- All deadlines have passed and TRF's are final. Thanks to everyone for doing it all one time. The office has them all done so you should get a new copy of your TRF from your registrar
- Please make sure you have your copy with you at all time and any paper work like overage players and 2 team agreements in case asked.
- Please make sure you complete any Injury forms right away and get them sent to the ORA office. Very important in case a claim needs to be made.
- I am missing some Facility Audits. I will be chasing you down so if you know you have not sent them to me please do to save me the time.
- Please send me mail at 68 Grenfell Cres, London, ON, N5X 2M7 or email at [melindasuchard@sympatico.ca](mailto:melindasuchard@sympatico.ca) . If you send to the office they need to re route and it takes for ever.

If you have questions please email at any time.

Thanks

Melinda Suchard
