

Mustangs Program Overview

***For the upcoming season WHMHA is endeavouring to provide Mustangs teams in the following divisions; U13, U15, U18 and FEMALE U18. This offering will be based on player registration and interest as well as COVID-19 restrictions and travel guidelines-so please ensure you indicate your interest early by registering for the appropriate Mustangs Tryouts so we can plan accordingly.**

These teams will be called the Whitehorse Mustangs. These teams will be operated with guidance from their division director and overseen by the VP of High Performance and the President of WMHA.

The Mustangs teams are competitive teams with heavy travel schedules and sizable operating budgets. The Mustangs teams practice and play home games in Whitehorse but will travel outside of Whitehorse up to 5 times per season to attend outside tournaments. These tournament weekends will entail players (and chaperones) being away from Whitehorse usually Thursday-Monday (dependent on flight schedules and other circumstances).

Players on these teams will have busy schedules and should expect to practice 2 times per week with additional dry land sessions.

Games can be on weekends or weekdays. Players will be expected to manage their time and their schoolwork in order to attend all scheduled team activities, there is a high expectation on commitment level for the Whitehorse Mustangs.

A sponsorship program may be initiated on a per division bases depending on approval to help offset the cost of the program. The fundraising initiatives are dependent on parent volunteers and team desire to fundraise.

Parent participation will be expected for duties on the team such as fundraising, penalty box staff, 50/50, manager, treasurer, equipment manager, etc.

Mustangs coaches may see a benefit to having players room together at tournaments. In this case parents would be required to book a room for their family in addition to the team bookings for the players.

Mustangs coaches along with input from their team manger and taking into consideration the team's input, will decide on tournaments, choices of hotels, meals etc. for all tournaments.

1. Tournament Registration Fees
