IMPORTANT: There is a number listed beside each player's name. It is up to you to attend each evaluation with this number taped on the front of your shirt. Please wear a dark coloured shirt and use white tape to display your number.

What to Wear/ Bring for your Hitting Evaluation:

- T - shirt and shorts/ baseball pants
- Clean/ Indoor Running shoes.
- Helmet
- Composite Bat for 11U/13U, Wooden Bat for 15U/18U

Preparing for your Evaluation:

- a. Please only bring the equipment you need. Leave your big baseball bag in the car.
- b. We have many athletes to evaluate. With this in mind, we politely ask that you attend the time your child is slotted in.
- c. Your evaluation will begin at the time listed. Please arrive approximately ten minutes early.
- d. Only one group is permitted into Inside Pitch at a time. When your group is allowed in, you will be waved in.
- e. Your evaluation will begin at the time listed. Please arrive approximately ten minutes early. Inside Pitch is a beautiful facility, but it's not designed for large groups. To help with the large numbers at once we will need all Broncos Families to follow the protocol listed below:
*For example: while **Group A** is hitting inside the cages, **Group B** must be changed and ready in their vehicle. If its nice out, players may choose to do their own personal warm up in the parking outside (in outdoor shoes). **Group C** must wait in their vehicles. Once **Group A** has completed their evaluation, they will leave the facility and **Group B** will be invited into Inside Pitch. **Group C** may then warm up outside their vehicle. **This process will continue throughout the evening.** A sign will be updated on the door at Inside Pitch listing which group is currently "allowed inside the facility."*

The Evaluation will consist of:

- a. A dynamic warm up for each athlete.
- b. Hitting off a tee (ball placed on the tee by ones self)
- c. Batting practice (ball thrown by a facilitator)
