**Notes:**

- All games on or after March 13, 2020 were cancelled due to the coronavirus outbreak
- Major/Premier and Divisions 1-3 were able to fully complete their seasons allowing their standings to be calculated through the normal process.
- Formula used to determine the Round 2 final standings of the Champions League and Over 40 divisions: Total points earned divided by total possible points
  - Total possible points = number of games played x 3 points per possible game
