

# 91<sup>ST</sup> MINUTE

Welcome to the first edition of the 91<sup>st</sup> Minute.

The WWSL is committed to transparent communication with our members and to prevent too many emails from us, we figured what better way to showcase our league than our own newsletter!

## 2025 - 2026 INDOOR NEWS

### Jewellery Memo

#### Co-ed Schedule Release

- We will be reviewing the alignment and will release the second half of the schedule by December 23, 2025. With Co-ed kicking off January 2, 2026!

#### Playoff Schedule Release

- Team Reps watch your emails for the release of the playoff schedule in the coming weeks

#### Walking Soccer!

- We did a pilot of Women's Walking Soccer seeing over 25 participants register for these sessions! Visit our website for more information and what's upcoming for 2026!

## The Unwritten Rules of the Game

We have all played games where we walked away and thought, "wow, that was a fun game." and we may have walked away saying, "I dislike that team, that was so awful". One thing always sticks in my mind, no matter what level you've played, or how many trophies you won, we are all currently playing recreational soccer. Before, During and After each game lets remember:

- **Respect** – the referee, your teammates, the other team – kindness goes a long way!
- **Sportsmanship** – apologizing for that foul you made by mistake, offering a hand to a fallen opponent
- **Fair Play** – it's recreational soccer, everyone may not be at **your** level!
- **Post-Match Etiquette** – post-match handshakes, this shows respect and sportsmanship win or lose (you're not playing for the world cup, unfortunately..)
- **Conduct off the Pitch** – the game is over when the whistle blows, it's not that important, you likely have work or school in the morning. It's just a game.

Listen to our president speak to the sold out podcast about our league and she and the board are building the women's league for future players.

*"I am a big transparency is key person. There is nothing to hide. Communicate, over communicate."*

## OFFICIALS CORNER

New for 2025 – 2026 Indoor Season

### FEEDBACK FORM

Referee Assistants (RAs) – the WWSL has moved away from time keepers and we are utilizing RAs, we introduced this with the co-ed division last season and seen great success with the consistency of the refereeing. We are working closely with the MSA so please send in your feedback (including the positives!)
