

Western Region Ringette Association

Directors Report

General Meeting – January 2017

We have had a great start to our season here in Western Region. Elora Fergus hosted a preseason tournament and London, Mitchell and St. Marys have each hosted their annual tournaments.

Our executive continue to do an excellent job helping to administer our sport here in our region. A reminder that they are all resources to assist you and members of your associations. They have experience and training in different areas of ringette. If you need any help please reach out and speak to one of us – if we don't have the answer for you immediately – we will get it for you.

As mentioned at our last meeting we have a few associations who have expressed an interest in finding a software solution for scheduling. If you or anyone within your association is interested in helping find a solution please let me know so that I can connect all interested parties.

Once again a huge thank you to my fellow executive members and coordinators not only for their support but also for the administrative work they do to ensure everyone's needs are met at the Provincial and Regional level.

The next ORA board meeting is being held in Toronto, January 27-29, 2017. If you have any questions or issues that you want me to bring forward please let me know.

Thank you very much and enjoy the second part of your season.

Brian Breckles
Director, Western Region
