DARIAN MAR FUND

The North Edmonton Wizards Lacrosse Club would like to introduce the Darian Mar Fund to its members. Darian was a St. Albert Ram's player who played as a Wizards in 2017 and was taken from us way too soon!

This fund has been created to honor Darian and the Mar family.

The Wizards will also be honoring Darian by placing the Mar 77 logo on each of our #77 jersey's.

Each year there are families that have chosen to pay out the volunteer fee of \$200. Starting in 2019, those payments have been allocated to the fund. This money will be used to assist nominated families to help cover some of the cost of registration fees.
