

WILLIAMS LAKE YOUTH SOCCER ASSOCIATION 2025 Sponsorships Package

Our Programs

The WLYSA house league includes practices and games for players aged U4 - U18. The Spring Season runs from the beginning of May to the end of June with approx. 715 players and 110 volunteer coaches participating.

Our Rep league includes year round team practices for players interested in being more competitive and travelling for soccer tournaments.

Our Referee program offers young referees the opportunity to obtain their BC Soccer referee credentials and be paid per game officiated throughout the season.

The Facilities

The WLYSA's Field Committee is responsible for maintaining and upgrading the Esler Soccer Complex in partnership with the men's and ladies soccer associations for players, parents, and community members to enjoy.

2025 sponsors will be invited to book the clubhouse, and deck space once between April to October free of charge. The spaces can be utilized for meetings, luncheons or team building activities.
