At half time, team officials may cross off players (line through name) who have not arrived.
- Referee to clearly print and sign the game sheet where indicated. Payment for the game may be difficult to process if names of referees are not legible.

Misconduct Reports

- **Within 48 hours** of the game an ASA Misconduct Report must be submitted for each dismissal. The report must accompany the game sheets and the dismissed individual's ID card; however, prior electronic submission is encouraged. For dismissal due to action against a referee, submit the Misconduct Report to ASA. Provide the League with a copy of all documentation sent to ASA.

ID Card Collection & Checking

- Referee collects game sheets before the game and keeps them until the end of the game. Referee do not have to retain the player cards during the game but if a red card is awarded, get the player card from the teams' coach/representative, and submit. Coaches have the right to review the opponents' cards at halftime.
