#### Meeting Minutes

- Would like to present holding a trivia night rather than an auction
- We need to do a fundraiser
- With an auction it is a lot of work to get the donated items
- We are afraid we have asked our community for a lot already and not sure asking for more is a great idea
- Keeping in mind other organizations are doing trivia nights
- Trivia night hosted by a team a few years ago and included raffles, draw prizes, bar and food was successful
- Would be looking at support from each of the teams to run it
- Ideal to have a bar
- We can still include a silent auction at the trivia night
- With an auction - a live auction helps profit
- Some sponsors that had donated to the auction previously have contributed in another capacity
- The auction did well last year, however, there was some big ticket auction items that brought in some bigger dollars, there is no guarantee we can get those big ticket items again or as many
- Henderson Hall - \$275.00 don't have a bar area but you can still have a bar - \$665.00 includes insurance and license. Have to have insurance
- Unifor \$575.00 and you make nothing off the bar
- \$150.00 for liquor license plus insurance
- Had 50/50 elimination draw - at auction last year - could look into doing

something like that at trivia night

- Trivia night would possibly attract more people outside our organization so not coming out of members pockets
- Other ideas for fundraising are; a wine pool - elimination draw, bottle drives, fish fry, co-ed baseball tournament- looked into last year - last year would have been the last year before you have to pay big fees to use the fields and license fees (not as easy to get the license), old jerseys - put online to sell, community yard sale- we just sell the tables or parking space, or have stuff donated and we sell for profit maybe do in conjunction with a car wash and bbq
- Is there any money in hosting a D1 clinic? Have looked into the past there isn't much money in it but we can definitely look into again
- Adrianna was approached by someone who was interested in a Self Defense class for their daughter - maybe something to consider in the off season - the only downfall would be the cost of the hal
- At Trivia night we can also have food available for sale (possibly donated pots of chilli)
- To do the Trivia night we need time to advertise and find a good time so not to conflict with other organization event
- Tentatively looking at March 6th - Robin will call to book
