HIGH PERFORMANCE FUNDING PROVIDED BY

ANNUAL APPLICATION DEADLINE: APRIL 22, 2013

Government of Yukon Sport & Recreation Branch and the High Performance Jury reserve the right to deny or reduce funding if an application is incomplete or submitted after the application deadline.

INTRODUCTION

- The Yukon High Performance Athlete Assistance Program (YHPAAP) provides grants to help offset training and competition expenses incurred by selected Yukon athletes who are able to demonstrate that they are competing at a “high performance level” as defined by this program.
- The program is intended to assist these athletes as they continue to show improvement from year to year in their sport demonstrated by their performance and results.
- Priority is given to sports that are involved in Canada Games and Olympic programs, and results will only be considered if there are at least 4 athletes competing within a specific competition.
- Funding for this program is provided jointly by the Government of Yukon Sport and Recreation Branch (SARB) and the Yukon Lottery Commission. Grants are based upon funding allocated to the Program by the Yukon Recreation Advisory Committee (YRAC). A High Performance Jury then reviews applications and makes recommendations for distribution.

Notes

- *All grant money is provided to the appropriate Yukon Sport Governing Body (YSGB) which in turn disperses the money to the athlete. If a YSGB does not exist, funds will be advanced through Sport Yukon to the athlete.*
- *YSGB may be required to prioritize applications upon YG’s request*
- *The High Performance Jury reserves the right to move an athlete between the levels of funding.*

FUNDING ASSISTANCE LEVELS

BRONZE ASSISTANCE LEVEL: Up to \$ 2,500

- the athlete must have demonstrated significant results at a provincial or equivalent level
- the athlete must be a top level athlete with demonstrable provincial team calibre or potential to make a provincial team
- the athlete must have demonstrated the skill and potential to graduate to the Silver/Gold levels

★ *a maximum of two consecutive years of funding is permitted at the bronze level*

SILVER ASSISTANCE LEVEL: Up to \$ 4,000

- the athlete must have demonstrated significant results at Western Canadian or equivalent level
- the athlete must have demonstrated the skill and potential to graduate to the Gold level

★ *a maximum of three consecutive years of funding is permitted at the silver level*

GOLD ASSISTANCE LEVEL: Up to \$ 7,000

- have demonstrated significant performance at the national/international level
- the athlete must be identified as a potential national team athlete

★ *An additional \$500 will be available for those who have participated in a Junior World Championship.*

★ *An additional \$1,000 will be available upon written request to those athletes that represent Yukon and Canada as a member of Team Canada at the Pan American Games, Commonwealth Games, Olympic Games or World Championships.*

ELIGIBILITY CRITERIA

Athletes must:

1. be a Canadian citizen, or have landed immigrant status, for at least twelve months prior to deadline of submission.
2. hold a valid Yukon Health Care Card.
3. be a resident of the Yukon 6 months prior to the deadline for submission. If attending an educational institution outside of the Yukon, the applicant must have Yukon resident status.
4. be a member in good standing of a recognized YSGB, if one exists.
5. have been eligible to compete as a Yukon athlete in the previous competitive season.
6. be eligible to compete for and represent the Yukon in inter-provincial competitions. In years where the Western Canada Games and Canada Games are held the athlete must compete for Yukon if their program allows.
7. be on a formal 12-month training and competition program agreed to and monitored by the YSGB, the coaches and the athlete. **The 12-Month Training Plan must indicate the nature of training, the number of sessions, hours per week as well as the planned competitions for the complete 12-month period.** It is the responsibility of the YSGB to approve and monitor training and competition programs of those athletes training outside of the Yukon. If the training program for the upcoming year has not yet been established, the athlete must provide a copy of the training program for the prior year and be prepared to update it once the new program has been established. Applications that do not include a 12-month training and competition program will not be considered for funding.
8. have shown potential for a national ranking and/or achieved national ranking or placement in recognized territorial/provincial/national/international competitions.
9. be willing and voluntarily submit to prescribed testing for banned and/or illegal substances when requested by the Canadian Centre for Ethics in Sport, the National Governing Body (NSO), SGB’s, SARB or competition organizers.

10. athletes must apply on an individual basis. Individuals from team sports are also considered under this program.
11. be willing, upon reasonable request, to share their knowledge and experience with other developing athletes. For those athletes who reside and train in the Yukon, this can occur within the normal training and competition environment. Athletes who have moved outside of the Yukon, in order to train and compete, will be expected to participate in at least one opportunity of “giving back” to Yukon sport. This could occur in the form of making a presentation to local athletes, participating in a training camp with local athletes, providing assistance to Yukon athletes when they travel outside of the Yukon to compete or some other similar manner. Plans for this “giving back” opportunity must be specifically identified in the application and reported upon in the athlete's Post-Season Report.

Notes

- Athletes considering a path to the NCAA must be aware of the requirements to declare such funding.

FREQUENTLY ASKED QUESTIONS

What is considered a “high performance level” of performance?

As a minimum, to be considered to be competing at a “high performance level”, an athlete must have results that show that, were they living and competing in a province such as BC or Alberta, they would be on that provincial team or have the potential to make that team.

What about “senior” or “masters” athletes?

The program is intended to support our developing youth athletes who are progressing through youth competitions up to and including “open” categories. It is not intended to support athletes competing in “masters” or “senior” categories. Based upon the philosophy of supporting developing youth athletes, the committee may choose to favour youth over adults even though they are competing in an “open” category.

How does one become a “selected” athlete as defined by YHPAAP?

A High Performance Jury reviews the YHPAAP applications and, based upon the information provided, selects those athletes who they feel are the most deserving of support. All selected athletes must meet the eligibility requirements and must have demonstrated performance at a high performance level.

Do all athletes who meet the eligibility requirements and are performing at a high performance level receive funding?

No, not necessarily. The High Performance Jury will recommend those athletes they determine to be the most deserving of funding support and how much each should receive. The total amount of funds available for distribution by the YHPAAP is established each year by the Yukon Recreation Advisory Committee (YRAC). Based upon the amount of funding made available to the program and the number and the quality of applicants, the Jury will recommend which applicants should receive funding and how much each should receive.

What can the YHPAAP grant be used for?

This program's primarily intention is to help offset actual training and competition expenses incurred by the athlete. However, it will also consider basic cost of living expenses for athletes who have had to move outside of the Yukon in order to train and compete. It does not propose to cover all of the athlete's living expenses, nor is it intended to cover any loss of wages resulting from training or competition, nor any medical expenses unless they are associated with training or competition.

What criteria or guidelines does the High Performance Jury use to make its funding decisions?

Applications deemed to be complete will be assessed according to the ***Minimum Qualifications and Assessment Criteria*** as defined in this document. Only those applications containing all of the mandatory information and approvals will be accepted. Incomplete applications or those not received by the deadline will not be considered.

The Jury relies almost entirely upon the information provided by the athlete in their application. For this reason, it is vitally important that the athlete ensures that all of the required and beneficial information is provided, that the information is accurate and that it is presented in a manner that will convince the Jury of the merit of the application. Completeness, accuracy, neatness and timeliness are critical.

Applicants are requested to submit a covering letter along with their application so that they can provide the Jury with their personal perspective on where they see themselves as a developing athlete, how they view their future and also provide any additional information they feel would be valuable for the Jury.

In general, the Jury will first decide on appropriate funding for the highest level (Gold) athletes and then make funding decisions for the Silver and Bronze level applicants as available funds permit.

Once an athlete receives funding under the program, can they expect continued funding in the future if their performance continues to improve?

No, not necessarily. As mentioned above, the particular athletes who receive funding and the amount they receive is dependant upon the amount of funds available in a particular year and the number and quality applications received. Also, an athlete can only receive funding for a maximum of two years at the Bronze Level and for a maximum of three years at the Silver Level.

What if there is no Yukon Sport Governing Body (YSGB) for my sport?

If there is no YSGB for a sport, YSGB approvals are not required and responsibility for monitoring training lies with the athlete and their coach(es). Funds will be disbursed in these situations through Sport Yukon.

What if an athlete wishes to appeal a funding decision made by the High Performance Jury?

The YHPAAP is a program that provides grants to applicants. The program is designed such that a committee or jury meets once a year to review all applications and make recommendations on distribution of the total funds available. As such, funding decisions of the High Performance Jury are final.

AGREEMENTS WHICH MUST BE SIGNED

- **ATHLETE CODE OF CONDUCT - (Section 9 of the Application)**

All athletes must agree to and sign the "Code of Conduct". This document outlines the standard of conduct and behavior that is expected of an athlete receiving YHPAAP assistance.

- **HIGH PERFORMANCE ATHLETE ASSISTANCE CONTRACT (Section 10 of the Application)**

To ensure proper understanding of the responsibilities of the athlete receiving YHPAAP assistance and the YSGB, there must be a "High Performance Athlete Assistance Contract" in place that is signed by the athlete and the YSGB President.

FACTORS WHICH MAY IMPACT ELIGIBILITY

An athlete's eligibility may be impacted by any of the following:

- failure to actively train on a 12-month basis with Yukon Teams and compete Major Games, National Championships, etc.,
- if a YHPAAP funded athlete is afflicted with an injury requiring lengthy rehabilitation, a decision may be made by SARB, through consultation with the YSGB and the Jury to determine whether funding should be affected (reduced or maintained). At all times, the athlete must make every effort to rehabilitate and return to active participation as soon as medically possible and/or appropriate. Medical reports may be requested by the YSGB and SARB.
- use of non-medically prescribed, and/or banned, and/or illegal substances and/or other similar prohibited performance enhancing substances or techniques,
- failure to fulfil commitments to a "giving back" opportunity,
- failure to document any previous YHPAAP assistance, i.e. outstanding Post-Season reports, or
- failure to achieve goals and objectives, without sufficient reason, established in the previous year's training program.

APPLICATION and FUNDING PROCESS

1. Applications and supporting documentation **must** be reviewed and endorsed by the President or authorized representative of your YSGB and submitted no later than **4:30 p.m. on April 22, 2013**
2. Athletes will be advised of funding decisions by letter and a copy will be sent to the YSGB.
3. Fifty per cent (50%) of the YHPAAP grant is advanced initially to the YSGB and the balance is provided once the Interim Report is submitted to SARB. Deadline for Interim Reports to be submitted is the last working day in November. **NOTE: Claim forms must be submitted to receive 50% advance as well as subsequent payments.**
4. Athletes receiving funding through this program **must** also submit a Post-Season Report to SARB by the last working day in March. This report must show competition results, achievements and rankings. The report must also show expenses incurred by the athlete for the entire training/competitive season as they relate to training and the various competitions. It must also include a report on the "giving back" activity in which the athlete participated.
5. Grants are made payable to the YSGB, who then reimburse the athlete for eligible expenses unless otherwise indicated.

SECTION 8 – PLANNED ‘GIVING BACK’ ACTIVITY

Note: For athletes who do not have a YSGB, SARB and Sport Yukon are willing to assist in facilitating a “giving back” activity. It is the athlete’s responsibility to request assistance if so desired.

SECTION 9 – ATHLETE CODE OF CONDUCT

I, (athlete name): _____, as a member of (YSGB): _____, understand that as an athlete I am a very visible representative of my sport, my community and the Yukon and recognize my responsibility to be a good team member and ambassador at all times throughout the course of my season.

I agree to conduct myself according to the following code of conduct, or others that may apply while participating in any training or competition activities in or outside the Yukon.

1. Athletes shall, at all times, show exemplary conduct, and be courteous and helpful to their teammates, other athletes, officials and the general public.
2. Intoxication from drugs or alcohol will not be tolerated, regardless of age. There is a zero-tolerance policy for under-age use of alcohol.
3. Possession of prohibited drugs will not be permitted. Drugs required for medical reasons and prescribed by a medical doctor will be exempted by the coach. It is the athlete's responsibility to ensure that drugs taken for medical reasons are not on the current banned drug list as outlined by the Canadian Centre for Ethics in Sport for competitive sports. The athlete must recognize that he/she may be BANNED FOR LIFE for taking or using banned performance enhancing drugs or techniques. The athlete must recognize that he/she may be subject to random testing without notice.
4. Curfews as set down by the coach during competition or on trips shall be strictly adhered to.
5. Profane language will not be tolerated.
6. Punctuality is expected at all times.
7. Athletes will follow their coach's directions concerning attendance at competitions, ceremonies, banquets and other team functions.
8. Athletes are expected to assist with the YSGB's efforts in fundraising whenever possible.
9. Athletes will follow their coach's directions concerning team dress during competition or other team functions.

Contravention of any of the above rules, or of any civil or criminal law, may result in disciplinary actions. Such action may involve disqualification, suspension from the team and possible return home at the athlete's expense.

I/We have read the above rules, understand them and agree to follow them.

SECTION 10 – HIGH PERFORMANCE ATHLETE ASSISTANCE CONTRACT

By signing this agreement the athlete is indicating that she/he fully understands and accepts the terms and conditions under which Yukon High Performance Athlete Assistance Program (YHPAAP) funding is being provided.

1. The athlete is required to submit written training reports as requested by their coach. The athlete understands his/her failure to submit these reports will result in suspension of financial assistance.
2. The athlete is required to submit an Interim Report by end of November and a Post-Season Report by the end of March to SARB. These reports must show competition results, achievements and rankings. The report must also show expenses incurred by the athlete that relate to training and the various competitions. It must also include a report on the “giving back” activity in which the athlete participated.
3. The athlete shall maintain a level of physical fitness satisfactory to his or her coach and understands that his or her failure to maintain such level may result in suspension of financial assistance.
4. The athlete fully understands and agrees to follow the Athlete Code of Conduct. This Code of Conduct must be signed by the athlete at the beginning of each year. Failure to conduct appropriately may result in suspension of financial assistance.
5. The athlete must be eligible to compete for, or represent Yukon in Inter-Provincial competitions or other meets designated by the YSGB. In years where the Western Canada Summer Games and Canada Games are held the athlete must compete for Yukon if the program allows.
6. The athlete will remain in good standing with the YSGB, and provide copies of all results to the head coach.
7. Funds will be advanced to the YSGB when made available by YG and in turn released to the athlete at their discretion to cover expenses relating to travel, equipment, fees and other related costs deemed appropriate by the YSGB. Fifty percent (50%) of the grant will be advanced to the YSGB by SARB initially following the funding announcement and the balance released after the interim report is submitted. **NOTE: YOU MUST FILL OUT A CLAIM FORM TO RECEIVE YOUR 50% ADVANCE & SUBSEQUENT PAYMENTS**

This agreement is between (YSGB) _____
 and (athlete's name) _____ for the _____ (Year) season.
 The athlete should sign only after fully understanding and accepting the conditions of this funding.
