Team Standings Tie Breaking Procedure

NOTE: regardless of game score, only a SEVEN goal difference will be credited in these rules.

Point Structure:

Teams receive **two (2) points for a win, one (1) point for a tie, and zero (0) points for a loss.** At the completion of round robin play, teams will be ranked according to the total points in all games played.

When two or more teams have an equal number of points after round robin play, the teams will be ranked according to the following rules:

1. The winner of more game(s) between each other during the round robin will be declared the highest position.
2. If still tied, the team having the greatest positive difference between goals for and against in games between the tied teams in the round robin will be declared the highest position.
3. If still tied; the team having the least total goals against in games between the tied teams during the round robin will be declared the highest position.
4. If still tied, the team having the greatest positive difference between goals for and against in all games during the round robin will be declared the highest position.
5. If still tied; the tied team with the least total goals against in all games during the round robin will be declared the highest position.
6. If still tied; the team receiving the lowest number of penalty minutes in the games between tied teams will be declared the winner.
7. If still tied; the team receiving the lowest number of penalty minutes in all games will be declared the winner.
8. If still tied, the fastest goal scored from the start of a game in all games between the tied teams in the round robin will be declared the highest position.
9. If still tied; a coin toss will be used to break the tie.

Note: Each step of the tie breaking rules shall apply to all teams involved in the tie.

If there are more than two (2) teams tied, revert back to #1 after the highest team's ranking has been determined, or, in the event the highest ranking team cannot be determined, until the lowest ranking team can be determined, at which point the lowest ranked team is eliminated and the process reverts back to #1.

Tournament Tie Breaking Procedure:

1. If a **round robin game** is tied at the end of regulation time, each team will be awarded one (1) point.
2. If a game is tied at the end of the second half of a Crossover Game(s), 9th place, 7th place, 5th place, Bronze medal, or Gold medal game, the teams will immediately play a five (5) minute stop-time SUDDEN VICTORY period, 5 vs 5. Possession of the ring will be determined by a coin toss.
3. Any penalties assessed during regulation will carry over into overtime until the penalty has been fully served.
4. If no goals are scored in the overtime period, the game will be decided by a shootout.
5. Coaches will have one (1) minute to identify their three (3) shooters
6. HOME team will shoot first
7. Teams will alternate shooters until 3 shooters from each team have shot, or a winner is declared.
8. If the game is still tied at the end of the first round of three shooters from each team, the shooters will continue, one from each team, in a SUDDEN VICTORY single round shooter format, provided that each team has shot an equal number of times.
9. No shooter may shoot again until all skaters have shot. Players serving penalties at the end of overtime are eligible to shoot in the shootout provided they have not been assessed a match penalty in the game.

Time-Outs:

1. Each team is entitled to ONE 30-second timeout per regulation game, and one additional timeout in overtime.
