The NCCP number, which is a unique identifier for coaches in the National Coaching Certification Program (NCCP), is free to obtain. You can create an NCCP number by creating a free account on [The Locker](#). The NCCP number is required to access and register for NCCP training and certification programs. Coach Screening form: (required each year)

<https://cloud.rampinteractive.com/baseballmanitoba/files/2025%20-%20Coach%20Screening%20Chart.pdf>

For 9U all coaches need respect in sport and screening policy but not the initiation course, however the Initiation Clinic is free right now and a good course, so would recommend. There may be a charge for it in the near future.
