10. RULES ABOUT PITCHING IN GAME AND WARM UPS:

10.1 When player / coach is warming up a pitcher

- The coach must at least wear a mask and a player must wear a mask / helmet combination in all warm up situations (Baseball Canada 2018 Rules Interpretations 1.17)

10.2 All new pitchers will get six (6) warm up pitches and then four (4) pitches before each inning. If a team is slow coming onto the field an umpire can reduce the number of warm up pitches

10.3 A pitcher is not allowed to wear a white or grey long sleeved undershirt

***New for 2020***

Pitchers are allowed to finish the batter even if their maximum pitch limit for any threshold is exceeded during the at bat. However, ***the coach must notify the umpire prior to the pitch count being exceeded.*** The pitch count then will be recorded as the maximum for that threshold limit. For example, a 15U player has 50 pitches. The coach can declare to the plate umpire and pitch counters for both teams that this is the final batter. He finishes with 54 pitches, but only 50 are recorded and that player is removed from pitching.

**11. BATTERS:**

- 11.1 **11U A thru 18U A** - All players of a team are part of the continuous batting order for each game.
- The order will be set by the coaches at the beginning of the game and may not be changed
  - The first nine (9) players listed on the line up sheet do NOT have to be the starting nine (9) players that start on the field
- 11.2 The re-entry rule is in effect for the regular season and city playoffs. It cannot be used for an ejected player, but can be used for an injured player. The last player removed from the game can re-enter for the injured player. The umpire has to be informed of the injury. The injured player cannot re-enter the game
- 11.3 If a player is ejected their spot in the batting order is skipped without an out being recorded
- 11.4 When a player leaves the game for any reason including injury or illness etc. that players' spot in the batting order is skipped without an out being recorded. The umpire and opposing coach must be informed immediately after the player leaves. This player can re-enter the game
- 11.5 An out is recorded if a player misses the at bat for no apparent reason. This player may continue to play
- 11.6 Coaches can make unlimited substitutions on the field at any time

- 11.7 **18U AA ONLY** - All players are to be listed on the lineup card.
- Only the starting nine (9) players are to be included in the batting order.
  - A designated hitter is listed as DH and the pitcher must be listed on the game sheet in the number ten (10) spot on the lineup card (or number eleven (11) spot if the EH is added)
  - **Extra Hitter Rule**
    - Prior to the beginning of each game, the manager may elect to add a tenth (10<sup>th</sup>) hitter to the batting order. The player will be indicated in the line-up as the "EH." The "EH" cannot be added to the line-up once the game begins.
    - The "EH" will be treated as any other starter, and cannot be eliminated during the course of the game. If a team starts with 10 players, the team must finish with 10 players. Penalty shall be a forfeit.
    - The EH may appear in any spot in the line-up.
    - The EH will now be considered a defensive position and eligible to be switched between any defensive position provided he stays in the same spot he started in the batting order, and since the EH is a starting player, the reentry rule would also apply to the EH position.
    - The purpose of the EH is to replace a position player allowing the replaced player to come off the field to warm-up for pitching

## 12. BASE RUNNERS:

- 12.1 Courtesy runners are acceptable for the catcher when there are two outs
- 12.2 **Contact Rule for all players is in effect.** Runners are instructed to slide or attempt to avoid making contact with a fielder. Malicious contact is to be penalized whether committed by an offensive or defensive player. Please refer to Baseball Canada contact rule 6.01 (6.05) for details.

- 13.3 **Age advanced players must be identified before the game. These players are restricted to the number of pitches for their age group and not to the age group of their team. Thus, a 15U-aged player age advanced to 18U is restricted to the pitch count for 15U. (the exception is a Grand Slam player advanced to 11U who may pitch to the 11U limits)**
- 13.4 **T.P. (temporary players also known as call-ups) are not allowed to pitch**
- 13.5 **Intentional walks**
- Only pitches actually thrown will be included in Pitch Count totals (New intentional walk rule excludes pitch count when a player is intentionally walked)
  - Automatic balls during an intentional walk do not count towards Pitch Count totals
    - Example; if during a count of 2 balls - 0 strike, a team signals to the umpire that a batter will receive an intentional walk, only 2 pitches will be counted for pitch count
- 13.6 A pitcher who is removed from the mound during the game shall not be permitted to return to pitch in the same game, even if the pitcher is retained in the game in another position or the game is suspended and resumed on another day
- 13.7 A coach who violates the pitch count regulations will be subject to a one-game suspension. Any subsequent violations will result in penalties as per disciplinary guidelines in the Baseball Manitoba Handbook

13.8 All pitches, regardless of regular season, tournaments **or high school play**, must be recorded in the teams pitch count book

14. **DOUBLE HEADERS:**

14.1 1st and 2nd games should start at the game time on the schedule

14.2 Double header games shall be 5 innings in length

Time Limit	2 hours after the start of the game	2 ¼ hours after the start of the game		Unlimited	2 ¼ hours after the start of the game	Unlimited
Any inning in progress at the time limit must be completed Question – is this needed as only head to head games count for run differentials						

15.2 A 10 run mercy rule applies after 5 innings of play or 4½ if home team is ahead (The 10 run mercy rule for 11U AA is after 4 innings or 3½ if home team ahead).

The mercy rule also applies in all regular and playoff games

15.3 The umpire has the discretion to call the game due to darkness. If a game is stopped before the completion of an inning, then the score reverts to the last completed inning. Games are allowed to end in a tie

15.4 Games called due to weather or darkness can be considered final upon agreement from both coaches, otherwise decision of a final result or replay will be deferred to the age convener

15.5 Delays due to weather or unforeseen circumstances are included for all games with time limits (If a team has a 2:15 time limit and loses 30 minutes due to rain they do not get to play an extra 30 minutes)

15.6 The end time of the game is at the sole discretion of the umpire who is the official time keeper
