

11U 'A' Wpg South Playoffs

June 21/22, 2025

Pool 1	Pool 2
#1 Seed	#2 Seed
#4 Seed	#3 Seed
#5 Seed	#6 Seed
#8 Seed	#7 Seed
#9 Seed	#10 Seed

Round Robin								
Game #	Diamond	Time	Away	Score	DO	Home	Score	DO
Pool 1								
1	Marchetti La Salle	Sat 8:00am	#8 Seed			#5 Seed		
2	Marchetti La Salle	Sat 10:30am	#9 Seed			#1 Seed		
3	Marchetti La Salle	Sat 1:00pm	#5 Seed			#4 Seed		
4	Marchetti La Salle	Sat 3:30pm	#8 Seed			#1 Seed		
5	Marchetti La Salle	Sat 6:00pm	#9 Seed			#4 Seed		
Pool 2								
6	#2 Oak Bluff	Sat 8:00am	#7 Seed			#6 Seed		
7	#2 Oak Bluff	Sat 10:30am	#10 Seed			#2 Seed		
8	#2 Oak Bluff	Sat 1:00pm	#6 Seed			#3 Seed		
9	#2 Oak Bluff	Sat 3:30pm	#7 Seed			#2 Seed		
10	#2 Oak Bluff	Sat 6:00pm	#10 Seed			#3 Seed		
Sunday June 26 Medal Round								
Game #	Diamond	Time	Away	Score	DO	Home	Score	DO
11	Marchetti La Salle	9:30am	Second Pool 2			First Pool 1		
12	Marchetti La Salle	12:00pm	Second Pool 1			First Pool 1		
13	Marchetti La Salle	2:30pm	Game 11			Game 12 Winner		

Pool Round

- Teams are divided into two pools and each team plays two games within their pool on separate diamonds.
- The home team is the team with the better record during the regular season.
- Games must be played to their conclusion (6 innings)
- The mercy rule is in effect.
- Games can not end in a tie.
- All other rules in effect during the regular season still apply.

Medal Round

- If two teams are tied after the pool round, the team with the fewest runs against per defensive outs is placed higher.
- If more than two teams are tied after the pool round, the teams are ranked according to those with the fewest runs against per defensive outs.
- The home team in the Championship Game is the team with the better record during the regular season.

Three teams tied formula (use these in the order they are listed)

1) Runs Against
Defensive Outs (= Lowest Ratio Advances) (Games between tied teams only)

Example for 13U

Team A - 11	Team B - 1	21 defensive outs charge to Team A for a Mercy Rule win, 15 defensive outs charged to Team B
Team C - 9	Team A - 8	in 21 defensive outs
Team B - 15	Team C - 13	in 21 defensive outs

	Team A	Team B	Team C
Runs against	10	24	23
Number of defensive outs	42	36	42
Ratio	.238	.667	.548

In this example, Team A is declared first

For tie-breaking procedures if a game is forfeited, the final score will be recorded as 1 run per scheduled inning (6 for 11U, 7 for 13U, 15U and 18U), or the actual score for the team awarded the win, whichever run differential is greater. This is the score that will be used if necessary in the formula.

2) Runs For
Offensive Outs (= Highest Ratio Advances) (Games between tied teams only)

3) Runs Against
Defensive Outs (= Lowest Ratio Advances) (All games included)

4) Runs For
Offensive Outs (= Highest Ratio Advances) (All games included)

5) Three-way coin flip.
