

WILLIAMS LAKE SUMMER CAMP – July 16 - 19, 2019 (4 day camp)

The European Football School (<http://www.europeanfootballschool.com>) has rapidly earned an enviable reputation as a soccer school of excellence. At EFS they have set out a European Football Fitness Philosophy with a well-structured program of technical skills developed by EFS coaches.

The coaching staff of EFS have the experience and the ability to help players develop their skills for a higher level of play and to reach a deep understanding of all aspects of the game.

The European Football School (EFS) is celebrating 15 years of success in Williams Lake. The relationship between WLYSA and EFS has helped many players develop new skills and tactics and move their game to the next level. Over the past 15 years, select WLYSA players who are committed to the game have been invited by EFS to play with EFS in College Showcase Tournaments in the United States and International Tournaments and Games in Europe.

Being able to work with coaches like Saibo Talic (Canadian “A” License & UEFA “B” License), Amar Talic (UEFA “A” License), Igor Matic (UEFA “A” License), and Steve September with their playing experiences and their high level of coach training and certifications is a tremendous opportunity.

Players looking to improve their game are encouraged to sign up for these highly motivating fast paced sessions.
