

# G&T Report – Feb 18, 2021 WRRRA General Meeting

This year has been a little, well, unprecedented. As a committee, G&T has not had a meeting since last spring. Like everyone else, we hope things eventually get back to some form of normal.

## Tryouts

Ringette Ontario released today that Tryouts are not to begin until Sept 1, 2021. Like everything else, this will continue to be re-evaluated and may be moved later.

## Regionals 2021

This event is now officially cancelled. No real surprise.

## Regionals 2022

We are currently accepting applications for Regionals 2022. Ideal weekends are March 25-27 or April 1-3. We don't have confirmation on Provincial events at this time to ensure no conflicts.

Requirements (preferred):

- 6-7 ice pads
- Full day Friday, Sat 0700 to 2200; Sun until 0700 to 1800
- Facilities with 2 or more ice surfaces
- Facilities in reasonably close proximity to each other
- Hotels suitable for teams within 30 minutes of all facilities

## Provincials going forward

The following is the proposed and accepted rotation based on the current number of teams in each region. This could be modified based on events cancelled the last 2 years. As previously mentioned, our committee has not met since last spring.

Please let us know if you are interested in hosting an event.

	<b>AA Championship</b>	<b>A Championship</b>	<b>U12 Provincial Event</b>
2021	Eastern	Western	Western
2022	Western	Eastern	Southern
2023	Southern	Western	Eastern
2024	Eastern	North East	Western
2025	Western	Eastern	Central

Interested in joining the G&T team? Please reach out to myself or Chris Sharpe!

Stay safe and be well,

Nancy Nicolson-Houghtling & Jordan Kovats

G&T Coordinators
