Ontario Women's Hockey Association

MISSION STATEMENT

*Through a provincially unified, collective voice,
the OWHA promotes, provides and develops opportunities
for girls and women to play female hockey in Ontario.*

We are all very fortunate to have the privilege of personal involvement in hockey whether it is as a player, coach, official, volunteer or supporter. In order to maximize the experience, it is important for everyone to understand the game, the rules, the regulations and the responsibilities. Much information is available on the OWHA website, through local and provincial contacts and from the OWHA office. The OWHA Handbook and other documents are posted on the OWHA website. It is the responsibility of team management to be aware of all pertinent information and to inform team members, parents and others as appropriate.

The OWHA Harassment, Abuse, Bullying and Misconduct Policy, the OWHA Screening Policy, the OWHA Insurance Guide, the OWHA Dressing Room Supervision Policy, Camera Phones and PDA's Facility Alert, Hockey Canada's Safety Requires Teamwork and Safety For All and Emergency Action Plan are important documents that must be circulated and followed in addition to all other OWHA and Hockey Canada materials. Concussion education, recognition and management are critical. It is the responsibility of team management to ensure players and parents are informed. Doctor's permission to Return to Play and Return to Play Guidelines are mandatory. If in doubt, sit her out.

NEW – Mandatory Coach Certification requirements starting in 2015-2016 – All teams must comply with these Hockey Canada requirements.

Bullying and Cyberbullying will be treated as deliberate attempt to injure with offenders being suspended a minimum of 4 games for the first offence and possible removal for a second offence. It is the responsibility of all stakeholders in hockey to promote an environment that supports the physical and mental health of participants,

Goaltender Protection - Goaltenders are not "fair game". Coaches are to instruct players on the importance of respecting the safety of goaltenders.

To assist with the positive experience for the 2015-2016 season please note a few of the many areas of emphasis:

- All participants must be registered with the OWHA and are bound by the OWHA Rules, Regulations, Policies, Procedures, Code of Conduct and Code of Ethics.
- OWHA registered participants are only covered by Hockey Canada insurance while participating in OWHA sanctioned activities. All on-ice and/or on-bench participants MUST be eligible and registered on an official OWHA roster before participation.
- All female hockey teams in Canada must play and practice with no intentional body checking.

- For female hockey in Ontario, mouth guards are recommended, but not mandatory
- No OWHA team will be permitted to play any female Ontario hockey team that is not registered with the OWHA. OWHA registered teams wishing to play against female teams from outside Ontario MUST receive written approval from the OWHA.
- OWHA registered teams are not permitted to play against any “male” team. Exceptions may be granted at the discretion of the OWHA Executive Committee.
- Team management is responsible and accountable for their team.
- Every individual who goes on the ice and/or on the bench with a team at a game or practice MUST be registered with the OWHA. As an example, this includes power skating instructors.
- Teams require OWHA Executive Committee approval to participate in a league.
- Players from outside Ontario – There are important requirements for players who transfer in to Ontario from other provinces and countries. These players MUST NOT be allowed on the ice until you are certain the proper approvals and fees are in place.
- Speak Out! All bench, on-ice and dressing room staff MUST attend a Speak Out Clinics or complete Respect In Sport Online in order to work with an OWHA team. The only exception to this is for Senior teams of players over the age of 18 this is a recommendation only.
- Vulnerable Sector Search/Criminal Record Checks and screened monitors are required. The two-deep rule is important in person as well as on the phone, emails and texting.
- Selection and monitoring of coaches and team staff is a priority. There is no excuse for violation of the OWHA Code of Conduct and/or the OWHA Code of Ethics.
- Bullying, Cyber-bullying and derogatory comments posted on Facebook, blogs and circulated through email are not acceptable and are deemed to be in violation of the OWHA Code of Conduct and Code of Ethics. The OWHA takes a strong stance against this dangerous behaviour that is disrespectful to the entire membership of the OWHA.
- Suspensions – minimum suspensions MUST be followed. Teams, associations, leagues and tournaments do not have the authority to lessen these suspensions. All suspendable offences MUST be reported to the OWHA office and respective Regional Director.
- Multiple suspensions will not be tolerated. Suspendable actions and violations of the OWHA Code of Conduct will not be tolerated.
- Permissions to Skate are not valid between January 1st and April 14th and from May 31st, to August 15, 2016.
- No games may be played between May 31, 2016 and Aug. 15, 2016.
- PAWSitive – The Ontario Women's Hockey Association is an organization built on a foundation of respect and team work. The key to its success is the flexibility with a focus on empowerment and providing good people with the tools to do good things for all participants in Ontario and in female hockey.

- (S) (I) A House League is one in which the eligibility of players to participate is not restricted by skill level. Typically, a House League organization accepts all individual registrations and divides the players into equal teams based on age and ability. These teams then compete against each other. Placement of players on teams and teams in league groupings is entirely at the discretion of leagues and local associations, considering local conditions, fairness, and appropriate risk management. All players must register with the OWHHA according to OWHHA requirements.

(II) Development Stream (DS) is a subset of the House League Program, offering a tryout-based, enhanced opportunity for House League players who are a) looking for a development bridge to competitive hockey or b) do not wish to make the commitment, in time or cost, to competitive hockey, but are seeking more competition and skill development that is afforded by house league alone. DS tryouts may begin on or about November 1st each year, (day and date to be confirmed by OWHHA executive each season). Each DS team may play 8 exhibition games per season, against other DS teams only. Each DS team may play in three OWHHA sanctioned DS tournaments each season. Only players currently rostered in an Association's HL may play on that Association's DS team.

- (T) Senior Over 19 House League and Senior Over 19 House League Competitive are House League divisions in which all players are age 20 or older.
- (U) Masters is a division in which all players are age 35 or over.
- (V) The OWHHA adopts the Hockey FUNdamentals Programme (Hockey Canada Initiation Program – HCIP), which stresses fun and basic technical skill development for all ages and levels, for use in its hockey programme.

c) All hazing matters involving Hockey Canada High Performance programs will be dealt with by the Hockey Canada Board of Directors.

HOCKEY CANADA INSURANCE AND SANCTIONING GUIDELINES

The Ontario Women's Hockey Association is a participant in the Hockey Canada National Insurance Program.

There is a direct link between "sanctioning" and "insurance". Essentially, if an event is sanctioned then it is considered to be insured under the National Insurance Program. Sanctioning, or "approving of" an event will be considered for their risk and relevance to the game of hockey.

Even though an event may be sanctioned, not all parties are necessarily insured. For instance, parents may be participating in a fundraiser, but not in a capacity that grants coverage.

There are also circumstances where an event falls outside the scope of the insurance policy or the guidelines established by Hockey Canada and the OWHA and as a result there is no coverage afforded to any participants.

For detailed information please reference the OWHA Insurance Guide posted on the web site under Forms at www.owha.on.ca Also, please reference Safety Requires Teamwork & Safety for All under Forms and Policies on the OWHA web site.

OWHA POLICIES

CANADIAN FLAGS ON TEAM UNIFORMS POLICY

All registered players with the OWHA and all on-ice personnel within the Association shall be required to wear or have embossed on their jerseys a standard Canadian Flag patch either on their left sleeve or on their upper right chest. Any concerns of non-compliance are to be reported, in writing, to the OWHA President by an OWHA registered contact or voting representative.

CONCUSSION POLICY

The Ontario Women's Hockey Association believes that the safety and health of female hockey players is of paramount importance.

When an individual has suffered a suspected concussion, the following steps must be taken:

- Any female hockey player who suffers a suspected concussion must stop participation in the hockey activity immediately. If there is doubt as to whether a concussion has occurred, it is to be assumed that it has and that the player's parent guardian be encouraged to have the injury properly diagnosed by a medical doctor as soon as possible. A hockey activity is defined as any on-ice or off-ice function involving physical activity.
 - Team officials should recommend to the individual's parent or guardian that they seek medical attention immediately, especially if the concussion occurred in any form of hockey activity.
 - When a player is diagnosed by a medical doctor as having a concussion, the individual must stop participation in all hockey activities immediately.
 - The participant is not permitted to return to any hockey activity until written permission is given by a medical doctor.
- ** Note - Return to full participation shall follow the adopted Hockey Canada Safety Program return to play guidelines.**
- A copy of such documentation **MUST** be submitted to the Ontario Women's Hockey Association and/or the Team Safety Person or trainer prior to the participants return to any hockey activity.

- The Ontario Women's Hockey Association encourages the prevention of concussions with strong education programs. It is important that every administrator, coach and leader in the OWHA lead by example while demanding safety and fair play of participants at all levels of the game. This includes:

- The elimination of violence and fighting in the game through education and rule enforcement.
- The reduction of head checking and hitting from behind through education and rule enforcement.
- Ensuring that strong policies and preventions are put in place with respect to coaches and volunteers participating in on ice activities including the wearing of CSA certified helmets.

Rationale and Recommendation

- To encourage greater overall awareness and responsibility regarding the importance of safety of all players, especially as it relates to head injuries.
- To reduce the potential for litigation resulting from a concussed player being permitted to return to participation without proper clearance by a medical doctor.
- To place a greater degree of responsibility on the parent/guardian to ensure that the players health is of paramount importance.
- Any team and/or individual who knowingly disregards their responsibility of requiring a medical doctor's written permission for permitting a player to return to play once it has been determined that the player has received a concussion is subject to disciplinary action by the Ontario Women's Hockey Association.

PRE SEASON MEETING

It is the strong recommendation of the OWHA that all OWHA teams hold a pre season meeting with players, parents and staff in attendance. An important item on the agenda is concussion education. We urge all members, at the beginning of every hockey season, to view the Think First Smart Hockey video supported by Dr. Charles Tator: on the web site address www.parachutecanada.org .

DRESSING ROOM SUPERVISION POLICY

To provide a safe and comfortable dressing room environment with proper supervision for the player and team officials.

Dressing Room Policy

It will be the Policy of the Ontario Women's Hockey Association that, when any player under the age of 18 is in the team dressing room(s) before, during and after a game or practice, a minimum of two of the following shall be present in the dressing room(s) or immediately outside the dressing room(s) with the door ajar: two team or club/association officials, properly screened or one such official and an adult person, 18 years or older, associated with the team. The OWHA recommends at least one of the individuals supervising a dressing room be a female.

In the situation of Intermediate hockey, the coach may use an adult player over the age of 19 to be the second adult associated with the team.

Sanctions

Any person found to be in violation of this policy will receive a warning for a first offence, a two week suspension for a second offence, and a one year suspension for a third offence.

NOTE:

- 1). This policy does not apply to a participant and her parent or legal guardian.
2. This policy to include tryouts.

In some cases, a female registering with a minor hockey programme may participate with the OWHA as a Female Development Player.

Details regarding application of the policy in specific areas are available from the OWHA office.

HANDSHAKE POLICY – POST GAME

It is the policy of the OWHA that teams shake hands immediately following each game. This policy is consistent with the OWHA Values.

Teams are reminded that on-ice officials do have the authority to prohibit the handshake. We do hope this will not be necessary.

From time to time, a situation may arise where individual team members and/or the entire team should take precautions. Please note the example of a procedure implemented at the 2003 OWHA Provincial Championships due to SARS:

HEALTH PREVENTION POLICY EXAMPLES

SARS PRECAUTIONS

Any time you as a hockey player would ordinarily shake hands with your opponent or anyone else during these Championship games, we ask that you keep your gloves on when making contact with the other player; and

Wash your hands frequently and thoroughly with soap and water, or use an alcohol-based hand rub, during the course of the Championships;

Do not share personal items, such as utensils and drinking cups with anyone;

Promptly throw any tissues or other articles that come in contact with fluid from your nose, mouth or eyes into a garbage receptacle.

H1N1 VIRUS

September 9, 2009 - Bulletin from Dr. Mark Aubry, Chief Medical Officer, Hockey Canada

H1N1 Virus – Recommended Steps for all Associations and Teams

There is presently much speculation as to the impact that the H1N1 virus will have on Canadians over the next few months. Organizations have been urged to stress to their members steps that should be taken to prevent the spread of the virus, and to have plans in place to alleviate any hardships that may come of the spread of H1N1.

Hockey Canada has for many years had specific steps in place to reduce the spread of any infection in the hockey environment and we urge you to remind your teams of the following.

Team staff need to emphasize to players and parents the need for total cooperation in all aspects concerning hygiene, but specifically to the prevention of the transmission of the H1N1 virus. The following are recommended steps within the team environment:

1. Players should be urged to report all illnesses to their parents and the Safety Person/Trainer. Parents are urged to keep their children away from the hockey environment if they are showing any signs of infectious disease or virus. Sick players are encouraged to see their physician if showing signs or symptoms of the H1N1 virus, and to be fully recovered prior to returning to play.
2. Players should be encouraged to wash hands routinely and always after handling hockey equipment. Frequent hand washing with soap and water is one of the best preventions we can recommend. Teams are encouraged to carry extra hand soap or hand sanitizer as not all arenas have this readily available.
3. Talk to your players about covering their mouths and nose when coughing or sneezing using their arm as opposed to their hands.
4. Advise players to try and not touch their own mouths or nose when in the hockey environment to reduce the chance of them passing an infection on to themselves.
5. Ensure all players and staff have their own water bottles labeled with names and players numbers. Sport drink bottles should be avoided as direct lip contact is possible when drinking.
6. Officials and coaches should avoid drinking from other players water bottles and have water readily available to them on their perspective benches.
7. Towels should be removed from all benches. Players should not share towels, clothing, bar soap or other personal items such as razors.
8. Assist athletes in protecting their immune system by stressing they get sufficient sleep, that they do not over train and that they get proper nutrition.

HELMET STICKER POLICY

The Application of Stickers on Helmets

Hockey Canada Policy

Hockey Canada requires all players to wear helmets that are CSA certified from the manufacturer. It is the responsibility of the equipment user to ensure that throughout the life of the helmet the CSA certification is maintained. Hockey Canada recommends that prior to applying anything to the helmet including stickers that they refer to the manufacturer's instructions and if applicable the sticker manufacturer to confirm the type of adhesive they are applying will not jeopardize CSA certification and/or the manufacturer's warranty. It is the sole responsibility of the equipment user to ensure that they are not applying adhesives or other materials that may affect the integrity of the helmet and ultimately void the CSA certification and/or the manufacturer's warranty.

Summary

All players within Hockey Canada must wear a CSA certified hockey helmet and the CSA sticker must remain on the helmet at all times. The following summarizes guidelines related to the application of stickers on the CSA certified helmet:

- It is recommended that you do not apply anything to the helmet, however, if the user decides to apply materials such as stickers then it is their responsibility to ensure that it meets approval of the helmet manufacturer.

Only after an application has been approved is it possible to start making announcements or publish advertisements to attract players.

SUSPENSION POLICY -Please see SECTION 3

TOBACCO POLICY

No participant (player, team official, on-ice official or off-ice official) may use tobacco products, chewing tobacco smokeless tobacco or e-cigarettes during any league, playoff, exhibition or tournament game or practice (on or off ice) sanctioned by the OWHa.

Any player or bench official found to be using tobacco products, chewing tobacco, smokeless tobacco or e-cigarettes during a game will be ejected from that particular game.

WATER BOTTLE POLICY

SHARING WATER BOTTLES - There has been concern shown over the potential health risks related to the sharing of water bottles by players, officials, coaches and other participants. The Canadian Hockey Safety Program recommends the following protocol as it relates to the use of water bottles:

"Good team hygiene includes ensuring all players and staff have their own water bottles to prevent the transmission of viruses and bacteria. Bottles should be labeled and washed after each practice or game."

It is further recommended that officials avoid the practice of drinking from the goaltenders water bottle. If officials require water during a game, we suggest they have their own water bottle at the penalty bench.

Good hygienic practices will help to maintain a healthy team atmosphere and ultimately assist in keeping all participants healthy throughout the season.

CAMERA PHONES & PDA'S FACILITY ALERT

The Ontario Women's Hockey Association points out this very important information:

Technology advancements have allowed cell phones and PDA's (personal digital assistants) to carry new functions - such as cameras that allow users to secretly photograph objects in front of them while appearing to dial a number.

The ability to snap photos without others knowing has raised significant concern for members of the O.R.F.A.'s (Ontario Recreation Facilities Association) Aquatic Committee. The potential exists for deviant behaviour of camera-phone users photographing other patrons undressing or showering in locker rooms.

O.R.F.A. President, Dan McArthur recommends that signage be posted immediately that

"Prohibits the use of cell phones, and personal digital assistants in all recreation facility change rooms".

"Some of these phones can be used as cameras," said McArthur and "If someone uses a phone this way and takes a photo and puts it on the Internet, it's a violation of personal privacy and should not be tolerated by building owners".

What's alarming is how popular, widespread -- and clandestine -- these phones are. Global sales of mobile phones that can take, send and receive pictures rose 65 percent in the last quarter from 5.2 million units to 8.6 million phones sold, according to market research firm Strategy Analytics. These numbers do not include snap-on cameras for the phones that can be purchased for as little as \$100.

According to O.R.F.A. Executive Director, John Milton this issue will quickly become a real problem to Association members and the general public at large; much worse than it is now. Cell phones already take better pictures than most video cameras; cell-phones eliminate the evidence (send it somewhere else), rather than storing it where it can easily be found; unlike video cameras, cell-phones don't require disguises or excuses to be brought into such sensitive areas as schools, gyms, locker rooms, bathrooms, beaches, etc., etc.

Note: Special thanks to the City of Pickering, Town of Ajax and City of Waterloo for their input and sharing of information regarding this Facility Alert.

4.1 Legislation

[1] Child Protection Legislation – Ontario Child and Family Services Act (CFSA)

<http://www.canlii.org/en/on/laws/stat/rso-1990-c-c11/latest/rso-1990-c-c11.html>

[2] Human Rights Legislation – the Canadian Human Rights Act or the Ontario Human Rights Code

<http://laws-lois.justice.gc.ca/eng/acts/h-6/>

<http://www.ohrc.on.ca/en/ontario-human-rights-code>

4.2 Child

In the Province of Ontario Child means a person between the age of 0 and 18 years.

4.3 Adult

Adult means a person who has reached the age of maturity. In the Province of Ontario this age is 18 years.

4.4 Bullying Bullying involves a person expressing their power through the humiliation of another person. Bullying occurs between people at any age and is not addressed under human rights legislation. It is inappropriate behaviours that are typically cruel, demeaning and hostile toward the bullying targets (most commonly occurs between children under the age of twelve but may also constitute behaviours between youth or between adults. Bullying is similar to harassment but the behaviours are not addressed under human rights laws. Bullies are typically cruel, demeaning and hostile towards the targets of their bullying.).

The actual issue of bullying is not addressed by the law, except when the behaviour does become a criminal issue – e.g. extortion, physical assault etc... Bullying can be broken down into four types:

- **Physical (hit or kick victims; take/damage personal property)**
- **Verbal (name calling; insults; constant teasing)**

- **Relational (try to cut off victims from social connection by convincing peers to exclude or reject a certain person)**
- **Cyber bullying**

The following is a non exhaustive list of tactics used by bullies to control their targets:

- 1. Unwarranted yelling and screaming directed at the target.**
- 2. Continually criticizing the target's abilities**
- 3. Blaming the target of the bullying for mistakes**
- 4. Making unreasonable demands related to performance**
- 5. Repeated insults or put downs of the target**
- 6. Repeated threats to remove or restrict opportunities or privileges**
- 7. Denying or discounting the target's accomplishment**
- 8. Threats of and actual physical violence**

4.5 Harassment

Harassment is defined as conduct, gestures or comments which are insulting, intimidating, humiliating, hurtful, malicious, degrading or otherwise offensive to an individual or group of individuals which create a hostile or intimidating environment for work or sports activities, or which negatively affect performance or work conditions. Any of the different forms of harassment must be based on the grounds prohibited in the Ontario Human Rights Legislation, such as race, ethnicity, colour, religion, age, sex, marital status, family status, disability, pardoned conviction and sexual orientation.

Types of behaviour which constitute harassment include, but are not limited to:

- **Unwelcomed jokes, innuendo or teasing about a person's body, looks, race, sexual orientation etc. Condescending, patronizing, threatening or punishing actions, which undermine self-esteem**
- **Practical jokes which causes awkwardness or embarrassment, or may endanger a person's safety.**
- **Unwanted or unnecessary physical contact including touching, patting or pinching Unwelcome conduct,**

comments, gestures or invitations of a sexual nature which are likely to cause offence or humiliation, or which might on reasonable grounds be perceived as placing a condition of a sexual nature on employment or on any opportunity for training or advancement.

- Sexual assault or physical assault.

What is criminal harassment?

Criminal harassment—often known as stalking—involves following another person; monitoring them or someone close to them, or their home; contacting them repeatedly against their wishes or threatening them. For a charge of criminal harassment to be laid, the victim must have reason to fear for his/her safety (or the safety of someone else) and the perpetrator must know - or could reasonably be expected to know—that the victim is fearful (Family Violence in Canada, A Statistical Profile, 2001).

Criminal charges may also be laid in harassment cases if a person has been physically or sexually assaulted.

4.6 Abuse

Child abuse is any form of physical, emotional and/or sexual mistreatment or lack of care, which causes physical injury or emotional damage to a child. A common characteristic of all forms of abuse against children and youth is an abuse of power or authority and/or breach of trust. In Ontario a person is considered a child up to the age of 18.

4.6.1 Emotional Abuse

Emotional abuse is a chronic attack on a child's self-esteem; it is psychologically destructive behaviour by a person in a position of power, authority or trust. It can take the form of name-calling, threatening, ridiculing, berating, intimidating, isolating, hazing or ignoring the child's needs.

4.6.2 Physical Abuse

Physical abuse is when a person in a position of power or trust purposefully injures or threatens to injure a child or youth. This may take the form of slapping, hitting, shaking, kicking, pulling hair or ears, throwing, shoving, grabbing, hazing or excessive exercise as a form of punishment.

4.6.3 Neglect

neglect is the chronic inattention to the basic necessities of life such as clothing, shelter, nutritious diets, education, good hygiene, supervision, medical and dental care, adequate rest, safe environment, moral guidance and discipline, exercise and fresh air. This may occur in hockey when injuries are not adequately treated or players are made to play with injuries, equipment is inadequate or unsafe, no-one intervenes when team members are persistently harassing another player, or road trips are not properly supervised.

Some examples of neglect occurring in a sport environment are:

- *Inadequate Shelter/Unsafe Environments:* Failure to maintain equipment or facility; forcing athletes to participate without proper protective equipment.
- *Inadequate Clothing:* Preventing athletes from dressing adequately for weather conditions or making them stay in wet clothes as punishment following a game.
- *Inadequate Supervision:* Leaving young athletes unsupervised in a facility or on a team trip (OWHA Two Deep Policy).
- *Lack of Medical/Dental Care:* Ignoring or minimizing injuries; ignoring medical advice; not seeking medical or dental attention when warranted.
- *Inadequate Education:* Encouraging athletes to not do homework, to not attend school, or to drop out.
- *Inadequate Rest:* Overdoing or increasing workouts as punishment; prohibiting adequate sleeping or resting time.
- *Inadequate Moral Guidance & Discipline:* Not providing adequate supervision during team functions; hiring strippers or prostitutes; offering pornography to young athletes.

4.6.4 Sexual Abuse

Sexual abuse is when a young person is used by an older child adolescent or adult for his or her own sexual stimulation or gratification. There are two categories of sexual abuse: contact and non-contact.

4.6.4.1 Contact

- Touch and fondled in sexual areas

- Forced to touch another person's sexual areas
- Kissed or held in a sexual manner
- Forced to perform oral sex
- Vaginal or anal intercourse
- Vaginal or anal penetration with object or finger
- Sexually oriented hazing

4.6.4.2 Non-Contact

- Obscene remarks on phone/computer, or in notes
- Voyeurism
- Shown pornography
- Forced to watch sexual acts
- Sexually intrusive questions or comments
- Forced to pose for sexual photographs or videos
- Forced to self-masturbate or watch others masturbate

Duty to Report

Abuse and neglect are community problems requiring urgent attention. The Ontario Women's Hockey Association (OWHA) is committed to help reduce and prevent the abuse and neglect of participants. The OWHA realizes that persons working closely with children and youth have a special awareness of abusive situations. Therefore these people have a particular reporting responsibility to ensure the safety of Canada's young, by knowing their provincial protection acts and following through as required.

The Province of Ontario has mandatory reporting laws regarding the abuse and neglect of children and youth; the Yukon requests that concerns be reported. Consequently, it is the policy of the OWHA that any OWHA personnel (part-time and full-time staff, volunteer, participant, team official, on ice official) or OWHA partner (parent, guardian) who, has reasonable grounds to suspect that a participant is or may be suffering or may have suffered from emotional, physical abuse and neglect and/or sexual abuse shall immediately report the suspicion and the information on which it is based to the local child protection agency and/or the local police detachment. In Ontario a person is considered a child up to the age of 18. Those involved with the OWHA in providing hockey opportunities for participants understand and agree that abuse or neglect, as defined above, may be the subject of a criminal investigation and/or disciplinary procedures. Failure to report

an offence and thereby, failure to provide safety for participants may render the adult who keeps silent legally liable for conviction under the CFSA.

4.7 Hazing

Hazing is an initiation practice that may humiliate, demean, degrade or disgrace a person regardless of location or consent of the participant(s).

4.8 Misconduct

Misconduct refers to the behaviour or a pattern of behaviour that is found, by a formal (for example an independent investigation) or informal process (i.e. for example an internal fact finding), to be contrary to the OWHA Code of Conduct and that is not harassment, abuse or bullying.

4.9 Complaint

Any allegation, verbal or written, that involves bullying, harassment, abuse or misconduct within the jurisdiction of the OWHA.

4.10 OWHA Personnel

OWHA personnel include OWHA office employees, and committee chairs and members, Directors and Officers and any other personnel that may be identified by the OWHA President or Chairperson.

4.11 Billet

Any individual who applies or is requested to host a traveling player or players for an OWHA sanctioned hockey activity, on his or her premises during periods when the player(s) will otherwise be unsupervised and outside of the care of parent(s), guardian(s), coach or other designated adult.

5. Receiving a COMPLAINT

5.1 Complaints must be submitted in writing and on the OWHA Complaint Intake Form (Appendix A).

5.2 OWHA Responsibility:

5.2.1 If a Complaint is directed to the attention of the OWHA, all relevant information will be forwarded to the appropriate team/association/individual(s) for follow up and/or investigation.

5.2.3 Upon notification of a Complaint the OWHA will report the situation and all relevant information to the Hockey Canada Insurance Department in accordance with Hockey Canada guidelines.

5.2.4 If a Complaint is addressed to the OWHA but relates to an action within an OWHA Member Team/Association, the OWHA President will request the relevant OWHA Member Team/Association to conduct an investigation within an agreed time frame. The Complaint will be referred to that Member Team/Association to be dealt with in accordance with this and that Member Team/Association's policies.

5.3 OWHA Member Responsibility:

5.3.1 OWHA Member Teams and/or Associations shall designate one person or committee to accept complaints originating from participants within their team/association. This person or committee will be identified on the OWHA Registration database at the beginning of each season.

5.3.2 Upon receipt of a Complaint the OWHA Member Team/Association will complete an OWHA Complaint Intake Form and submit it to the OWHA President or staff designate.

- 5.3.3 OWA Member Teams/Associations will provide an annual report to the OWA pertaining to complaints that meet the merits of the Speak Out/Respect in Sport Activity Leader Program on or before June 1 each year that will include: (a) The number of complaints of harassment, abuse, bullying and misconduct received, (b) the number of complaints of harassment, abuse, bullying and misconduct found to be with merit and those without merit, and (c) the number of Speak Out training sessions held, number of certified participants and the number of Respect In Sport Activity Leader certified participants for the season.**

6. Complaint Administration

- 6.1 Complaints of abuse, harassment, bullying or misconduct may be handled informally where possible, or formally, but within a reasonable time frame.**
- 6.2 The OWA and any members thereof are not required to deal with all complaints. The OWA or member thereof may decide not to deal with the complaint if it is of the opinion that it:**
- 6.2.1 could be more appropriately dealt with under another policy, rule or regulation;**
 - 6.2.2 is frivolous, vexatious or made in bad faith;**
 - 6.2.3 is not within the governing body's jurisdiction; or,**
 - 6.2.4 is based on occurrences that are more than six months old.**
- 6.3 The OWA or any member thereof will not deal with any complaint of abuse as defined in the Child Protection Legislation. Any investigation of a complaint of this nature will be left to the police or appropriate child protective agency.**
- 6.3.1 During an investigation by the police or appropriate child protective agency the individual under investigation would be removed from participation.**
 - 6.3.2 If a complaint of abuse of a child participant**

results in a conviction, the OWHA and/or member thereof may discipline the individual convicted.

6.3.3 If a complaint of abuse of a child participant does not result in a conviction, the OWHA and/or member thereof may nevertheless discipline the individual subject to the complaint having merit.

6.3.4 Consideration of time served during the investigation will be taken into account in any further discipline applied.

6.4 Complaints of abuse, harassment, bullying or misconduct will not qualify a player for an automatic release. This is to ensure the safety of all players on the team, not just the one initiating the complaint. If a complaint is substantiated, the primary option is to address the behaviour of the offending party which may include disciplinary action up to and including suspension or removal.

7. Investigation:

7.1 In order to remain impartial for the purpose of hearing appeals, the OWHA will not engage in investigations except: (a) where it is inappropriate for the OWHA member to do so, or (b) if the initial investigation was conducted incorrectly as determined by the OWHA Chairperson and/or President or (c) if the complaint involves members from more than one OWHA member Association.

7.2 All investigations of harassment, bullying or misconduct will be conducted in accordance with the OWHA Privacy Policy. Disclosure of any part of the final report will be provided at the discretion of the OWHA President or designate and where third party confidentiality is required the report may not be provided. Upon the final determination a summary report may be available to the relevant parties who may include, but are not limited to, the person(s) who initiated the complaint, the person(s) against whom the complaint was made, any person(s) against whom any adverse finding is made.

7.3 When the OWHA is conducting an investigation, the report resulting therefrom, will be received by the OWHA Discipline Review Board for review and

determination.

7.4 Any decision for the OWHA to contact the police on the basis of the Investigation Report will be made by the OWHA President.

7.5 OWHA Member Responsibility:

7.5.1 OWHA Member Teams/Associations are required to oversee all investigations within their jurisdiction.

7.5.2 Once directed to do so, an OWHA Member Team/Association may not cede its responsibility to:

7.5.2.2. render a decision within the specified timeframe.

DEFINITIONS

The following abbreviated definitions will be used to determine the grounds on which the complaint is made and the process to address it. For the complete definitions please see Section 4 of the OWHA Harassment, Abuse, Bullying and Misconduct Policy.

Misconduct

Misconduct refers to the behaviour or a pattern of behaviour that is found, by a formal (for example an independent investigation) or informal process (i.e. for example an internal fact finding), to be contrary to the OWHA Code of Conduct and that is not harassment, abuse or bullying.

Bullying

Bullying describes behaviours that are similar to harassment, but occur between children that are not addressed under human rights laws. Bullying is intentionally hurting someone in order to insult, humiliate, degrade or exclude him or her. Bullying can be broken down into six categories: Physical, Verbal, Relational, Reactive, Discriminatory and Cyber.

Harassment

Harassment is defined as conduct, gestures or comments which are insulting, intimidating, humiliating, hurtful, malicious, degrading or otherwise offensive to an individual or group of individuals which create a hostile or intimidating environment for work or sports activities, or which negatively affect performance or work conditions. Any of the different forms of harassment must be based on the grounds in human Rights Legislation, such as race, ethnicity, colour, religion, age, sex, marital status, family status, disability, pardoned conviction and sexual orientation..

Hazing

Hazing is an initiation practice that may humiliate, demean, degrade or disgrace a person regardless of location or consent of the participant(s).

Abuse

Child abuse is any form of physical, emotional and/or sexual mistreatment or lack of care, which causes physical injury or

emotional damage to a child. A common characteristic of all forms of abuse against children is an abuse of power or authority and/or breach of trust.

Abuse is an issue of child protection. Protection refers to provincial, territorial or Aboriginal band-appointed child protective services. A child may be in need of protection from harm if abuse or neglect is suspected. Information about one's legal duty to report and circumstances under which reporting must occur according to child protection legislation is available at www.hockeycanada.ca.

Emotional Abuse

Emotional abuse is a chronic attack on a child's self-esteem; it is psychologically destructive behaviour by a person in a position of power, authority or trust. It can take the form of name-calling, threatening, ridiculing, berating, intimidating, isolating, hazing or ignoring the child's needs.

Physical Abuse

Physical abuse is when a person in a position of power or trust purposefully injures or threatens to injure a child or youth. This may take the form of slapping, hitting, shaking, kicking, pulling hair or ears, throwing, shoving, grabbing, hazing or excessive exercise as a form of punishment.

Neglect

Neglect is the chronic inattention to the basic necessities of life such as clothing, shelter, nutritious diets, education, good hygiene, supervision, medical and dental care, adequate rest, safe environment, moral guidance and discipline, exercise and fresh air. This may occur in hockey when injuries are not adequately treated or players are made to play with injuries, equipment is inadequate or unsafe, no-one intervenes when team members are persistently harassing another player, or road trips are not properly supervised.

Sexual Abuse

Sexual abuse is when a child is used by an older child, adolescent or adult for his or her own sexual stimulation or gratification. There are two categories of sexual abuse: contact and non-contact.

10. APPENDIX F – CRIMINAL RECORD CHECK/VULNERABLE SECTOR SCREENING DEFINITIONS.

Criminal Records Check (CRC)

A Criminal Record Check is a search that is used to determine whether an individual has a criminal record. The search can be based on an individual's name and date of birth, or for much greater assurance, it can be based on fingerprints for positive identification.

A Criminal Record Check is performed against the national repository of criminal records maintained by the Royal Canadian Mounted Police (RCMP), which holds approximately 4.2 million records.

Checks are also in many cases performed against a Canadian police service's local records.

Vulnerable Sector Screening (VSS)

A VSS check is initiated by the local police in the jurisdiction where the individual lives.

A VSS check is designed to protect vulnerable participants from dangerous offenders by uncovering the existence of a criminal record and/or a pardoned sexual offence conviction and is recommended as part of an overall employment or volunteer screening process. The results of the check can help to determine whether an individual is suitable to work in positions where they will be in close contact with vulnerable people.

The police will use the Canadian Police Information Centre (CPIC) system as well as their own database to conduct a background search based on an individual's name, gender and date of birth. If the gender and date of birth match to a pardoned sex offender record, the individual will be asked to provide fingerprints to confirm his or her identity. Be assured that:

- This is not an accusation of criminality: fingerprints are used to confirm identity only.
- Fingerprints will be destroyed after 90 days - when the check is complete. As with all civil checks, the RCMP does not keep fingerprints on file and they will not be searched for future purposes.

SAFETY REQUIRES TEAMWORK: INTRODUCTION TO RISK MANAGEMENT

Accidents can and do happen anywhere, anytime to anyone. This is especially true in sports which involve physical contact, like hockey.

Whenever physical contact is involved, **there is always the potential for serious injuries**. When serious injuries occur, they can inflict tremendous hardship on injured parties and their families, often for a lifetime. In addition, serious injuries also involve the threat of lawsuits where people and organizations are sued for negligence.

This is where risk management becomes important. **Risk management includes identifying, assessing and eliminating or minimizing risks in an activity, in this case, organized hockey. Risk management requires all participants in organized hockey to play specific roles in order to reduce or prevent accidents and injuries before they happen.**

This manual will help you, the hockey participant, to recognize the basic concepts of risk management, and more importantly, understand the role that you must play to make hockey a safer game for all participants. This not only involves identifying and eliminating or minimizing risks, but instilling important values in participants such as respect for the rules and other participants.

This manual also provides you with a user-friendly guide to the features and procedures of Hockey Canada's National Insurance Program. Insurance is the last component of an effective risk management program, as it provides protection for all participants against the consequences of unavoidable risks.

Although this manual outlines the National Insurance Program, it is important to emphasize that unless the risk management activities of identifying, assessing and minimizing or eliminating risks are effective, no insurance fund will be adequate for all the claims which would arise from such unmanaged risk exposure. In short, risk management is our first line of defense; insurance is our last line of defense.

With 4.2 million Canadians involved in organized hockey, including 500,000 players, 75,000 coaches, 30,000 officials, 100,000 volunteers and 300,000 involved parents, Hockey Canada feels it has a responsibility to educate all stakeholders about risk management, and the roles they must play on hockey's risk management team.

Remember, risk management is like electricity-it is present for as long as we are prepared to generate it.

WHAT'S IT ALL ABOUT?

Definition: Risk management is the process by which an organization identifies, assesses, controls and minimizes the risk of bodily injury or financial loss arising from its activities.

In organized hockey, risk management is the process by which a Branch, Association, League or Team reviews its activities, programs and operating procedures (including buildings and staff) to identify, understand and insure against the everyday risks confronted in operating an organized hockey program.

Risk management consists of four (4) basic steps, performed in a logical sequence:

- Step 1:** Identify the risks connected with an activity (eg. game, locker room, arena parking lot, travel).
- Step 2:** Assess the relative significance of all on-ice and off-ice risks.
- Step 3:** Eliminate or minimize identified risks.
- Step 4:** Provide protection against unavoidable risks. This can include insurance coverage.

It's important to remember that unless the first three steps are carried out effectively, insurance or other funds which may be set aside, will be inadequate. They will not be able to contain the claims that would arise from a risk exposure that is uncontrolled and unmanaged.

RISK MANAGEMENT IS OUR FIRST LINE OF DEFENCE

SAFETY REQUIRES TEAMWORK: WHO IS INVOLVED?

While there are some aspects of risk management, notably those dealing with the evaluation of risks and the selection of financing options, that require advanced training and expertise, there are areas where we must all play a role. This is especially true in the first and third steps: identifying, and minimizing or eliminating avoidable risks.

Which of the following roles do you play on the risk management team?:

- players
- coaches
- trainers/safety people
- administrators
- parents
- on-ice officials (referees and linesmen)
- off-ice officials
- other volunteers (managers, statisticians)
- spectators
- arena management and employees

Concussion Education and Awareness Program

Concussion in Sport

All players who experience a concussion must be seen by a physician as soon as possible. A concussion is a brain injury.

A concussion most often occurs without a loss of consciousness.

However, a concussion may involve loss of consciousness.

How Concussions Happen

A blow to the head, face or jaw, or even elsewhere on the body.

May also result from a whiplash effect to the head and neck.

Common Symptoms and Signs of Concussion

Symptoms and signs may have a delayed onset (may be worse later that day or even the next morning), so players should continue to be observed even after the initial symptoms and signs have returned to normal.

***A player may show any one or more of these symptoms or signs**

Symptoms

- Headache
- Dizziness
- Feeling dazed
- Seeing stars
- Sensitivity to light
- Ringing in ears
- Tiredness
- Nausea, vomiting
- Irritability
- Confusion, disorientation

Signs

- Poor balance or coordination
- Slow or slurred speech
- Poor concentration
- Delayed responses to questions
- Vacant stare
- Decreased playing ability
- Unusual emotions, personality change, and inappropriate behaviour

For a complete list of symptoms and signs, visit www.parachutecanada.org

Caution

All players must consult a physician when a concussion is suspected. Coaches, trainers/safety people, players and parents should not attempt to treat a concussion without a physician's involvement.

Initial Response to Loss of Consciousness

If there is loss of consciousness – Initiate Emergency Action Plan and call an ambulance. Assume possible neck injury. Continue to monitor airway, breathing and circulation.

Concussion – Key Steps

- Remove the player from the current game or practice
- Do not leave the player alone; monitor symptoms and signs
- Do not administer medication
- Inform the coach, parent or guardian about the injury
- The player should be evaluated by a medical doctor as soon as possible
- The player must not return to play in that game or practice

Drafted with the assistance of Parachute. www.parachutecanada.org

6 Step Return to Play

The return to play process is gradual, and begins after a doctor has given the player clearance to return to activity. If any symptoms/signs return during this process, the player must be re-evaluated by a physician. No return to play if any symptoms or signs persist. Remember, symptoms may return later that day or the next, not necessarily when exercising!

Step 1: No activity, only complete mental and physical rest. Proceed to step 2 only when all symptoms are gone. This includes avoiding both mental and physical stress.

Step 2: Light aerobic exercise, such as walking or stationary cycling. Monitor for symptoms and signs. No resistance training or weight lifting.

Step 3: Sport specific activities and training (e.g. skating).

Step 4: Drills without body contact. May add light resistance training and progress to heavier weights.

The time needed to progress from non-contact to contact exercise will vary with the severity of the concussion and the player. Go to step 5 after medical clearance. (reassessment and note)

Step 5: Begin drills with body contact.

Step 6: Game play. (The earliest a concussed athlete should return to play is one week).

Note: Players should proceed through return to play steps only when they do not experience symptoms or signs and the physician has given clearance. Each step should be a minimum of one day. If symptoms or signs return, the player should return to step 1, and be re-evaluated by a physician.

Never return to play if symptoms persist!

Prevention Tips

Players

- Get a custom fitted mouth guard
- Respect other players
- No hits to the Head
- No hits from behind

Coach/Trainer/Safety Person/Referee

OWHA INSURANCE GUIDE

The complete OWA Insurance Guide and Certificate Request Forms can be accessed at
www.owha.on.ca.

The Ontario Women's Hockey Association is a participant in the Hockey Canada National Insurance Program. The mandate of the program is to ensure that adequate financial resources are in place to compensate those who are injured or who have suffered a financial loss as the result of their involvement in hockey.

Insurance is one strategy used in hockey to manage the financial uncertainty of potential losses. Insurance by itself does not prevent or reduce the likelihood of injury or claim and that is why it is necessary to develop other strategies to reduce the severity or frequency of loss.

Throughout the season an OWA team, association, programme or league may be asked to demonstrate proof of their insurance coverage to rent a facility or participate in an event. The certificate is issued by the Insurance Company to the party making the request. This is usually a facility, municipality, school board or shopping mall. What the certificate offers is proof that the group using their facility is covered by a policy in the event of an injury or other incident.

The process of issuing certificates is time intensive and requires varying levels of administration. In order to provide a Certificate of Insurance to the party requesting one from your team, association, programme or league you must complete the appropriate Insurance Certificate Request (ICR) Form (Facility Rental, Special Events, Dryland Training). These forms are available on the OWA website at www.owha.on.ca as well as through the OWA office.

Often teams or associations are asked to obtain proof of insurance for the purpose of conducting their hockey business. In these situations a Certificate of Insurance is required.

The *new* OWHA Insurance Guide provides complete details on available coverage and the process to receive special sanction. The following certificate request forms are included in the guide.

Members of the OWHA shall conduct themselves at all times in a fair and responsible manner. Members shall refrain from comments or behaviours which are disrespectful, offensive, abusive, racist or sexist. In particular, behaviour which constitutes harassment, abuse, bullying or cyber-bullying will not be tolerated by the OWHA.

During the course of all OWHA activities and events, members shall avoid behaviour which brings OWHA members or the sport of hockey into disrepute, including but not limited to abusive use of alcohol and non-medical use of drugs.

Members shall not use unlawful or unauthorized drugs/narcotics or performance enhancing drugs or methods.

Members of the OWHA shall not engage in activity or behaviour which endangers the safety of others.

OWHA members shall at all times adhere to the OWHA Team, Association, Programme and League operational policies and procedures, to rules governing the OWHA events and activities and to rules governing any competition in which the member participates on behalf of the OWHA.

Failure to comply with this Code of Conduct may result in disciplinary action, suspension or release from membership. Such action may result in the member losing the privileges that come with membership in the OWHA, including the opportunity to participate in OWHA activities.

OWHA CODE OF ETHICS

As a representative of female hockey, I support the Values, Mission and Code of Conduct of the Ontario Women's Hockey Association. It is an honour to work with others who share the desire to contribute to the positive growth and development of female hockey. - sincerely support majority decisions once they are made
- speak in a positive manner about the OWHA, its members, organizations and individuals involved and about female hockey in general
- deal with concerns internally and constructively

- graciously share the credit when things go right

Failure to comply with this Code of Ethics is considered to be a violation of the OWHA Code of Conduct.

2015-2016 OWHA SUSPENSION POLICY

On an annual basis, the Ontario Women's Hockey Association Executive Committee approves the Minimum Suspension Guidelines, which become an appendix of the OWHA constitution.

Minimum Suspension Policies

- (a) All suspensions as listed in the OWHA Handbook are treated as individual suspensions.
- (b) Multiple suspensions in a single game or over a period of time, will each be treated individually as minimum suspensions.
- (c) Any individual suspensions of seven (7) games or less may not be appealed.
- (d) All appeals must be submitted and filed with the OWHA office on the attached Appeal Application Form, together with the applicable fee within 48 hours of receipt of the suspension.

Example: A player is assessed a GM 20 and a GM 21 at the end of one game. The minimum suspension is GM20 (1 game), GM 21 (3 games) plus implied GM for second major penalty in one game (2 games). The total minimum suspension is 6 games. This is not appealable.

If the player had been suspended earlier in the season, she is considered a Repeat Offender resulting in an additional 2 game minimum. In this case the total minimum suspension is 8 games. This is not appealable.

- (e) Grounds for Appeal
- (i) Supplementary game(s) above the minimum suspension added by the OWHA that takes the suspension to 8 games or more.

Example: A player is assessed a combination of 3 different penalties in a hockey game that add up to a total minimum suspension of 10 games. The 10 game suspension is not appealable. The OWHA Discipline Review Board adds 4 games for a total of a 14 game suspension. The additional 4 games may be appealed. The Appeal Tribunal has the authority to remove, lessen or add to the 4 games. The Appeal Tribunal must leave the minimum 10 game suspension in place.

- (ii) A suspension imposed by a Team, Association or League where there has been a conflict with the Constitution, By-Laws, Regulations, Rules or Policies of the OWHA; or a material procedural error; or adopted an error of fact; or did not provide a fair Hearing; or did not have the authority or jurisdiction to make the decision.

SERVING SUSPENSIONS

- Minimum suspensions are just that, minimum suspensions.
- Exhibition games are not permitted for serving suspensions except in extreme situations with the approval of the OWHA Discipline Review Board and the Regional Director.. If a suspendable infraction occurs in an exhibition game, it must be reported. Minimum suspensions apply and additional suspensions may be assessed.
- Teams, associations, leagues and OWHA tournament organizers have the authority to add additional suspensions but DO NOT have the authority to lessen the suspensions.
- If it is deemed that the minimum suspension may be inappropriate due to extenuating circumstances, an approach may be made to the OWHA Executive Committee to request relief. The OWHA Executive Committee has the authority to give relief to minimum suspensions as a result of a discipline hearing. Disagreeing with the judgment of an official is not an extenuating circumstance.
- If any OWHA member fails to serve the minimum suspension without proper approval, the individual(s) and those others involved are subject to additional suspension.

Examples of situations where relief may be granted:

- It is proven that the official called the wrong rule or misinterpreted the rule – not the judgment of an official,
- It is proven the wrong person was assessed a penalty,
- Compassionate grounds, but only in extreme circumstances,
- Where an individual wishes to participate in a professional development activity (i.e./Speak Out! Session) while under suspension, they may receive special permission for that activity.

End Of Season Suspensions

Individuals under suspension are not eligible for any involvement in Hockey Canada hockey programmes until their suspension is served.

Due to the reality of the game, rules, regulations, policies and procedures, this sometimes creates a challenge.

Case One: A player has a one game suspension for a relatively minor infraction – technically, she would miss tryouts, practices, exhibition games, team functions, etc. etc. until next season when her suspension is served – is this reasonable and effective?

Case Two: A player receives a fighting penalty because her team is eliminated and she decides to get rid of her frustrations on the nearest opponent/official. If we take no serious action, will we create a dangerous free for all at the end of each season?

POLICY

- 1) Before a suspended individual is allowed to participate in any OWHA/Hockey Canada activity, they must write a letter addressed to discipline@owha.on.ca stating why he/she should be allowed to participate prior to their suspension being served.
- 2) The OWHA Discipline Review Board shall review each situation and make a determination as deemed appropriate.

Until the above process has been completed, the individual(s) shall not be eligible for participation in any OWHA/Hockey Canada programmes of any kind.

2015-2016 OWHA SUSPENSION PROCEDURES

The following clarifications are in addition to the information contained in the OWHA Handbook. It is the responsibility of all OWHA members to know and follow the OWHA Constitution, By-Laws, Regulations and Rules.

The OWHA wishes to see team members participate in the game of hockey. The OWHA takes a very negative view on individuals who act in a manner that is inconsistent with the Regulations, Rules, Code of Conduct, Code of Ethics and Values of this Association. These actions are costly – to the individual and team against which the infraction was committed and to the operations of the OWHA in terms of finances and human resources. Prevention is much more desirable than suspension. It is important that all stakeholders buy into the challenge and aggressively promote fair play.

Process for the delivery of discipline within the OWHA. (Competitive and House League Teams, all participants.)

When a suspendable action occurs:

1. The team must report every incident to the OWHA Regional Director AND stats@owha.on.ca within 24 hours of the occurrence.
2. An OWHA on-ice official must forward the original copy of the game sheet for all match penalties and gross misconduct penalties to the OWHA office by delivery or e-mail to stats@owha.on.ca no later than 12:00 noon the following day and by regular mail within 24 hours.

3. It is the responsibility of the team management to ensure a suspended individual does not participate in OWHA activities. If in doubt please check with your OWHA Regional Director before participation.
4. Upon receipt of a potential disciplinary situation, the OWHA Discipline Review Board will determine a process as follows:
 - A) Any Match Penalty, Gross Misconduct Penalty, a suspendable offense to a Repeat Offender (any individual who receives a second or subsequent suspendable offence in one season), a suspendable offense to an OWHA member currently on probation and/or a violation of the OWHA Code of Conduct shall be handled by the OWHA Discipline Review Board. The individual will not be allowed to participate in any sanctioned OWHA activities until there has been a decision rendered by the OWHA, to that effect.
 - B) Any suspendable offense that does not fall under 4 (A), (i.e./exhibition game, out-of-province tournament, etc.) shall be reported as per number 1. A determination shall be made by the OWHA Discipline Review Board as deemed appropriate.
 - C) In addition to number 4 (A), and (B), , the OWHA Discipline Review Board and/or Executive Committee reserves the right to take additional action as deemed appropriate.
 - D) Appeals may be made to the OWHA in accordance with the OWHA Handbook.

Hockey Canada Regulation “O-6”

“Any Hockey Canada player, coach or other official, who is under suspension by a Hockey Canada Branch, league or Minor, Junior, Senior, or Female Hockey Association is suspended from any and all involvement in Hockey Canada sanctioned games. The suspension may, pursuant to Branch Regulations, include suspensions up to and including all Hockey Canada activities for the duration of his/her suspension. Any individual who violates the terms of his/her suspension will be subject to discipline by Hockey Canada, or the member Branch, league or Minor, Junior, Senior, or Female Hockey Association.”

OWHA Interpretation and Policy due to Hockey Canada Regulation “O”:

- 1) Any player or team official currently under suspension is not eligible to participate in any OWHa and Hockey Canada sanctioned games.
- 2) **In cases where a player or team official is serving a suspension that player or team official may participate in all OWHa sanctioned activities except hockey games for the duration of the suspension. The suspended individual is not permitted on or near the bench or dressing room during these games. Violations of the OWHa Code of Conduct or any incidents occurring while under suspension will result in additional suspensions being assessed. The OWHa may extend the suspension to include all OWHa activities if warranted.**
- 3) In cases where a player or team official appears before a discipline panel/committee, it shall be the responsibility of that panel/committee to rule on both the length of the suspension and whether the suspended individual will be permitted to practice and/or participate in other sanctioned activities while under suspension. All such incidents must be reported to the OWHa office within 48 hours of the decision.

Bullying and Cyberbullying will be treated with the equivalency of a deliberate attempt to injure with offenders being suspended a minimum of 4 games for the first offence and possible removal for a second offence. It is the responsibility of all stakeholders in hockey to promote an environment that supports the physical and mental health of participants,

This recall involves the following goal masks and cages:

- Bauer Concept C1 Goal Mask with Certified Titanium Oval Wire,
- Bauer NME 10 Goal Mask with Certified Titanium Oval Wire,
- Bauer RP NME Ti Titanium Cage.

The Concept C1 goal masks have a carbon fiber shell with a foam liner and sweatband, and a titanium wire cage that attaches to the mask with two screws on each side of the mask. The masks are Senior masks in sizes S/M and M/L. The masks are available in two shell colors: black and white. The model indication "Concept C1" is marked on the top of the shell. A sticker inside the shell at the jaw lists the model and size. A second sticker on the other side of the shell at the jaw lists the country of origin (China), the assembly date and the CE certification. Certification (CSA, HECC) and warning stickers are affixed to the backplate of the mask.

The NME 10 goal masks have a fiberglass/carbon fiber shell with a foam liner and sweatband, and a titanium wire cage that attaches to the mask with two screws on each side of the mask. The masks are Senior masks in three sizes: Fit 1, Fit 2 and Fit 3. The masks are available in two shell colors: black and white. The model indication "NME10" is marked on the top of the shell. A sticker inside the shell at the jaw lists the model and size. A second sticker on the other side of the shell at the jaw lists the country of origin (China), the assembly date and the CE certification. Certification (CSA, HECC) and warning stickers are affixed to the backplate of the mask.

The RP NME Ti Titanium Cage is a replacement cage intended for the Concept C1 and NME 10 goal masks. It has a matte finish. The cage has two side plates, one on each side of the cage. One side plate includes a sticker with the model designation (RP NME Ti Sr) and the CSA certification. The other sticker indicates HECC and CE certification. On the inside of the side plate is a sticker with the country of origin (Thailand).

Hazard Identified

Bauer has determined there may be a quality issue in some of the titanium wire used in the manufacture of the cages. The metal wires on the affected cages can break and may not provide adequate protection in the event of impact from a puck, posing a facial impact or laceration hazard. Health Canada has not received any reports of consumer incidents or injuries related to the use of these goal masks and cages. Bauer Hockey Corp. has received nine reports, eight in Canada and one in the United States, of the titanium wire cage cracking or breaking upon impact with a puck, resulting in minor facial injuries in four of the reports.

For more information, consumers may contact Bauer's Customer Service toll-free at 1-844-440-4246, Monday to Friday, from 9:30 a.m. to 4:30 p.m. EST. Consumers may also contact Bauer's Customer Service by email at titaniumrecall@bauer.com or visit Bauer's website at <https://www.bauer.com/>
