

WRRL AAA Report

Feb 20, 2020

The Western AAA team just completed the final Challenge Cup which was hosted by the Waterloo Ringette Association. The WRA did a fantastic job hosting the event and there was plenty of fan support, especially on Saturday and Sunday where there were plenty of fans in the stands watching. The team went 3-2 with wins over Central, Northeast and United while losing two hard fought battles against Southern and Eastern. The team has focused on building on each Challenge Cup with their ultimate goal now in site with the Ontario Winter Games to start in approximately 1 week.

Ontario Winter Games are fast approaching beginning Thursday February 27 and running through to Sunday March 1 in Orillia.

Given the great fan support shown during the last Ontario Winter Games in 2018, the organizing committee has moved Ringette to the premier location of the Rotary Place Arena. This is a great new arena with large stands for supporters to enjoy the game.

The team is hoping for lots of fan support during the games and hope many will make the trip up to Orillia to watch us play and take in some of the other sports going on as well!

I have attached a copy of the schedule for us to include on the WRRRA calendar for people to see.

The 18 players attending have worked hard all season to be prepared for this event and we are all looking forward to representing Western Region during this event.
