

LIGHTNING POLICY

Adopted November 2001
Amended May 7, 2019

The Williams Lake Youth Soccer Association (WLYSA) follows the Canadian Soccer Lightning Safety – Severe Weather Policy, 30-30 rule:

- When you can count 30 seconds or less between lightning and thunder, head for safe shelter
- Remain sheltered for 30 minutes after the last clap of thunder

For all other weather advisories, it is up to the individual coach. However, be aware that if you choose to cancel a practice, we do not have enough time allotted to make it up.
