## Police Clearances (CPICs)

All registered team officials (except from O40 teams) need to provide a valid police clearance to the CWSA office prior to being permitted onto the field. Police clearances must be renewed every 3 years.

Please have your coaches contact [derek@mycwsa.ca](mailto:derek@mycwsa.ca) for a volunteer letter. We have already sent notifications to the coaches whose police clearances are expired or expiring this fall.

If you have a police clearance on file with another organization (ex: CMSA, CUSA, etc) we will accept it if it was issued within 3 years. Please contact the organization to have it sent to the CWSA.
