# CONGRATULATIONS **HAYLEY WICKENHEISER**

## on your induction into *The Hockey Hall of Fame (2019)*

*Hayley Wickenheiser is one of Canada's most extraordinary hockey players. As a member of Canada's National Women's Team, she was the most dominant skater over the course of her 23-year career.*

*Hayley was born on August 12, 1978. She started playing hockey in her hometown of Shaunavon, Saskatchewan when she was five years old. When she was 15 years old, she was selected for Canada's National Women's Team, and played in the 1994 World Championship where she joined her teammates in celebrating a gold medal win. Hayley played in 13 world championships and won seven gold medals, and three silver medals. In 1998 Women's Hockey was introduced to the Winter Olympic Games, here Hayley was named to the inaugural team and took the silver medal.*

*At the time of her retirement in 2017, Hayley was the all-time leading women's scorer at the Olympics, with 18 goals, 33 assists and 51 points in 26 games.*

*In 2011 The Hockey News named Hayley as one of the "Top 100 Most Influential People in Hockey". She continues to be a strong role model for females and young women in hockey.*

*Congratulations Hayley on a well-deserved induction into the Hockey Hall of Fame.*

### ROWAN'S LAW DAY

The last Wednesday of each September has been designated as Rowan's Law Day to help raise awareness about concussion safety. Please join us in remembering Rowan Stringer by promoting concussion safety through a tweet, Facebook or Instagram post each year. Rowan's Law Day was celebrated on September 30, 2020. We hope that you remembered to show your support for #RowansLawDay by sharing your stories and learning the signs and symptoms of a concussion.

Rowan Stringer was a 17-year-old Ottawa varsity rugby player who died from sustaining multiple concussions resulting in a catastrophic swelling of the brain – second impact syndrome. Rowan had three head injuries within 6 days while playing rugby. She was concussed and did not know it. Her parents, teachers and coaches did not know that she was concussed. No one knew, including Rowan that her brain needed time to heal. Rowan's Law and Rowan's Law Day was established to honor her memory and bring awareness to concussions and concussion safety.

## **ONTARIO WOMEN'S HOCKEY ASSOCIATION WORLD FEMALE HOCKEY LEADERS**

The 2019/2020 season was an historic occasion as, effective on Friday, March 13, 2020, all sanctioned hockey in Canada was cancelled due to the Covid-19 pandemic. The cancellation was immediate with events such as the USports Women's Hockey Championship already underway in PEI. On-ice participation was immediately stopped, and plans put in place to get people home. The logistical and financial challenges for everyone in hockey began as plans were changed, refunds were sought, and losses were managed.

OWHA games, playoffs, tournaments and provincial championships were put on hold and eventually cancelled. As with every aspect of business and society, OWHA and its Members worked diligently to plan through the unexpected closures with vast operational and financial implications. Throughout it all, people came together with the same values and teamwork that exemplifies women's hockey and sport. The number 1 priority was, and remains, the health and safety of every individual.

We truly recognize the hurt the cancellation created as participants had no opportunity to come together to wrap up a season with their teammates who had become close friends. Teams were no longer able to move forward to compete in playoffs and provincials in the spots they had worked hard to earn. Associations had to cancel tournaments that are so important for both the opportunities for participants and for the financial stability they bring to the organizations.

We had now joined forces with people throughout the world as we were truly in this together. Although we could not change where we were, we could choose our attitude and our actions in this new reality. The OWHA, its members and its players came together with a positive determination for health and safety at the forefront. We cared about our families and about each other and everyone worked together to close down the hockey season while looking forward to some safe return to hockey.

Fortunately, there were some wonderful success stories throughout the shortened 2019/20 hockey season.

OWHA was well represented at the 2019 U18 National Championship in Manitoba. Team OWHA Red went through the event undefeated, capturing the gold medals. This was the 13<sup>th</sup> straight gold medal victory for the OWHA at the National Championship that has featured outstanding talent from across the country. Sincere congratulations to all participants on Team OWHA Red and also to the players and staff on Team OWHA Blue as they advanced to the medal round undefeated in their pool and finishing 4<sup>th</sup> losing a very close bronze medal game to Quebec.

Congratulations to Team Canada on capturing the silver medals at the IIHF U18 World Championship in Bratislava. We also congratulate the players and staff who were selected for Team Canada for the 2020 IIHF Women's World Championship in Halifax and Truro March 31<sup>st</sup> to April 6<sup>th</sup>, 2020. Unfortunately, due to the pandemic, the 2020 event was cancelled with the 2021 World Championship being awarded to Halifax and Truro.

The Global Game was, once again, an overwhelming success and is another example of Female Hockey uniting the world in teamwork, building on positive values and cooperation. We thank Hockey Newfoundland and Labrador for hosting the Canada segment and welcoming our OWHA players. Unfortunately, only 5 of the 6 players made it to St. John's due to a major snow storm.

We congratulate all teams on qualifying for the provincial championships. Although the event did not take place, participant hats were sent to those who had qualified. In addition, in the true spirit of sport, one championship hat was sent to every team that had qualified as a gesture that each team was a champion.

The winner of the Midget AA OWHA Provincial Championship was to attend the Esso Cup, National Female Midget Championship scheduled for April in Prince Albert, Saskatchewan but it was also cancelled due to the pandemic.

There was a lot of disappointment with the loss of the CWHL but with the strength of the leadership of the incredible elite players from Canada, the United States and other countries, the PWHPA (Professional Women's Hockey Players Association) formed with the support of Billy Jean King as well as individual and corporate supporters. There is a strong Board of Directors and Jayna Hefford is the Operations Consultant. The players are committed to maximizing opportunities available today and making Female Hockey more respected and stronger for future generations.

We sincerely thank the incredible medical workers and other front-line workers in our membership for the commitment to the health and safety of people as they face personal risks through their incredible efforts. No words are strong enough to express our gratitude.

Special thanks to Minister Lisa MacLeod and the Ministry of Heritage, Sport, Tourism and Culture Industries for the leadership and commitment to sport and for the valuable support of the OWHA. Thanks to Steve Harlow, Patricia Vena and Scott Cooper for their guidance.

Our thoughts and support are with those who have lost loved ones and to those who are struggling with physical and mental challenges due to Covid-19 and other circumstances.

We sincerely thank the volunteers, administrators, sponsors and supporters of each player, team and association. Congratulations and thank you to players of all ages in all parts of Ontario who have faced, with both disappointment and courage, the unexpected change to hockey and to life that we have had to face with the Covid-19 pandemic. We will get through this together with strength and teamwork.

# THE IIHF GLOBAL GIRLS' GAME

## FEBRUARY 7-9, 2020

### ST. JOHNS, NEWFOUNDLAND

#### ABOUT THE GLOBAL GAME

This year, 37 countries participated in the event. As the game ended in one location, it was picked up by the next with the score continuing to grow. The goal of the event is to unite the world in a single effort to showcase women's hockey and raise awareness of the girls game on a global scale.

Thirty-seven Bantam (U15) players from across the country made the trek through winter storms to take part in the Canadian event. A back-and-forth game finished as an exciting 7-5 victory for Team Blue (in red, since it's Canada), helping Blue to win over White. The game in St. John's included a full roster of female coaches, officials, game operations and anthem singers, and the players were cheered on by Novice (U9) girls!

The OWSHA was honoured to be represent by the following players:

Player Name	Hometown	2019-2020 Club Team
Julia Boelens	Wyoming, ON	Lambton GHA
Taryn Coleman	Ottawa, ON	Nepean Wildcats GHA
Charlotte Fowle	Thorold, ON	St. Catharines FHL
Julia Gasparotto	Toronto, ON	North York GHA
Alice Hanlon	Ashburn, ON	Whitby GHA
Kaia Kellar	Cobalt, ON	Temiskaming Shores GHA

FINAL SCORE	
WHITE	111
BLUE (Red)	127

Pictured above: Julia Boelens, Charlotte Fowle, Julia Gasparotto, Alice Hanlon and Kaia Kellar. Due to an unexpected Snow Storm circumstances Taryn Coleman was not able to make the event.

Our 6 OWSHA players have a combined total of **45** years of playing in the OWSHA and will now have a new experience as being part of Canada's team.

***Congratulations to all participants of the 2020 IIHF Global Games.***
