

Western Region Ringette League WRRL Report

Feb 18th, 2021

Western Region Ringette League -WRRL Report

The Western Region Ringette League WRRL unfortunately we were unable to have a season this year. There was a lot of practices and scrimmages in the first half of the season, but again we had to shutdown due to the provincial emergency order until Feb 16th. I do see some associations trying to start up there seasons again. This is amazing and thank you to each association's hard work to try to make this happen for the players.

We cannot predict what next season will look like, but WRRA & WRRL is committed to growing this great sport and start preparing for next season with in Ringette Ontario and our local Health Units guide lines.

Important dates:

2020/21 AGM: TBD

Zoom Meeting

2021/22 Regionals: TBD

Looking for an association to host

Stay Safe and Healthy.
