

## 2024 WYSA OUTDOOR RECREATIONAL SEASON COACHES' NOTES

U9 – U12 Boys and Girls Recreational Leagues

U13 – U18 Boys and Girls Recreational Leagues

**Coaches notes are meant to be quick snippets of our most commonly referenced rules. It is the responsibility of the team officials to be aware and comply with the Rules and Regulations. As such, please review the entire document which are posted on the WYSA website ([www.winnipegyouthsoccer.com](http://www.winnipegyouthsoccer.com)) under the Coaches and Volunteers tab.**

### LEAGUE SCHEDULES

All matches must be played as scheduled. Only WYSA has the authority to make any schedule changes. Any changes to the League schedules will be communicated by email to the affected teams and through our social media outlets. Due to limited Match Officials and field availability, the practice of re-scheduling matches is not the norm. Teams should utilize 'guest players' (WYSA Rule 3.10) in cases where they may be short players.

### MATCH CANCELLATIONS

In the event of an individual match cancellation, an email notification will be sent to the affected teams.

In the event of league wide cancellations, notice will be posted on the WYSA website home page and through social media outlets.

If no notice is posted on the website, please attend your match as scheduled. If the field and/or weather conditions are unplayable, only the Match Official has the authority to cancel a match at the field.

### IDENTIFICATION CARDS

U9 – U18 Recreational players are **NOT** required to have identification cards.

All Team Officials **are** required to have a valid coach's card, except for the same gender adult. Only Team Officials with a valid coach's card are allowed in the team's technical area. Team Officials who are not able to provide a valid card at the beginning of the match will not be permitted in the technical area until they are able to produce a valid coach's card. No more than 4 (four) Team Officials can occupy a spot in the technical area.

## GAME SHEETS

The match official is responsible for bringing a printed copy of the game sheet to the match, which shall include the names of the team officials present at the match, along with the names and jersey numbers of the players participating in the match.

Both teams should review and ensure all players are listed, as well, players under suspension or who are not present should be crossed off to avoid any discrepancies.

Guest Players are to be marked with “GP” next to their name on the game sheet.

Once the match is complete the match official will complete the game sheet with scorers, discipline, and the final score. The match official can offer both coaches the opportunity to take a photo for their records. The match official will then take a clear photo of the game sheet and email it (and any discipline) to [wysa@wpgsoccer.com](mailto:wysa@wpgsoccer.com) within 48 hours of the match.

Coaches are encouraged to take a picture of the game sheet and send a copy of it to [wysa@wpgsoccer.com](mailto:wysa@wpgsoccer.com) to ensure standings can stay up to date.

## GUEST PLAYERS

Any player who participates with a team that they are not officially rostered with is defined as and considered to be a guest player.

3.10.2 Teams are not permitted to have more than a maximum of five (5) guest players in each match.

3.10.3 Teams may utilize the services of a guest player registered in a lower competitive division of the same age and/or in a lower age division of the same level of competition. All guest players must meet.

- a) The permission of the coach of the lending team must be obtained.
- b) The name of the player from the lower division or lower age team must appear with an appropriate designation on the game sheet. The player must be clearly labeled as a Guest Player or “GP”.
- c) A player registered on a Recreational team in an age group older than the birth year of the requesting team may be allowed to play as a guest player in the Premier or Developmental division in their defined age group by virtue of their birth year.

➤ *For Example: A 15-year-old playing on a U16 Rec Team can be used as a guest player on a U15 Premier as they are age eligible.*

3.10.4 Recreation League Guest Players

Provided the player meets the provisions set out in rule 3.10.3, a player participating in Recreation league competitions can guest on the same team for a maximum of five (5) matches during league play. A player can guest for a maximum of two (2) matches on the same team during the playoffs. Each organization will be responsible for ensuring the team has the guest player card for the match.

## **TEAM UNIFORMS**

All uniforms of players participating in the match must have numbers. Each uniform should be uniquely identified by a different number, no teams can have duplicate numbers on their team uniforms. Any teams playing without numbers will default the match (where applicable). Taped numbers will be permitted. In cases where uniforms are similar in color, the **Away Team** shall change. The referee will make the determination of whether uniform colors are conflicting.

## **CASTS**

Hard casts are considered to pose a danger to both the wearer and other players and are not permitted to be worn. The practice of padding a hard cast does not reduce the element of danger. Players wearing a soft cast will be permitted to play if the cast does not present a danger to the individual or any other player. The match official will make the final decision as to the acceptability of any soft cast. Any player who uses a soft cast with the intent to intimidate or injure an opponent shall be sent off. For more information, please refer to the CSA Policy for Players Wearing Casts by [clicking here](#).

## **JEWELRY**

All items of jewelry (necklaces, rings, bracelets, earrings, nose rings, leather bands, etc.) are strictly forbidden and must be removed. Using tape to cover jewelry is not acceptable.

## **SEVERE WEATHER CONDITIONS**

Thunder/Lightning – If you can hear thunder or see lightning, we advise you seek immediate safety indoors – “When thunder roars, go indoors.” After seeing lightning or hearing thunder, wait at least 30 minutes after hearing the last clap of thunder or flash of lightning before returning to the field. At some point the match may be abandoned due to insufficient time to finish the match. If this occurs, the match official and teams should inform WYSA immediately, so the outcome of the match can be determined.

Humidity – On days where the Humidex value is 35-39 (this number will be reduced and communicated to the WYSA membership shortly), matches will proceed as scheduled.

When the Humidex value reaches 40-45, WYSA may consider delaying kick-off or rescheduling the match. If WYSA decides to go ahead with its scheduled matches, multiple water breaks will be permitted during each half of play (additional time shall be added by the match official). All matches will be cancelled and rescheduled if the Humidex is 46 or above.

The match will be rescheduled if less than two-thirds have been played otherwise it will count as a full match towards the standings.

### **REFEREE LIAISON**

Referee Liaisons are required for every match. Each coach should acquire their Referee Liaison before the scheduled kick-off time and have them report to the referee before going to the spectator side.

Referee Liaisons must have their names and "RL" stated on the game sheet.

Referee Liaisons will assist the match official when asked to do so. The Referee Liaison's job is to control the behavior of their spectators, warning them politely to stop any misbehavior. They should not confront the spectators from the opposition but submit a report to WYSA if they witness any improper conduct from them.

### **SAME GENDER ADULT**

All teams must have at least one adult of the same gender as the players. If none of the registered team officials fit this requirement, a guardian may fulfill this role. If not a registered team official, this person does not require an I.D. card but must be present on the team bench and identified on the game sheet. This person cannot be a registered player on the team. Teams not having an adult of the same gender will result in the match being cancelled and points defaulted to opponents.

### **DISCIPLINE**

The Winnipeg Youth Soccer Association refers to the Manitoba Disciplinary Mandatory Minimums (MDMM) as set out by the Manitoba Soccer Association. The MDMM dictate minimum suspensions for each red card and/or lifetime offenses. As members of the MSA, WYSA is bound to follow the minimums as set out by the MSA. They may be found on our website, along with a published list of current suspensions.

When a team member is ejected, the match official will submit their report to the WYSA Office for review within forty-eight (48) hours of the conclusion of the. The report will be reviewed and any additional correspondence (which may be supplied by the team) regarding the incident, prior to determining any potential disciplinary sanction.

Recreational teams are permitted to substitute an unlimited number of players at any one time, and, unlimited number of times throughout the duration of all matches. Substitutions may only be made with the consent of the referee during a stoppage in play. No substitute is permitted to replace a player who has been dismissed from the match. The length of season is subject to change.

### **U9 & U10 – RETREAT LINE**

The Retreat Line is a tool that assists with the development of players, technically and as a team, tactically. The Retreat Line has been introduced around the country to allow younger players to learn and gain confidence in how to play the ball out from the back and forward to attack. The **retreat line** shall be marked a third (1/3) of the way from the goal line on each U9 & U10 recreational and developmental league field. There are examples on the WYSA website under the Coaches & Volunteers tab.

### **U11 & U12 – ATTACKING LINE**

The U11 and U12 leagues will use the **attacking line** which becomes the midfield line (aka halfway line) when judging an offside. As such, offsides shall only be in effect in the attacking third of the field (beyond the attacking line). There are examples on the WYSA website under the Coaches & Volunteers tab.
