Janet Logan and Erienne Beuglet

Skills Matrix Deadline is February 28th for **all** U12, U10, U9 and U8. The inclusion of U12 seems to have come as a surprise to a number of associations despite it having been covered in meetings and reports. We are aware that the ORA website does not include the Skills Matrix at U12 as part of the Compliance Chart, this should be rectified shortly.

The Sports Development Committee is meeting this weekend.
