

LEVEL ADJUSTMENT FEES

Should your child make a Rep team (PAA, BAA, MAA) please note the following:

Commitment to a Rep team requires extra time and financial commitments. Please ensure that you understand what is required prior to final team selection, and that the family/player is prepared to meet all expectations.

Level adjustment fees are an estimate based on the previous year's team financials. The amounts below may be adjusted as the team's costs are realized. During the season further funds may be requested once actual amounts are determined for the team's expenses. At the end of the season if there are any extra funds in the player's account with the team, they will be refunded back to the family by the office. Player's will be suspended from play if their player account with the team is in arrears.

The Level adjustment fees can be paid in full or in 3 equal payments.

Forms & Level Adjustment Fees and Payment Schedule

Once a player is confirmed to a team, an email will be sent from the office with information regarding fee payment and forms required to finalize the registration process to the HCR. All forms, base registration fee, and a min of 1/3 of the team fee will be required prior to a player being registered to the team HCR Roster. Confirmation to a Rep team and the first league games can be as short as 4 days, so please ensure you are prepared for the initial financial commitment.

Forms

WMHA FOIP FORM— only required from non-resident players (WMHA resident players have already completed this during their initial registration for the season).

Hockey Alberta AA Player Agreement Form
