

Hockey Canada accident insurance benefits do not cover:

1. Benefits eligible for payment by an Employee's Private Medical and/or Dental Plan. The plan acts as second "payer" in all cases and can be used for deductibles/coinsurance not paid by the first "payer".
2. Any benefits provided or paid by any Government Hospital or Medical Plans, whether or not the injured person is included in such plan. There are no payments for any non-resident who plays hockey in Canada without some form of primary coverage.
3. The purchase, repair or replacement of eyeglasses or contact lenses, or prescriptions thereof.
4. Sickness or disease either as a cause or effect.
5. Injury resulting from war or any act of war, whether declared or undeclared.
6. Air travel, except as a fare-paying passenger in an aircraft with a certificate of air worthiness to/from a Hockey Canada sanctioned activity.
7. Expenses of dental treatment incurred for the cost of replacement or repair of artificial teeth or dentures, permanent bridgework excepted.
8. The expenses of a knee brace or similar device, the use of which is solely to allow an insured person to participate in a game or practice of hockey.
9. Any expenses not submitted within 365 days of the date of the accident.
10. Any accident report forms not submitted within 90 days of the accident.
11. Equipment replacement.
