DISCIPLINE CODE

1. GENERAL

1.1. Introduction

The Discipline Code for the CWSA league, approved by the CWSA Board, describes and categorizes infractions by degrees of severity and then outlines the penalties incurred by such infraction. The document is not intended to describe every possible situation. Infractions of similar intent and/or consequence will receive like game suspensions.

Discipline administered at any time may encompass more than one (1) section. The terms of suspensions listed herein are a minimum for each infraction. The player's prior 3 year disciplinary history for violent conduct incidents will be taken into account and may result in an additional games suspensions.

Team Officials are also subject to discipline however, given that team officials carry a greater burden of responsibility in their leadership role suspensions and/or monetary penalties may be more severe.

This code is designed for dealing with infractions committed by players, team officials and their spectators. Major incidents of misconduct directed against game officials fall under the jurisdiction of the Alberta Soccer Association.

It should be noted that any incident being dealt with by the Alberta Soccer Association, results in an automatic suspension from "ALL" soccer activities.

Suspensions must be served immediately after the infraction.

Cautions accumulated in a single season are nullified at the end of the season except when a caution in the last game of the season triggers a suspension.

Suspensions carry into the next season of play – Outdoor to Indoor and Indoor to Outdoor respectively.

A suspension earned by a coach or team official in the CWSA must be served exclusively in CWSA.

Suspensions can only be served on the team that the player is registered to.

For an individual to have served a game suspension, their registered team must physically play a League game. Tournament games are not eligible to be counted as games served for suspensions. However, suspended players are not eligible to play in any tournament as they are deemed to be not in good standing by Alberta Soccer Association

1.6. Fines and Bonds

All suspensions of greater than one (1) game identified in Sections A through E carry a fine of \$10 for each game of the suspension.

Teams can be fined to a maximum of \$1,000.00 and/or bonded to a maximum of \$5,000.00 at the discretion of the Discipline Committee.

All fines/bonds **MUST** be paid before player/team re-instatement. All fines for forfeiture and defaults must be paid prior to the next scheduled game. According to Alberta Soccer Association, you're not eligible to play until you have paid as you are viewed as an individual not in good standing therefore not eligible.

In the event that a team fails to pay its fines or post any bonds levied against them, the outstanding fines and/or bonds will be divided between all players, coaches, and managers on the game sheet - the game sheet being that of the occurrence that resulted in the fine and/or bond being levied against the team. If the outstanding fines and/or bonds

DISCIPLINE CODE

were not assessed through a game but by some other infraction outside of play, the amount owing will be divided between all players, coaches and managers on the team roster.

1.7. Time of Ejection

Ejected parties must leave the field of play immediately, and be out of the line of sight of the game officials, and/or not be in a position to influence or interfere with the game or team officials, or participants of the match. Staying in your change room is acceptable and deemed not interfering provided you do not return to the field or further refute the decisions of the referee.

Any player/participant ejected for an incident prior to the start of the game, or during or after the game must surrender their card to the game official forthwith. Failure to comply with these requirements will result in additional discipline measures.

- ✓ If you are appealing the decision by the Discipline Officer you should come prepared with evidence that supports your case of why you are not guilty.
 - Referee evidence, opposing teams coach or teammates
- ✓ Errors in referee report in comparison to the rules.
- ✓ When appealing an offence your teammates or coaches are not the best sources of evidence to speak on your behalf as the referees report is the black and white of the discipline issue and is held with high regard.
- ✓ Appeals should be based on if there is an error in the rules or laws in the description given by the referee of the incident. It is suggested you read the rules and know if there are technical errors in the reports or if the wording of the rules are correct in the report.
- ✓ Disagreeing with the game official is **NOT** grounds for an appeal.
- ✓ Should you need assistance contacting a referee from your event as you believe they have key evidence to support your case, the office can facilitate this process.
