AREAS OF EMPHASIS 2010-2011

Ontario Women's Hockey Association

MISSION STATEMENT

*Through a provincially unified, collective voice,
the OWHA promotes, provides and develops
opportunities for girls and women to
play female hockey in Ontario.*

We are all very fortunate to have the privilege of personal involvement in hockey whether it is as a player, coach, official, volunteer or supporter. In order to maximize the experience, it is important for everyone to understand the game, the rules, the regulations and the responsibilities. Much information is available on the OWHA web site, through local and provincial contacts and from the OWHA office. OWHA Constitution, By-Laws, Regulations and Rules are posted on the OWHA website or can be ordered from the OWHA office. It is the responsibility of team management to be aware of all pertinent information and to inform team members, parents and others as appropriate.

To assist with the positive experience for the 2010-2011 hockey season the OWHA Executive Committee has identified a few specific areas of emphasis:

- All OWHA registered participants are bound by the OWHA Rules, Regulations, Policies, Procedures and Code of Conduct.
- OWHA registered participants are covered by Hockey Canada insurance. All on-ice and/or on-bench participants **MUST** be eligible and registered on an official OWHA roster before participation.
- OWHA registered teams are permitted to play other Ontario female teams **ONLY** if they are registered with the OWHA. It is the responsibility of the team's management to ensure that every game and/or scrimmage against other female teams is in accordance with this mandate.
- OWHA registered teams wishing to play against female teams from outside Ontario **MUST** receive written approval from the OWHA.
- OWHA registered teams are not permitted to play against any "male" team. Exceptions may be granted at the discretion of the OWHA Executive Committee.
- Every individual who goes on the ice and/or on the bench with a team at a game or practice **MUST** be registered with the OWHA. As an example, this includes power skating instructors.
- Suspensions – minimum suspensions **MUST** be followed. Teams, associations, leagues and tournaments do not have the authority to lessen these suspensions. All suspendable offences **MUST** be reported to the team's OWHA Regional Director.

- Teams require OWHa Executive Committee approval to participate in a league.
- Tampering – Once a player is signed with a team, she requires a player release before going to another team. Asking a player to join your team, tryout or participate with your team when she is currently a member of another team is tampering and is not permitted.
- Players from outside Ontario – There are important requirements for players who transfer in to Ontario from other provinces and countries. These players MUST NOT be allowed on the ice until you are certain the proper approvals and fees are in place.
- Speak Out! – All bench, on-ice and dressing room staff MUST attend a Speak Out/Respect In Sport Online in order to work with an OWHa team. The only exception to this is for Senior Recreational & Masters teams where this is a recommendation only.
- Criminal Record Checks and Speak Out! compliance are required in accordance with OWHa policies and specifically the Ten Steps to Screening (refer to Appendix “C”).
- All female hockey teams in Canada must play and practice with no intentional body checking.
- For female hockey in Ontario, mouth guards are recommended, but not mandatory
- For female hockey in Ontario, goaltenders are required to wear BNQ throat protectors, neck protectors are optional.
- Zippered pants are legal if zipped
- Important Hockey Canada information (See Appendix “A”)
- OWHa Rule ONE (II) (B) Team officials MUST wear properly fastened helmets on ice. There will be one warning followed by a 2 game suspension.
- Multiple suspensions will not be tolerated. Suspendable actions and violations of the OWHa Code of Conduct will not be tolerated.
- Selection and monitoring of coaches and team staff is a priority. There is no excuse for violation of the OWHa Code of Conduct by team staff.
- Bullying, Cyber-bullying and derogatory comments posted on Facebook, blogs and circulated through email are not acceptable and are deemed to be in violation of the OWHa Code of Conduct. Teams and associations and the OWHa Discipline Committee will take a strong stance against this dangerous behaviour that is disrespectful to the entire membership of the OWHa.
- PAWSITIVE – The Ontario Women's Hockey Association is an organization built on a foundation of respect and team work. The key to its success is the flexibility with a focus on empowerment and providing good people with the tools to do good things for all participants in Ontario and in female hockey.

HOCKEY CANADA/OWHA PLAYING RULES EMPHASIS 2010/11

PLAYING RULES RULES EMPHASIS

The 2010 – 2011 Rules Emphasis has been approved by the Hockey Canada Board of Directors, and mandates that all Hockey Canada participants are to adhere to these guidelines.

The enforcement of this rules standard in our game will continue to allow for improved skill development and positive hockey experiences.

The mission of Hockey Canada is clear; the game will be enhanced through the application of the standard of enforcement and rules emphasis.

RULES EMPHASIS

- **CHECKING TO THE HEAD** – (contact physically or with a stick to another players' head area).

Deliberate checks to the head remain to be a major problem in today's game. Concussions not only deprive players of playing time, they end players' careers and can have long term effects.

Checks to the Head demonstrate a lack of respect and fair play and must be penalized. Any moderate or severe blow to the head must be penalized with a Minor Penalty and Misconduct or a Major penalty and a Game Misconduct. Checking to the Head incidents result in our players suffering concussions and other more severe head injuries which is having a major impact on our game. A Match penalty could also be assessed under this rule.

The appropriate Checking to the Head penalty must be assessed in all situations where players deliberately target the head of their opponent.

Aggressive fouls that have severe consequences for players who are on the receiving end of these undisciplined fouls. These types of infractions cannot and must not be tolerated at anytime throughout the game, no exceptions.

Whether it is elbowing, high sticking, roughing or cross-checking, hits to the head are an intentional act of violence and must be treated with zero tolerance on the part of the official at all times.

**We ALL play a role in supporting the
improvement of our game.**

All partners must demonstrate awareness and support for the application, spirit and the respect of the rules.

If you have any questions regarding the new standard of play or rules emphasis for this season, please contact the Ontario Women's Hockey Association office for further clarification.

APPENDIX “B”
UNDERSTANDING BULLYING
HARASSMENT & ABUSE

**FAIR PLAY MEANS
SAFETY FOR ALL**

A PARENTS’ & GUARDIANS’ GUIDE
TO
UNDERSTANDING BULLYING,
HARASSMENT & ABUSE

WHAT DOES SAFETY FOR MY CHILD MEAN?

We all want our children to be safe - keeping them safe means putting the **child’s best interests first**. In sports this means ensuring that the young player is treated with respect and integrity - emotionally, socially, intellectually, physically, culturally, and spiritually.

WHAT IS HOCKEY CANADA’S MISSION?

The mission of Hockey Canada is to lead, develop, and promote positive hockey experiences.

The well being of its participants are of primary importance. This includes, among other things, a shared responsibility with parents and guardians to nurture the physical and emotional well-being of its participants.

**RECOGNIZING BULLYING, HARASSMENT
& ABUSE**

When is my child unsafe?

Young people are unsafe when someone uses his or her power or position to harm them either emotionally, physically and/or sexually. These types of violence can be bullying, harassment or abuse. It can happen between peers, between younger and older youth or between adults and youth.

BULLYING

WHAT IS BULLYING?

Bullying is intentionally hurting someone in order to insult, humiliate, degrade or exclude him or her. Basically it is “mean” behaviour. It involves three groups of people: the bullies, the bullied and the bystanders. Hurtful actions may be:

Physical (used most often by boys)

- hitting
- kicking
- grabbing
- damaging or stealing another person’s property
- shoving
- spitting on
- beating others up

Verbal

- name-calling
- humiliating
- degrading behaviours
- may happen over the phone
- hurtful teasing
- threatening someone
- in notes or in person
- through text messaging or chat rooms

Relational (used most often by girls)

- making others look foolish
- excluding peers
- spreading gossip or rumours
- this may happen in person, over the phone, through text messaging, or over the computer

Cyber-Bullying (includes the use of email, cell phones, text messages and internet sites)

- Pretend they are other people online to trick others
- Send threatening or harassing emails
- Spread lies and rumors about the people they are victimizing
- Trick people into revealing personal information
- Send or forward mean text messages
- Post pictures of people without their consent

WHAT IS THE ROLE OF THE PERSON WHO IS THE BYSTANDER?

People who are bystanders or witnesses play a key role in the bullying world. Their reaction or lack of reaction often influences the outcome of the interaction:

- a passive response gives the person who is bullying a theatre to cause hurt and a sense of reinforcement as there is no opposition.
- a supportive response gives the person who bullies positive attention, alignment, power and social status. The person who is the bystander may also increase their own social status.
- a negative response supports the person being bullied and may stop the bullying; it may also put the person who is the bystander at risk to become the next victim.

BULLYING IS NOT...	BULLYING IS....
Conflict between friends	Hurting behaviours based on oppression and “meanness”
An argument between people of equal power	Based on power differentials
Accidental	Intentionally harmful
Normal relational development challenges	Intense and long in duration
A “one-time” event (usually)	Repeated over time (generally)
Friendly teasing that all parties are enjoying	Oppressive – isolates victims
Something people grow out of	Caused by many factors and behavioural challenges (Beyond the Hurt, Red Cross RespectED, 2002)

WHAT IS HARASSMENT?

Harassment is offensive behaviour—emotional, physical, and/or sexual - that involves discrimination against a person because of their race, national or ethnic origin, age, colour, religion, family status, sexual orientation, sex/ gender, disability, marital status, or pardoned conviction. It is a HUMAN RIGHTS issue.

Harassment may be a single event or a pattern of mistreatment. It may be directed at an individual or group through the development of a “chilly” or “hostile” environment.

Harassment occurs when someone attempts to negatively control, influence or embarrass another person based on a prohibited ground of discrimination. Examples include displays of favouritism or dis-favouritism, subtle put downs or ostracism.

WHAT IS CRIMINAL HARASSMENT?

Criminal harassment—often known as stalking—involves following another person; monitoring them or someone close to them, or their home; contacting them repeatedly against their wishes or threatening them. For a charge of criminal harassment to be laid, the victim must have reason to fear for his/her safety (or the safety of someone else) and the perpetrator must know—or could reasonably be expected to know—that the victim is fearful (Family Violence in Canada, A Statistical Profile, 2001).

Criminal charges may also be laid in harassment cases if a person has been physically or sexually assaulted.

WHAT ARE THE MOST COMMON TYPES OF HARASSMENT?

The most common types of harassment are harassment based on race, disability and sexual harassment.

WHAT IS RACISM?

Racism is when people are treated differently because of their colour, racial or ethnic background. Examples include racist names, treating someone as inferior or second-rate, leaving someone out or blaming problems on them because of their religion, skin colour, or country of origin.

WHAT IS DISABILITY HARASSMENT?

Disability harassment is when a person is treated differently because of a real or perceived disability, either physical, mental or learning. It may be verbal – such as name calling or threatening the person with physical harm, actually physically harming a person, hurtful written comments or preventing an individual from fully participating in on-ice or team activities.

WHAT IS SEXUAL HARASSMENT?

Sexual harassment is unwelcome behaviour of a sexual or gender nature that negatively affects the person or the environment. Examples are questions about one's sex life, sexual staring, sexual comments, unwanted touching, insults about sexual orientation and sexual assault.

WHAT DETERMINES IF HARASSMENT HAS OCCURRED?

Dealing with harassment can sometimes be difficult as what is viewed as harassment by one person may be viewed as a "joke" by another person. But it is the **impact** of the behaviour on the victim that is the most critical issue, **not the intention** of the person who harasses.

ABUSE

WHAT IS ABUSE?

Abuse is when a young person (age defined by Provincial/Territorial Child Protection Acts) needs protection from a person they trust and/or are dependent upon. This is a PROTECTION issue. The person in power may be hurting them in a number of ways:

- Emotional abuse: a **chronic** attack on a child's self esteem that is psychologically damaging by a person in a position of power, authority or trust. It can take many forms such as terrorizing, degrading and rejecting but it is **NOT** simply:

- | |
|---|
| <ul style="list-style-type: none">• Benching a player for disciplinary reasons• Cutting a player from a team after tryouts• Refusing to transfer a player• Limiting ice time• Yelling instructions from the bench |
|---|

These are not protection issues

- Physical abuse is when a person in a position of power or trust purposefully injures or threatens to injure a child or youth. This may take the form of slapping, hitting, shaking, kicking, pulling hair or ears, striking, shoving, grabbing, hazing or excessive exercise as a form of punishment.

- Neglect is the **chronic** inattention to the basic necessities of life such as clothing, shelter, nutritious diet, education, good hygiene, supervision, medical and dental care, adequate rest, safe environment, moral guidance and discipline, exercise and fresh air. This may occur in hockey when injuries are not adequately treated, players are made to play with injuries, equipment is inadequate or unsafe, or road trips are not properly supervised.
- Sexual abuse is when a young person is used by an older child, adolescent or adult for his or her own sexual stimulation or gratification. There are two categories:

CONTACT	NON CONTACT
<ul style="list-style-type: none"> • Touched and fondled in sexual areas • Forced to touch another person's sexual areas • Kissed or held in a sexual manner • Forced to perform oral sex • Vaginal or anal intercourse • Vaginal or anal penetration with object or finger • Sexually oriented hazing 	<ul style="list-style-type: none"> • Obscene calls/remarks on a computer, cell phone or in notes • Voyeurism • Shown pornography • Forced to watch sexual acts • Sexually intrusive questions or comments • Indecent exposure • Forced to pose for sexual photographs or videos • Forced to self-masturbate • Forced to watch others masturbate

HAZING

WHAT IS HAZING?

“Hazing” is an initiation practice that may humiliate, demean, degrade, or disgrace a person regardless of location or consent of the participant(s). Hazing is against Hockey Canada regulations.

BULLYING AND HARASSMENT: TIPS FOR CHILDREN AND YOUTH IF YOU ARE BEING TARGETED

- Remember it is not your fault and there is nothing wrong with you – no one deserves to be bullied or harassed.
- Tell an adult you trust. They can give you support and help stop the bullying or harassment. If no one helps you, keep telling until you do get help.

- Have a teacher or an adult help you with a safety plan if the bullying is making you afraid or upset.
- Take a Stand:
 - KEEP YOUR COOL** and walk away. Using insults or fighting back will make the problem worse.
 - USE HUMOUR**, Say something funny and make them think you don't care.
 - BE ASSERTIVE**, look confident and let the person know that they need to stop what they are doing.
- Hang out with friends that you know will support you and work together to speak out against bullying and harassment.

IF YOU SEE THAT SOMEONE IS BEING BULLIED OR HARASSED:

- Stand up for your friends who are targeted.
- Refuse to go along with bullying or harassment – people who laugh, agree or cheer only encourage the behaviour. Instead, take the side of the person who is being targeted.
- Report what you see or hear to an adult.

IF YOU ARE BULLYING OR HARASSING SOMEONE:

- Stop the aggressive, controlling behaviour
- Take responsibility for your actions.
- Treat people the way you want to be treated.
- Learn how to be a good friend.
- Talk to someone about how you feel and ask for help.

FOUR STEPS TO STOP CYBER-BULLYING:

1. **STOP** – Do not try to reason with or talk to someone who is Cyber bullying you.
2. **BLOCK** – Use the block sender technology to prevent the person from contacting you again.
3. **TALK** – Tell a trusted adult, inform your school, use a help line and/or report it to police.
4. **SAVE** – Save any instant messages or emails you receive from the person who is bullying you.

TIPS FOR PARENTS

- Teach your children that if they see someone being bullied they should not watch, laugh or join in.
- Pay attention to the relationships in your children's groups. Ensure all children are included and that inappropriate behaviours are addressed.
- Help kids see the value of offering empathy and support to those who are bullied.
- Be a good example for your children. Model respectful behaviours at home and in your daily interactions.

ON CYBERBULLYING

- Familiarize yourself with online activities. Learn about the websites, blogs, chatrooms and cyberlingo that your children are using.
- Keep the computer in a common area so you can monitor activities.
- Keep open communication lines with your children so they feel comfortable talking to you about cyberbullying experiences. Let them know that you are there to support them.
- Recognize that online communication is a very important social aspect in kids' lives. Do not automatically remove their online privileges if you find out about a cyberbullying experience.
- Talk to your children about what is acceptable behaviour online and offline.
- Report any incident of online harassment and physical threats to the local police or your Internet Service Provider.
- Report any bullying that occurs over your child's cell phone to your phone service provider. You may have to change the phone number if the problem does not stop.

RECOGNIZING VULNERABLE SITUATIONS HOW DO I KNOW WHEN MY CHILD IS BEING BULLIED, HARASSED OR ABUSED?

- Listen to them
- Believe them
- Observe them

- Watch their interactions with others
- Be aware of sudden changes in their behaviour and/or anger in them
- Question unexplained bruises, marks on their faces, back, thighs, upper arms, heads, buttocks, genital areas

WHO WOULD HURT MY CHILD?

Unfortunately, it is usually someone both you and your child know and who misuses his/her power over your child. This may be a peer, a young person, or an adult.

WHO ARE SEXUAL OFFENDERS?

Sexual offenders are/can be:

- Most often male but may be female
- Heterosexual, homosexual or bisexual
- An older child, adolescent or adult
- Found in all levels of society and in all cultures
- Either infrequent offenders or pedophiles who are fixated on children as sexual objects
- Prone to rationalize and minimize their abusive behaviour

WHERE IS MY CHILD MOST AT RISK OF BEING BULLIED, HARASSED OR ABUSED?

Basically your child is most vulnerable when:

- He/she is alone with another person - this could be in the arena, dressing room, car, bus, home, office, outside - anywhere!!
- In a group setting where there is inadequate supervision.

RECOGNIZING COPING MECHANISMS HOW DO CHILDREN AND YOUTH COPE WITH THE TRAUMA OF BULLYING, HARASSMENT AND ABUSE?

- Some pretend it never happened.
- Others convince themselves that it wasn't so terrible.
- Many find excuses as to why it happened.
- Some blame themselves.
- Some develop physiological defenses - headaches, body pains and illnesses.
- Others escape through drugs, alcohol, food or sex.
- A few try to hide from their pain by being perfect.
- Some try suicide.

WHY DO KIDS NOT TELL?

They may:

- Be frightened.
- Believe they are responsible.
- Not want to get the perpetrator into trouble.
- Be embarrassed and ashamed.
- Think no-one will believe them.
- Worry that they will not be allowed to play hockey.

- Know and support your Association's policies and procedures.
- Attend a Speak Out: It's More Than Just a Game workshop.

Safe environments need to be the goal of everyone. This means that harassment and bullying will be stopped immediately with the victim's well-being given priority. Therefore it is everyone's responsibility to:

- Intervene with low-level mediation for mild bullying and harassment situations
- Report to hockey administration serious bullying and harassment situations
- Ensure that criminal harassment cases are reported to police

As Canadians it is our legal responsibility to report the abuse and neglect of children and youth. Consequently, it is the policy of Hockey Canada that any Hockey Canada personnel

(part-time and full-time staff, volunteer, participant, team official, on ice official) or Hockey Canada partner (parent, guardian) who has reasonable grounds to suspect that a participant is, or may be suffering, or may have suffered from emotional, physical abuse and neglect and/or sexual abuse, shall immediately report the suspicion and the information on which it is based to the local child protection agency and/or the local police detachment. Across Canada, a person is considered a child up to the age of 16 to 19 years depending on provincial and territorial legislation.

WHEN I REPORT ABUSE, WHAT QUESTIONS WILL BE ASKED?

- The child's name, address, age, sex and birthdate
- Parents'/guardians' names and addresses
- The name and address of alleged offender
- Details of the incident(s) that prompted your report
- Your name and address

WHAT HAPPENS WHEN A REPORT OF ABUSE IS MADE?

- A social worker or police officer will decide if an investigation is needed.
- If the child is "at risk" and needs protection an investigation is started as soon as possible.
- An experienced interviewer will conduct the interview.
- The primary concern is safety of the child.
- The social worker and/or police officer will decide what further action is required.

WHY DON'T PEOPLE REPORT?

They don't report because they:

- Are unaware of the reporting laws and policies.
- Believe that they can take care of the problem themselves - it's their own business!
- Are fearful of retaliation from the abuser - or are friends with the abuser.
- Find it hard to believe.
- Assume someone else will make a report.
- Don't want "to tell" on someone.

- Want to protect their child from questions and embarrassment.
- Are not sure where or how to make a report.
- Just want it “all to go away”.
- Forget that the child’s best interests is the priority.

DO CHILDREN EVER MAKE FALSE ALLEGATIONS?

Yes, sometimes it happens. Some of the research shows that about 8% of disclosures are false. Most of the false allegations by children are encouraged by adults - e.g. custody cases, others have been by adolescents who wanted “to get even”. It is important to reinforce the truth-false allegations are devastating to the person accused.

HOW DO I KEEP MY CHILD SAFE?

There are five essentials to keeping your child safe.

Policy 1c: It is the policy of the OWHA that Criminal Record Checks as stated in policy 1b will be required for all new volunteers and staff people of the Team, Association, Programme, League. Once the individual has been permitted

to act as a volunteer or hired as a staff person these Criminal Record Checks will be required every 4 years.

Supporting Documentation

An applicant will be required to fill out the OWHA Approved Consent for Criminal Record Search form and pay the fee. It would be the responsibility of the Team, Association, Programme, League to determine any reimbursements to the individual and to coordinate the fee charged by the police agency. The Team, Association, Programme, League should have the applicant return the form to the independent designated person within the Team, Association, Programme, League. The independent designated person should have a “Professional Designation such as: Police, Chiropractors, Notary Publics, Engineers, Banker, Clergy, Doctor, Lawyer, Judge, Principal, Dentist and Accountant

The Team, Association, Programme, League would establish a Review Committee made up of the list of individuals that have a “Professional Designation” to review the Criminal Records Checks when the police have identified a criminal conviction. Their duties would include comparing the offense to the specific job description and reference checks of that individual and determining the risk involved. If an individual transfers to another Team, Association, Programme, League they would be required to provide a new Criminal Record Check and provide any previous Criminal record Checks that they may have access to. It is the intent that volunteers of the Team, Association, Programme, League not have access to other volunteers Criminal Record Checks. By using independent people with Professional Designations this risk is minimized.

It is also recommended that Teams, Associations, Programmes, Leagues develop a relationship with the Police Agency to assist in the screening process and to facilitate a working relationship when situations arise that require assistance.

OBLIGATION TO REPORT

Policy 2: It is the policy of the OWHA that any and all situations involving Harassment and Abuse must be reported to the Team, Association, Programme, League and subsequently to the OWHA by the Team, Association, Programme, League.

Supporting Documentation

The OWHA members will provide a list of individuals for consideration to be OWHA Panel Members. The OWHA supports the concept of Local Panels, but the Team, Association, Programme, League Panel Member must be educated and demonstrate competency on Harassment / Abuse issues through the approved Harassment / Abuse Educational Seminar conducted by the Canadian Red Cross. Before a Local Panel could be established, the Team, Association, Programme, League should demonstrate that:

- 1.A meeting or hearing has been conducted involving all parties to attempt to resolve the matter.*
- 2.That they have conducted a Fact Finding/Discovery process.*

This would also apply to OWHA Teams, Associations, Programmes, Leagues. If a Team, Association, Programme, League does wish to proceed with a Panel which involves Harassment / Abuse, the Team, Association, Programme, League would be required to coordinate the Panel’s activities with the OWHA. Screening

Screening is a continuum of steps taken over time, designed to identify any person, paid or unpaid, volunteer or staff; who poses a risk to children, youth or other vulnerable persons.

While doing a police record check is an important element of effective screening; it is by no means the only one, or even the most important step.

TEN STEPS TO SCREENING

1. JOB DESIGN
2. JOB DESCRIPTIONS
3. APPLICATION FORMS AND PROCESS
4. RECRUITMENT
5. INTERVIEWS
6. REFERENCE CHECKS
7. POLICE RECORD CHECKS
8. ORIENTATION AND TRAINING
9. SUPERVISION / EVALUATION
10. PARTICIPANT FOLLOW UP

Hockey Canada SPEAK OUT! Program

Risk Assessment Tool & Rating

Risk Assessment Tool

The Risk Assessment Tool is not a scientific assessment, but is designed to help alert you to potential factors in a volunteer or staff position. No single check-list fits all situations so organizations are encouraged to adapt this tool to meet their specific needs and any local legal obligations.

Questions to consider when assessing the risk level associated with each position.

- 1) Does the person in this position serve people who may be vulnerable?
 - Children under the age of 18
 - Persons with communication or language boundaries
- 2) Does the person in this position allow access to players?
 - Direct contact with players at the rink or away from the rink
 - Driving players in their vehicle within Hockey Canada's Speak Out parameters
- 3) Does the person in this position require making physical contact with a player's body?
 - Demonstrating a skill
 - Touching the player
 - Contact with bodily fluids
- 4) Does the person in this position have access to property or equipment?
 - Personal equipment • Facility equipment • Organization equipment
- 5) Is the person in this position involved in making decisions about a player's future or movement within the system?
 - Perceived or actual position of authority
- 6) Does the person in this position have access to confidential information?
 - Personal documents or communications
- 7) Does the person in this position have access to money?
 - Personal funds
 - Organizational funds
- 8) Is the person in this position involved in making decisions on behalf of the organization?
 - Perceived or actual position of authority
 - Enters into agreements on behalf of the organization

If you answered "yes" to any question above, here are some suggested steps:

- Reference Check
- Police Record Check
- Regular supervision
- Participant evaluation of position
- Specific behaviour code is provided

OWHA POLICIES

CANADIAN FLAGS ON TEAM UNIFORMS POLICY

All registered players with the OWHA and all on-ice personnel within the Association shall be required to wear or have embossed on their jerseys a standard Canadian Flag patch either on their left sleeve or on their upper right chest. Failure to comply will result in forfeiture of any game played.

FEMALE REGISTRATION

In some cases, a female registering with the OWHA may affiliate to some minor hockey programmes.

In some cases, a female registering with a minor hockey programme may participate with the OWHA as a Female Development Player.

Details regarding application of the policy in specific areas are available from the OWHA office.

APPLICATION OF STICKERS ON HELMETS POLICY

Hockey Canada requires all players to wear helmets that are CSA certified from the manufacturer. It is the responsibility of the equipment user to ensure that throughout the life of the helmet the CSA certification is maintained. Hockey Canada recommends that prior to applying anything to the helmet including stickers that they refer to the manufacturer's instructions and if applicable the sticker manufacturer to confirm the type of adhesive they are applying will not jeopardize CSA certification and/or the manufacturer's warranty. It is the sole responsibility of the equipment user to ensure that they are not applying adhesives or other materials that may affect the integrity of the helmet and ultimately void the CSA certification and/or the manufacturer's warranty.

Summary

All players within Hockey Canada must wear a CSA certified hockey helmet and the CSA sticker must remain on

the helmet at all times. The following summarizes guidelines related to the application of stickers on the CSA certified helmet:

- It is recommended that you do not apply anything to the helmet, however, if the user decides to apply materials such as stickers then it is their responsibility to ensure that it meets approval of the helmet manufacturer.
- It is important that the manufacturer instructions for care of the helmet are carefully read and followed to ensure proper maintenance of this piece of equipment.

POST GAME HANDSHAKE POLICY

It is the policy of the OWHA that teams shake hands immediately following each game. This policy is consistent with the OWHA Values.

Teams are reminded that on-ice officials do have the authority to prohibit the handshake. We do hope this will not be necessary.

From time to time, a situation may arise where individual team members and/or the entire team should take precautions. Please note the example of a procedure implemented at the 2003 OWHA Provincial Championships due to SARS:

SARS PRECAUTIONS

Any time you as a hockey player would ordinarily shake hands with your opponent or anyone else during these Championship games, we ask that you keep your gloves on when making contact with the other player; and

Wash your hands frequently and thoroughly with soap and water, or use an alcohol-based hand rub, during the course of the Championships;

Do not share personal items, such as utensils and drinking cups with anyone;

Promptly throw any tissues or other articles that come in contact with fluid from your nose, mouth or eyes into a garbage receptacle.

H1N1 VIRUS

**September 9, 2009 - Bulletin from Dr. Mark Aubry,
Chief Medical Officer, Hockey Canada**

H1N1 Virus – Recommended Steps for all Associations and Teams

There is presently much speculation as to the impact that the H1N1 virus will have on Canadians over the next few months. Organizations have been urged to stress to their members steps that should be taken to prevent the spread of the virus, and to have plans in place to alleviate any hardships that may come of the spread of H1N1.

Hockey Canada has for many years had specific steps in place to reduce the spread of any infection in the hockey environment and we urge you to remind your teams of the following.

Team staff need to emphasize to players and parents the need for total cooperation in all aspects concerning hygiene, but specifically to the prevention of the transmission of the H1N1 virus. The following are recommended steps within the team environment:

1. Players should be urged to report all illnesses to their parents and the Safety Person/Trainer. **Parents are urged to keep their children away from the hockey environment if they are showing any signs of infectious disease or virus. Sick players are encouraged to see their physician if showing signs or symptoms of the H1N1 virus, and to be fully recovered prior to returning to play.**
2. Players should be encouraged to wash hands routinely and always after handling hockey equipment. Frequent hand washing with soap and water is one of the best preventions we can recommend. Teams are encouraged to carry extra hand soap or hand sanitizer as not all arenas have this readily available.
3. Talk to your players about covering their mouths and nose when coughing or sneezing using their arm as opposed to their hands.

4. Advise players to try and not touch their own mouths or nose when in the hockey environment to reduce the chance of them passing an infection on to themselves.
5. Ensure all players and staff have **their own water bottles labeled with names and players numbers.** Sport drink bottles should be avoided as direct lip contact is possible when drinking.
6. Officials and coaches should avoid drinking from other players water bottles and have water readily available to them on their perspective benches.
7. Towels should be removed from all benches. Players should not share towels, clothing, bar soap or other personal items such as razors.
8. Assist athletes in protecting their immune system by stressing they get sufficient sleep, that they do not over train and that they get proper nutrition.

You will find important information on the OWHa Web Site at www.owha.on.ca .that we suggest distributing this to your team's staff and parents for their information. You may find additional information on the Health Canada website at <http://www.hc-sc.gc.ca/index-eng.php>

WATER BOTTLE POLICY

SHARING WATER BOTTLES - There has been concern shown over the potential health risks related to the sharing of water bottles by players, officials, coaches and other participants. The Canadian Hockey Safety Program recommends the following protocol as it relates to the use of water bottles:

"Good team hygiene includes ensuring all players and staff have their own water bottles to prevent the transmission of viruses and bacteria. Bottles should be labeled and washed after each practice or game."

It is further recommended that officials avoid the practice of drinking from the goaltenders water bottle. If officials require water during a game, we suggest they have their own water bottle at the penalty bench.

Good hygienic practices will help to maintain a healthy team atmosphere and ultimately assist in keeping all participants healthy throughout the season.

CAMERA PHONES & PDA'S FACILITY ALERT

The Ontario Women's Hockey Association points out this very important information:

Technology advancements have allowed cell phones and PDA's (personal digital assistants) to carry new functions - such as cameras that allow users to secretly photograph objects in front of them while appearing to dial a number.

The ability to snap photos without others knowing has raised significant concern for members of the O.R.F.A.'s (Ontario Recreation Facilities Association) Aquatic Committee. The potential exists for deviant behaviour of camera-phone users photographing other patrons undressing or showering in locker rooms.

O.R.F.A. President, Dan McArthur recommends that signage be posted immediately that

"Prohibits the use of cell phones, and personal digital assistants in all recreation facility change rooms".

"Some of these phones can be used as cameras," said McArthur and "If someone uses a phone this way and takes a photo and puts it on the Internet, it's a violation of personal privacy and should not be tolerated by building owners".

What's alarming is how popular, widespread -- and clandestine -- these phones are. Global sales of mobile phones that can take, send and receive pictures rose 65 percent in the last quarter from 5.2 million units to 8.6 million phones sold, according to market research firm Strategy Analytics. These numbers do not include snap-on cameras for the phones that can be purchased for as little as \$100.

According to O.R.F.A. Executive Director, John Milton this issue will quickly become a real problem to Association members and the general public at large; much worse than it is now. Cell phones already take better pictures than most video cameras; cell-phones eliminate the evidence (send it somewhere else), rather than storing it where it can easily be found; unlike video cameras, cell-phones don't require disguises or excuses to be brought into such sensitive areas as schools, gyms, locker rooms, bathrooms, beaches, etc., etc.

Note: Special thanks to the City of Pickering, Town of Ajax and City of Waterloo for their input and sharing of information regarding this Facility Alert.

Canada’s Risk Management and
National Insurance Programs

- Risk Management
- Emergency Action Plan
- Hockey Canada National Insurance Program

SAFETY REQUIRES TEAMWORK: INTRODUCTION TO RISK MANAGEMENT

Accidents can and do happen anywhere, anytime to anyone. This is especially true in sports which involve physical contact, like hockey.

Whenever physical contact is involved, there is always the potential for serious injuries. When serious injuries occur, they can inflict tremendous hardship on injured parties and their families, often for a lifetime. In addition, serious injuries also involve the threat of lawsuits where people and organizations are sued for negligence.

This is where risk management becomes important. Risk management includes identifying, assessing and eliminating or minimizing risks in an activity, in this case, organized hockey. Risk management requires all participants in organized hockey to play specific roles in order to prevent accidents and injuries before they happen.

This manual will help you, the hockey participant, to recognize the basic concepts of risk management, and more importantly, understand the role that you must play to make hockey a safer game for all participants. This not only involves identifying and eliminating or minimizing risks, but instilling important values in participants such as respect for the rules and other participants.

This manual also provides you with a user-friendly guide to the features and procedures of Hockey Canada's National Insurance Program. Insurance is the last component of an effective risk management program, as it provides protection for all participants against the consequences of unavoidable risks.

Although this manual outlines the National Insurance Program, it is important to emphasize that unless the risk management activities of identifying, assessing and minimizing or eliminating risks are effective, no insurance fund will be adequate for all the claims which would arise from such unmanaged risk exposure. In short, risk management is our first line of defense; insurance is our last line of defense.

With 4.2 million Canadians involved in organized hockey, including 500,000 players, 75,000 coaches, 30,000 officials, 100,000 volunteers and 300,000 involved parents, Hockey Canada feels it has a responsibility to educate all stakeholders about risk management, and the roles they must play on hockey's risk management team.

Remember, risk management is like electricity-it is present for as long as we are prepared to generate it.

RISK MANAGEMENT

WHAT'S IT ALL ABOUT?

Definition: Risk management is the process by which an organization identifies, assesses, controls and minimizes the risk of bodily injury or financial loss arising from its activities.

In organized hockey, risk management is the process by which a Branch, Association, League or Team reviews its activities, programs and operating procedures (including buildings and staff) to identify, understand and insure against the everyday risks confronted in operating an organized hockey program.

Risk management consists of four (4) basic steps, performed in a logical sequence:

- Step 1: Identify the risks connected with an activity (eg. game, locker room, arena parking lot, travel).
- Step 2: Assess the relative significance of all on-ice and off-ice risks.
- Step 3: Eliminate or minimize identified risks.
- Step 4: Provide protection against unavoidable risks. This can include insurance coverage.

Risk Management: The First Line of Defence

It's important to remember that unless the first three steps are carried out effectively, insurance or other funds which may be set aside, will be inadequate. They will not be able to contain the claims that would arise from a risk exposure that is uncontrolled and unmanaged.

RISK MANAGEMENT IS OUR FIRST LINE OF DEFENCE.

SAFETY REQUIRES TEAMWORK:

WHO IS INVOLVED?

While there are some aspects of risk management, notably those dealing with the evaluation of risks and the selection of financing options, that require advanced training and expertise, there are areas where we must all play a role. This is especially true in the first and third steps: identifying, and minimizing or eliminating avoidable risks.

Which of the following roles do you play on the risk management team?:

- players
- coaches
- trainers/safety people
- administrators
- parents
- on-ice officials (referees and linesmen)
- off-ice officials
- other volunteers (managers, statisticians)
- spectators
- arena management and employees

Concussion in Sport

Always Assess Airway, Breathing and Circulation

- ◆ All players who experience a concussion must be seen by a physician as soon as possible. A concussion is a brain injury.
- ◆ A concussion may involve loss of consciousness. However, a concussion most often occurs without a loss of consciousness.
- ◆ Mechanism: Blow to the head, face or jaw, or even elsewhere on the body. May also result from a whiplash effect to the head and neck.

Common Symptoms and Signs

- ◆ Symptoms and signs may have a delayed onset (may be worse later that day or even the next morning), so players should continue to be observed even after the initial symptoms and signs have returned to normal.

Symptoms

- ◆ Headache
- ◆ Dizziness
- ◆ Feeling dazed
- ◆ Seeing stars
- ◆ Sensitivity to light
- ◆ Ringing in ears
- ◆ Tiredness
- ◆ Nausea, vomiting
- ◆ Irritability
- ◆ Confusion, disorientation

Signs

- ◆ Poor balance or coordination
- ◆ Slow or slurred speech
- ◆ Poor concentration
- ◆ Delayed responses to questions
- ◆ Vacant stare
- ◆ Decreased playing ability
- ◆ Unusual emotions, personality change, and inappropriate behaviour

Caution: All players should consult a physician after a concussion. Coaches, trainers/safety people, players and parents should not attempt to treat a concussion without a physician's involvement.

Initial response

- ◆ If there is loss of consciousness – Initiate Emergency Action Plan and call an ambulance. Assume possible neck injury.

Concussion

- ◆ Remove the player from the current game or practice
- ◆ Do not leave the player alone; monitor signs and symptoms
- ◆ Do not administer medication
- ◆ Inform the coach, parent or guardian about the injury
- ◆ The player should be evaluated by a medical doctor
- ◆ The player must not return to play in that game or practice.

Return To Play Steps

- ◆ The return to play process is gradual, and begins after a doctor has given the player clearance to return to activity. If any symptoms/signs return during this process, the player must be re-evaluated by a physician. No return to play if any symptoms or signs persist. Remember, symptoms may return later that day or the next, not necessarily when exercising!

Step 1 No activity, only complete rest. Proceed to step 2 only when symptoms are gone.

Step 2 Light aerobic exercise, such as walking or stationary cycling. Monitor for symptoms and signs. No resistance training or weight lifting.

Step 3 Sport specific activities and training (e.g. skating).

Step 4 Drills without body contact. May add light resistance training and progress to heavier weights.

The time needed to progress from non-contact to contact exercise will vary with the severity of the concussion and the player. Go to step 5 after medical clearance.

Step 5 Begin drills with body contact.

Step 6 Game play.

Note: Players should proceed through return to play steps only when they do not experience symptoms or signs and a physician has given clearance. If symptoms or signs return, the player should return to the previous step, and be re-evaluated by a physician.

Never return to play if symptoms persist!

OWHA INSURANCE GUIDE

The complete OWHa Insurance Guide and Certificate Request Forms can be accessed at
www.owha.on.ca.

As a member of Hockey Canada, the Ontario Women's Hockey Association is a participant in the National Insurance Program. The mandate of the program is to ensure that adequate financial resources are in place to compensate those who are injured or who have suffered a financial loss as the result of their involvement in hockey.

Insurance is one strategy used in hockey to manage the financial uncertainty of potential losses. Insurance by itself does not prevent or reduce the likelihood of injury or claim and that is why it is necessary to develop other strategies to reduce the severity or frequency of loss.

Throughout the season an OWHa team, association, programme or league may be asked to demonstrate proof of their insurance coverage to rent a facility or participate in an event. The certificate is issued by the Insurance Company to the party making the request. This is usually a facility, municipality, school board or shopping mall. What the certificate offers is proof that the group using their facility is covered by a policy in the event of an injury or other incident.

The process of issuing certificates is time intensive and requires varying levels of administration. In order to provide a Certificate of Insurance to the party requesting one from your team, association, programme or league you must complete the appropriate Insurance Certificate Request (ICR) Form (Facility Rental, Special Events, Dryland Training). These forms are available on the OWHa website at www.owha.on.ca as well as through the OWHa office.

Often teams or associations are asked to obtain proof of insurance for the purpose of conducting their hockey business. In these situations a Certificate of Insurance is required.

The *new* OWHHA Insurance Guide provides complete details on available coverage and the process to receive special sanction. The following certificate request forms are included in the guide.

Facility & Ice Rental – Certificate Request Form

Dryland Training Program – Certificate Request Form

Dryland Training Instructor – Certificate Request Form

APPENDIX “F”

OWHA CODE OF CONDUCT

This Code of Conduct identifies the standard of behaviour which is expected of all Ontario Women's Hockey Association (OWHA) Members, including athletes, coaches, parents, directors, volunteers, staff, chaperones and others.

OWHA Teams, Associations, Programmes and Leagues are committed to providing a sport environment in which all individuals are treated with respect. Members of the OWHA shall conduct themselves at all times in a fair and responsible manner. Members shall refrain from comments or behaviours which are disrespectful, offensive, abusive, racist or sexist. In particular, behaviour which constitutes harassment, abuse, bullying or cyber-bullying will not be tolerated by the OWHA.

During the course of all OWHA activities and events, members shall avoid behaviour which brings OWHA members or the sport of hockey into disrepute, including but not limited to abusive use of alcohol and non-medical use of drugs.

Members shall not use unlawful or unauthorized drugs/narcotics or performance enhancing drugs or methods.

Members of the OWHA shall not engage in activity or behaviour which endangers the safety of others.

OWHA members shall at all times adhere to the OWHA Team, Association, Programme and League operational policies and procedures, to rules governing the OWHA events and activities and to rules governing any competition in which the member participates on behalf of the OWHA.

Failure to comply with this Code of Conduct may result in disciplinary action, suspension or release from membership. Such action may result in the member losing the privileges

that come with membership in the OWHA, including the opportunity to participate in OWHA activities.

2010-2011 OWHA SUSPENSION POLICY

On an annual basis, the Ontario Women's Hockey Association Executive Committee approves the Minimum Suspension Guidelines, which become an appendix of the OWHA constitution.

Minimum Suspension Policies

- Minimum suspensions are just that, minimum suspensions.
- Exhibition games are not permitted for serving suspensions. Exceptions may be granted at the discretion of the Discipline Chairperson and respective Regional Director. If a suspendible infraction occurs in an exhibition game, it must be reported. Minimum suspensions apply and additional suspensions may be assessed.
- Teams, associations, leagues and OWHA tournament organizers have the authority to add additional suspensions but DO NOT have the authority to lessen the suspensions
- If it is deemed that the minimum suspension may be inappropriate due to extenuating circumstances, an approach may be made to the OWHA Executive Committee to request relief. The OWHA Executive Committee has the authority to give relief to minimum suspensions as a result of a discipline hearing.
- If any OWHA member fails to serve the minimum suspension without proper approval, the individual(s) and those others involved are subject to additional suspension.

Examples of situations where relief may be granted:

- It is proven that the official called the wrong rule or misinterpreted the rule,
- It is proven the wrong person was assessed a penalty,
- Compassionate grounds, but only in extreme circumstances,
- Where an individual wishes to participate in a professional development activity (i.e./Speak Out! Session) while under suspension, they may receive special permission for that activity.

End Of Season Suspensions

Individuals under suspension are not eligible for any involvement in Hockey Canada hockey programmes until their suspension is served.

Due to the reality of the game, rules, regulations, policies and procedures, this sometimes creates a challenge.

Case One: A player has a one game suspension for a relatively minor infraction – technically, she would miss tryouts, practices, exhibition games, team functions, etc. etc. until next season when her suspension is served – is this reasonable and effective?

Case Two: A player receives a fighting penalty because her team is eliminated and she decides to get rid of her frustrations on the nearest opponent/official. If we take no serious action, will we create a dangerous free for all at the end of each season?

POLICY

- 1) Before a suspended individual is allowed to participate in any OWHA/Hockey Canada activity, they must write a letter addressed to the OWHA Chairperson, c/o OWHA office stating why they feel he/she should be allowed to participate prior to their suspension being served.
- 2) The OWHA Chairperson, Discipline Chair and Regional Director shall review each situation and make a determination as deemed appropriate.

Until the above process has been completed, the individual(s) shall not be eligible for participation in any OWHA/Hockey Canada programmes of any kind.

2010-2011 OWHA SUSPENSION PROCEDURES

The following clarifications are in addition to the information contained in the OWHA Handbook. It is the responsibility of all OWHA members to know and follow the OWHA Constitution, By-Laws, Regulations and Rules.

The OWHA wishes to see team members participate in the game of hockey. The OWHA takes a very negative view on individuals who act in a manner that is inconsistent with the Regulations, Rules and Values of this Association. These actions are costly – to the individual and team against which the infraction was committed and to the operations of the OWHA in terms of finances and human resources. Prevention is much more desirable than suspension. It is important that all stakeholders buy into the challenge and aggressively promote fair play.

Process for the delivery of discipline within the OWHA

When a suspendible action occurs:

1. The team must report every incident to the OWHA Regional Director c/o the OWHA office within 48 hours of the occurrence.
2. An OWHA on-ice official must forward the original copy of the game sheet for all match penalties and gross misconduct penalties to the OWHA office by fax or e-mail no later than 12:00 noon the following day and by regular mail within 24 hours.
3. It is the responsibility of the team management to ensure a suspended individual does not participate in OWHA activities. If in doubt please check with the OWHA Regional Director before participation.
4. Upon receipt of a potential disciplinary situation, the OWHA Discipline Chairperson will determine a process as follows:
 - A) Any Match Penalty or Gross Misconduct Penalty, (suspendible offense to a Repeat Offender any individual who receives a second or subsequent suspendible offence in one season), a suspendible offense to an OWHA member currently on probation and/or a violation of the OWHA Code of Conduct shall be handled by the OWHA Discipline Chairperson who will appoint a Disciplinary Panel. The individual will not be allowed to participate in any sanctioned OWHA activities until there has been a decision rendered by the OWHA, to that effect.
 - B) Any suspendible offense not listed in 4 (A) that occurs in an OWHA sanctioned house league with all individuals and teams involved being members of one association shall be reviewed and ruled on by that association. OWHA minimum suspensions apply. **All such incidents must be reported by the house league team as per number 1 above.** The decision of the association in regards to the length of suspension must be reported, in writing, to the OWHA office within 48 hours of the determination of the suspension.

- C) Any suspendible offense not listed in Number 4 (A) that occurs in a regular season or playoff game of a recognized OWHL League, shall be reviewed and ruled on by the League. OWHL minimum suspensions apply. All such incidents must be reported, by the team as per number 1 above. The decision of the League in regards to the length of suspension must be reported, in writing, to the OWHL office within 48 hours of the determination of the suspension.
- D) Any suspendible offense that does not fall under 4 (A), (B), or (C), (i.e./exhibition game, out-of-province tournament, etc.) shall be reported as per number 1. A determination shall be made by the OWHL Discipline Chairperson in cooperation with the OWHL Executive Committee in regards to action deemed appropriate.
- E) In addition to number 4 (A), (B), (C), and (D), the OWHL Executive Committee reserves the right to take additional action as deemed appropriate.
- F) Appeals may be made to the OWHL in accordance with the OWHL Handbook.

Hockey Canada Regulation “O-6”

“Any Hockey Canada player, coach or other official, who is under suspension by a Hockey Canada Branch, league or Minor, Junior, Senior, or Female Hockey Association is suspended from any and all involvement in Hockey Canada sanctioned games. The suspension may, pursuant to Branch Regulations, include suspensions up to and including all Hockey Canada activities for the duration of his/her suspension. Any individual who violates the terms of his/her suspension will be subject to discipline by Hockey Canada, or the member Branch, league or Minor, Junior, Senior, or Female Hockey Association.”

OWHL Interpretation and Policy due to Hockey Canada Regulation “O”:

- 1) Any player or team official currently under suspension is not eligible to participate in any OWHHA and Hockey Canada sanctioned games.
- 2) In cases where a player or team official is serving a suspension that does not require a hearing and is a maximum of 2 games, that player or team official may participate in all OWHHA sanctioned activities except hockey games for the duration of the suspension. The suspended individual is not permitted on or near the bench or dressing room during these games. Violations of the OWHHA Code of Conduct or any incidents occurring while under suspension will result in additional suspensions being assessed.
- 3) In cases where a player or team official appears before a discipline panel/committee, it shall be the responsibility of that panel/committee to rule on both the length of the suspension and whether the suspended individual will be permitted to practice and/or participate in other sanctioned activities while under suspension. All such incidents must be reported to the OWHHA office within 48 hours of the decision.
