female game.

The OWHa continues to promote a safe and healthy environment for both the physical and mental wellbeing of each athlete as the number one priority. Concussion education and management are very important and we remind everyone that if there is doubt, sit her out!

We sincerely thank the OWHa volunteers and supporters for their incredible contributions to the players and to the game. It is the contributions of the many stakeholders that bring strength and success to the OWHa. We truly value the amount of work that goes into the growth and development of the game and we are honoured to work together for an even greater future.

In closing, we would like to end by extending our most heartfelt appreciation for the contributions and friendship of Brian Tardiff who passed away following a brave struggle with ALS. Brian was a dedicated, humble contributor who served Female Hockey in a variety of roles including being a Board member and Treasurer of the OWHa. We thank him for his outstanding contributions and commitment to each and every player.

*Congratulations to the Mississauga Girls Hockey League on your 50th Anniversary.
Congratulations to the Brampton Canadettes Girls Hockey Tournament on your 50th Anniversary.*

*Thank you for your dedication, hard work and support
of Female Hockey in Canada.*

SHARE THE PASSION, SHARE THE DREAM

At the 2017 Provincial Championships in April, we had the privilege of hosting Sonya McEaney from the Irish Ice Hockey Association (IIHA)

Sonya is the head of Female Hockey development in Ireland and came here to learn from the OWSA and share information.

She played on the National Women's Ice Hockey team (The Girls in Green) at the 2011 and 2013 IIHF Women's World Championship Division V.

THE IIHF GLOBAL GIRLS' GAME SUNDAY, FEBRUARY 5th, 2017

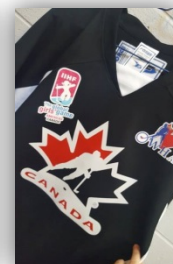

ABOUT THE GLOBAL GAME

The Girl's Global Game is an initiative that unites all federations from around the globe in celebration of the female hockey game. Its inaugural event took place in October 2015 which saw 38 countries participate, including Canada.

In partnership with Hockey Canada, the OWHA and IIHF, the Global Game took place over 2 days with an initial puck-drop to officially start the games on February 18 in New Zealand. These games united players across 6 continents as teammates! Each game had two teams that represent Blue and White and accumulate a score that was tallied as the games travels West from Malaysia/New Zealand all the way until the big finale here in Canada. Our players became teammates with other girls from all over the World!

Special thanks to the many volunteers who worked hard to make this event memorable for the players.

40 players were chosen from across Canada to represent their provincial hockey members and participate in the weekend festivities which include:

- ❖ Skills sessions
- ❖ Guest speakers
- ❖ Tours

The players had the opportunity to hear from members of the National Women's Alumnae Jayna Hefford, Vicky Sunohara and Margot Page, Cherie Piper, Cathy Phillips and Teresa Hutchinson.

Opening Ceremonies - Pickering Rec Complex

Players attended from Alberta, Nunavut, Northwest Territories, Manitoba, Quebec, New Brunswick, Prince Edward Island, Nova Scotia, Newfoundland and Ontario.

Participants were divided into two teams – **Team Canada Blue** and **Team Canada White**.

LONG GAME INITIATIVE SATURDAY, OCTOBER 8, 2016

Objective: The 2016 World Girls' Hockey Weekend was a huge success. It focused on growing and more importantly celebrating the game of hockey.

- The Long Game is the feature event of the WGHW. This will be one continuous game that includes all provinces in succession from coast to coast starting in Newfoundland & Labrador. There will be five age groups participating, including Atom, Pee wee, Bantam, Midget and Senior.
- This event will include over 40 games coast to coast which will involve over 2000 players, 150 coaches and hundreds of volunteers.
- Throughout the day, the scores from each participating game will be recorded and accumulate as we move from province to province with each age category being treated as its own Long Game with 4 running score clocks.

The Long Game Initiative, which featured four of the longest-running female games ever running from the east to west coast. In total, more than 2000 players on 98 teams played in 55 games across the country, which will ran continuously at the Atom, Pee wee, Bantam, Midget and Senior levels. The first puck drop was at 9:30 a.m. NT in N.L., and the final face-off was at 7 p.m. PT in, B.C. There were over 250 officials running the games, with countless other coaches and volunteers involved across the country.

IN LOVING MEMORY OF VERY SPECIAL TEAMMATES

Glenn Smith – Etobicoke Dolphins

It is with sadness that we say goodbye to Glenn Smith on Sunday August 01st, 2016. Glenn was a valued coach and member of the Etobicoke Dolphins Girls Hockey League for many years. He will be greatly missed by all his family, friends, and all those that were privileged to have known him.

Brian Tardiff – Cornwall

It is with sadness that we announce the passing of Brian Tardiff in Cornwall, Ontario on Sunday August 28th, 2016 at the age of 62 years. Brian fought a valiant battle with ALS and, throughout his ordeal, continued to contribute as a powerful leader to Female Hockey in the Ontario Hockey Academy, Cornwall and Ontario. He always had a positive attitude and made a point of speaking with kindness and support. He was involved with girls' hockey and softball for over 26 years and was inducted into the Cornwall Sports Hall of Fame. His incredible devotion to hockey has left a powerful legacy and enriched the lives of those who had the joy of calling him a colleague and friend. Our thoughts are with his wife Sue, and daughters Melissa, Erin and Chelsea.

Julie McCurdie

Julie McCurdie passed away peacefully on Thursday October 6th, 2016 surrounded by her family at the Ottawa General Hospital at the age of 50. Julie remained positive, and even during a difficult battle, she always had a contagious smile. She was a dedicated mother to Melissa and Matthew and a strong, caring wife and friend of Glen McCurdie, Vice President of Hockey Canada.

Timothy "Tim" Clyde Robertson

It is with immeasurable sadness we announce that Tim Robertson lost his long battle with ALS on November 6, 2016, at the age of 58. Tim earned his long time nickname "Blades" He played hockey throughout his youth and adulthood. He coached all three of his children through many hockey seasons for the Oakville Hornets, serving for over five years as the President of the Oakville Hornets Girls Hockey Association.

Ramon Llorente

Ramon passed away peacefully on January 17th at the age of 85 years with his family at his side. Fondly remembered by his family and many good friends. Our thoughts and prayers are with his wife Roma Llorente and his children, OWHA Scheduler Theresa Llorent (Heather), Monijie (Pandora) (Diana) and George (Shari). He impacted the lives of many in the community through his time as a school teacher, church involvement and participation with the Alberta Filipino Folk Dance troupe. He will be missed by all those who knew him.

Karen Rose Lundgren

Karen Lundgren, age 71 of Woodstock, passed away on January 25, 2017 after a short and courageous battle with cancer. She was in her home with her family at the time of her passing. Karen served at both the State and National levels promoting girls/women's ice hockey. She started this journey with Michigan Amateur Hockey Association in the early 1980's then moved on as Director of Girl's and Women's Ice Hockey for USA Hockey. She served USA Hockey for 25 years, retiring in 2011. Karen was the first female Director Emeritus for USA Hockey. Karen loved spending time in the rinks and interacting with the ground roots. She also enjoyed gardening, sewing and reading in her free time. Her passing is an immense loss to the community, to Female Hockey and most important to all those who were privileged enough to have known her.

Alexa Corneil

It is with heavy hearts that the family of Alexa Corneil announces her passing, far too soon at the age of 19, on March 26th, 2017. She loved hockey and played for the Temiskaming Shores Puckhounds for 8 seasons and the North Bay ice Boltz for 1 season. She will always be remembered as a talented athlete whose passion was hockey, though she loved a multitude of sports. She was an amazing goal scorer and her commitment to girls' hockey helped spur on the growth of the game locally for girls of all ages. She was also very intelligent, a quiet leader, a dependable friend and a very mature, caring and funny young woman. She will be missed by her beloved family and friends. The light of her life will be cherished by all those who knew and loved her.
