Independent Auditors' Report

To the Members of Winnipeg Youth Soccer Association Inc.

Opinion

We have audited the financial statements of Winnipeg Youth Soccer Association Inc. (the "Association"), which comprise the statement of financial position as at March 31, 2021, and the statements of financial activities, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Association as at March 31, 2021, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Association in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

Management is responsible for the other information. The other information comprises the Association's annual report.

Our opinion on the financial statements does not cover the other information and will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

The annual report is expected to be made available to us after the date of the auditors' report. If, based on the work we will perform on this other information, we conclude that there is a material misstatement of this other information, we are required to report that fact to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Financial Statements Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements are free from material misstatement, whether due to fraud or error.

Independent Auditors' Report - continued

In preparing the financial statements, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Association's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

1. Nature of the organization

Winnipeg Youth Soccer Association Inc. (the "Association") exists to promote and develop youth soccer in Winnipeg. The Association is a not-for-profit corporation pursuant to The Corporations Act (Manitoba) and is tax exempt under the Income Tax Act.

2. Summary of significant accounting policies

The Association follows Canadian accounting standards for not-for-profit organizations in preparing its financial statements. The significant accounting policies used are as follows:

a) Revenue recognition

Grants and sponsorship revenue received generally pertain to programs which run in the same year and, as such, are recorded as revenues when received and collectability is reasonably assured.

Interest and registration and referee fee revenues are recognized in the year to which they relate.

Tournament fees are recorded as revenue when collectability is reasonably assured and the event has occurred.

Government assistance is recognized as per the criteria outlined in Note 2(d).

b) Amortization

Amortization is provided at rates designed to write off property and equipment over their estimated useful lives as follows:

Goal posts

Computer equipment

Furniture and fixtures

Leasehold improvements

10 years straight line
5 years straight line
Cover the term of the lease

c) Accounting estimates

The preparation of financial statements in accordance with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reported period. These estimates are reviewed periodically and are reported in earnings in the period in which they become known. Actual results could differ from these estimates.

2. Summary of significant accounting policies - continued

d) Government assistance

Government assistance, by way of the Canada Emergency Wage Subsidy ("CEWS"), is recorded as an expense recovery when received or receivable if the amount to be received can be reasonably measured and collection is reasonably assured. During the year, the Association received CEWS payments totaling \$82,987 (2020 - \$Nil).

The forgivable portion of the Canada Emergency Business Account ("CEBA") loan, is recorded as income in the year initially received. During the year, the Association recognized \$20,000 (2020 - \$Nil) as the forgivable portion of the loan.

Government assistance, by way of the Manitoba Bridge Grant program, is recorded as income when received. During the year, the Association received grants totaling \$15,000 (2020 - \$Nil).

e) Financial instruments

The Association recognizes its financial instruments when the Association becomes party to the contractual provisions of the financial instrument. Financial instruments are initially recorded at fair value with subsequent reporting at amortized cost.

It is management's opinion that the Association is not exposed to significant credit, currency, interest, liquidity, market or other price risk.

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The Association is exposed to less than significant credit risk.

Currency risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate due to changes in foreign currency rates. The Association is not exposed to currency risk as all transactions occur in Canadian currency.

Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate due to changes in market interest rates. The Association is not exposed to interest rate risk as the Association has no external interest bearing debt.

Liquidity risk is the risk that the Association will encounter difficulty in meeting obligations associated with financial liabilities. The Association has maintained positive working capital that minimizes its exposure to liquidity risk.

Market risk and other price risk are the risks that the fair value of future cash flows of a financial instrument will fluctuate due to changes in market prices. The Association is not exposed to market risk as it has no material assets exposed to market fluctuations.

Management believes these risks are manageable and do not represent a threat to the Association's ability to continue as a going concern.

8. Loan payable

The Association has received the Canada Emergency Business Account ("CEBA") loan, funded by the Government of Canada, in the amount of \$60,000 (2020 - \$Nil). The loan is interest free until December 31, 2022, after which time interest will accrue on any remaining balance owed at a rate of 5% per annum. If \$40,000 of the loan has been repaid by December 31, 2022, the remaining \$20,000 of the loan shall be forgiven. The balance of the loan and accrued interest is due on December 31, 2025.

9. Commitment

The Association entered into a sublease agreement on office space located at 211 Chancellor Matheson Drive. The sublease is for a period of 10 years expiring August 31, 2030, with two 5-year renewal options. The lease requires the Association to make monthly payments of \$675 commencing September 1, 2021, subject to annual inflation for years 3 to 10 in accordance with the unadjusted Consumer Price Index for the City of Winnipeg.

10. COVID-19

In March 2020, the World Health Organization declared coronavirus COVID-19 a global pandemic. This contagious disease outbreak, which has continued to spread, and any related adverse impact it has had on public health developments, has adversely affected workforces, economies, and financial markets globally, potentially leading to an economic downturn.

The Association temporarily ceased operations, due to indoor and outdoor recreational facility closures in the City of Winnipeg as a result of the pandemic. During this period, cash inflows from registration ceased. Due to the uncertainty as to the outcome of the pandemic, and in particular, when indoor and outdoor recreational facilities will be fully re-opened to the public, an estimate of impairment of financial assets and credit losses cannot be determined, and consequently, no provision for loss has been provided for in these financial statements. It is management's assessment that the going concern assumption continues to be appropriate for the foreseeable future of the Association.
