WRRL Regional seeding meeting- MANDATORY BENCH STAFF from those teams attending Regionals, held on Wednesday March 6, 2018. Email will be sent to the WRRL rep to get feedback from coaches as to where they would like to be seeded prior to meeting.

ONLY U8-U19 attending REGIONALS require bench staff-NO ADULT Teams require bench staff at the meeting

League is going well, only few complaints regarding fair ice policy and unsportsmanlike conduct due to large goal spread. Some games have been forfeited and are not being rescheduled due to all different reasons most being team not wanting to travel a far distance which will result in fines.

No U7/U8 League medals this year which was decided at the AGM.
