

Western Region Ringette Association

Directors Report

General Meeting – January 16, 2014

On behalf of the Region and its Executive I would like to welcome everyone to 2014. I trust that all of you had a safe and happy holiday and are eager to get on with the 2013-2014 season.

I was fortunate enough to spend a good part of a week in North Bay enjoying the World Ringette Championships. Jeff Francom and his committee of volunteers along with the West Farris Ringette association did an outstanding job showcasing this event. From the open ceremonies to the gold medal game the championships were certainly a world class event. The Canadian team game the Finnish team a heck of a battle but the Finns were just too strong.

I want to remind all of you that the executive members and not just administrations for our Region but they are resources to you and all members of your associations. They have experience and training in different facets of our sport. If they don't know the answers to your questions they have the resources and contacts to find it. Please if you are struggling with an issue or find yourself frustrated over a problem contact the appropriate coordinator for help.

The third AAA Challenge Cup begins tomorrow (Fri. Jan. 17th) at the Pyramid Rec Center in St. Marys. If you have some time check out one of the exciting games.
