Athletes in Good Financial Standing: In addition to the athletic commitment involved with playing for a North Winnipeg Minor Baseball team, there is also a financial component that requires similar commitment. The necessity of the 2 different commitments can allow NWMBA to provide a prosperous and growing baseball environment where teams can succeed.

Any athletes trying out for the 2021 season, and found to be in financial arrears with their Community Center or NWMBA, will not be placed on a 2021 team until arrangements for payments of money owed is arranged and confirmed. This is essential for the equity based programs that NWMBA strives to provide.

Photo Release Consent: By enrolling your athlete in North Wpg Minor Baseball Association (NWMBA) programs (camps, tryouts, season play, etc), you are granting permission to NWMBA to use any photographs taken by a NWMBA member or designate to represent and promote NWMBA events and successes on the NWMBA web site and NWMBA social media sites only. You acknowledge that NWMBA has the right to format or alter the photograph at its discretion. You also acknowledge that NWMBA may choose not to use a photograph at this time, but may do so, at its own discretion, at a later date.
