

## U9 Yukon Championships Rules Package 2023

Yukon Hockey Association Yukon Championships, hosted by Whitehorse Minor Hockey Association

- **Playing rules will comply with BC Hockey rules unless superseded by these written series rules.**
- **Tournament Organizer: Jennifer Jerome**— *please let me know if you have any questions or concerns.*
- **Series Arbiter will be League President Jeff Frizzell.**

### Game and Time Structure

This is a ten-team tournament.

Each team will have 9 round robin games. With each of the teams playing one extra game on Sunday. The schedule is found in this document and will be updated on the WMHA web site.

**The goal is for fun hockey series environment and equal play for all!**

**All games are cross ice**

<b>Games:</b>	<b>Total Time</b>	<b>Warm Up</b>	<b>Periods</b>	<b>Period Break</b>	<b>Run Time</b>	<b>Shifts</b>
ALL GAMES INCLUDING FINALS	30 mins	3 mins	2 x 12 min	2 min	All periods	Buzzer every 3 minutes

Score clock, shift timing, and continuous play format will be followed as per regular season (there are no face-offs after a goal).

The final games will be set by organizers to achieve team parity for maximum fun - there are no final tournament placings in U9. **Final game match-ups will be posted on Saturday evening on the website.**

During all games, if a team is up by a margin, coaches should encourage players to pass more and spread out the scoring etc. Any dispute or challenge will be managed by the Series Arbiter, and the decision will be final.

*Following each game, coaches will pick a player from their team who they feel most deserves the Heart and Hustle award. Tournament organizers should also be advised of H&H winner after each game. Each player will get a series medal (same for each) at the end of the tournament from their coaches.*

Please note, **we will require assistance from coaches with the boards installations, moves and take downs on ATCO ice, and velcro dividers on NWTel ice whenever there is a flood.** There is very limited time for floods and no room for schedule slippage, so we need many hands. A coach or two from each team that plays before/after a flood should assist. As we had not used the boards much this year yet, some leads (Ryan Martin, Trevor Hobart, Jeff Frizzell) will be around to assist with the setup on Friday and Saturday AM until we all get the hang of it.
