

CALGARY WOMEN'S SOCCER ASSOCIATION

GENERATIONS UNITING TOGETHER

Thursday, September 16, 2021

Good afternoon CWSA Members,

Yesterday evening the Government of Alberta announced new province-wide health measures in order to keep the public safe in light of the rising numbers of COVID-19. These new measures will have an impact on our upcoming indoor league.

CWSA Outdoor Season

- The remainder of the Outdoor season will continue as scheduled. The new restrictions announced yesterday do not impact our current outdoor league play.

CWSA Indoor Season & Kickstart Tournament

- We are currently awaiting further guidance and clarification on the new restrictions and the impact they will have on our Kickstart tournament and our upcoming Indoor season.
 - Further clarification from the government, Alberta Soccer and our facilities partners is required around the Restriction Exemption Program (REP) and what it will mean specifically for adult sport in our city.
- In the event that our upcoming indoor season is not able to go forward at all, teams who have paid a registration deposit will be credited back the full amount.

We will provide further updates as additional information becomes available to us. We are optimistic that we will be able to move forward with our programming under the Restriction Exemption Program.

We thank you for your ongoing patience, understanding, and support as we keep navigating our way through this pandemic.

PLAY FOR LIFE!
