To distinguish the Board's own unique job from the job of its staff, the Board will concentrate its efforts on the following:

1.1.1 Acting as the link between the organization and its members and stakeholders. This linkage will allow the Board to:

- A. Obtain a clear picture of member expectations;
- B. Consult with members to proactively promote effective practices and relations; and,

B. Board-Staff Relationship Policy

Describes the manner in which the Board relates to the staff, including how power is delegated and its proper use monitored, the Executive Director role, authority and accountability.
