

CALGARY WOMEN'S SOCCER ASSOCIATION

GENERATIONS UNITING TOGETHER

CWSA Members,

While it was disheartening to see that government restrictions this week have been increased again, there is now a positive light at the end of the tunnel with the announcement that vaccines are being made available in the coming days to all Albertans over the age of 12. This increase in vaccine availability is the step we have all been waiting for and we are hopeful that in the near future we will see a final easing of restrictions that will allow adult sport leagues to resume normal operations.

We have created a quick survey, to aid us with the planning of a meaningful program for you this summer. The survey is **open for all members** to complete (players, coaches, team owners/managers), and will be a valuable resource for us in executing our 2021 outdoor season.

The survey will take **less than 1 minute** of your time to complete, please click on the link below:

[CWSA Outdoor Survey](#)

The deadline to complete the survey is 11:59pm on Wednesday May 12, 2021.

CWSA remains committed and eager to create a season for you as soon as we are permitted to operate again, and your input will help guide us in our efforts to get you back to playing soccer!

We thank you for your continued support & we hope to see you all on the field very soon,

Your team at CWSA.

PLAY FOR LIFE!
