

WRRL Report – January 15/2015

Brian Woolley – WRRL President/WRRA 2nd vice president

The WRRL second half re-seeding meeting was held on December 9 at Spruce Lodge, Stratford. I am happy to report that for the second meeting in a row, all associations had representation at this meeting.

A very special thank you is extended to Kendra Vermilyea and Nancy Houghtling for working feverously over the holidays to come up with the second half schedule. While likely not all division schedules are perfect, there is hopefully a better chance for equal competition in the second half.

Please note that the seeding meeting for the Regionals tourney has been changed to Tuesday March 3. Different from the past couple years, this meeting is open to all association reps to attend. Association reps should be familiar with results of league, exhibition and tournament play for their respective teams. The success of the seeding for the Regionals tourney will improve with as much information as possible available on March 3.

Also note that the WRRL AGM meeting date has been changed to Tuesday April 7.

Good luck to all participants during the second half. Drive safe.

Brian Woolley
