UNIFORM, DRESS CODE AND LOGO

POLICY STATEMENT

It is the policy of WPFC that all staff members, team officials and players of Premier and Developmental teams adhere to the club's dress code. The dress code is intended to show pride in taking part in the program and develops discipline in the individuals that wear the uniform.

1. Staff members (coaches, assistants, and managers) must wear Club-approved clothing at all Club and team functions. This will include, but not limited to: meetings, training, and games.
2. All players, when representing the Club, must wear Club uniforms, training gear or tracksuits.

Note: Uniforms are not to be worn at practices.

3. Failure to adhere to this policy may result in the person(s) refused attendance at the event, and may lead to dismissal from the team for repeated infractions.

The Club recognises that a standard set of colours may provide for recognition of teams when participating in tournaments, championships, provincial competition, national competition or league play; cost benefits for equipment purchase; and a unifying influence for players, team officials and followers. Supplementary clothing is entirely optional, however, explicit specifications for products bearing the Club logo are designed to provide season-to-season continuity and reduce costs to parents.
