

Adult Development Report Western Region

February 22, 2018
Margie Van Oirschot

Things are moving along fairly smoothly in the Adult Division. One team, the St Thomas Railway City Ringers were moved from the BB division to the B division mid-season as it was a better fit for them.

I am looking for any Western Region Association that is interested in hosting an Adult Come-Try-Ringette Event. I have funding for promotion, ice costs and refreshments as well as facemasks and helmets, to offer. It is a very valuable way to generate funds for your Association as well as promote retention and get your membership active in your sport.

For the end-of-season Tournament, the Western Region tried to offer an Adult division to their membership, unfortunately there were not enough teams interested to make this option viable. The Ontario Adult Development is offering the Ontario Adult Invitational Championships being held in Oshawa, March 29-31. All divisions are being offered and the participants are as follows:

18+BB (10): Halton, Pickering (Goldsmith), Pickering (McCarthy), McMaster, Cambridge, Eastern Savage Shooters, Ajax (Neilsen), Kitchener, North Dumphries and Caledonia B

18+B (6): Etobicoke, Royal City Ravens, Ajax (Sweeney), Ajax (Shaw/Fahey), St. Mary's Snipers,, Newmarket

18+CC (5): Cambridge Coyotes, Woolwich Beez, Oshawa (Mullins), London Composite, Sunderland

18+C (5): Caledonia Laser Blades, Markham Cougars, Pickering (Dick), Pickering (Barber), Ayr Ladies

I would like to offer all my best to the Western Region Teams competing at this Season's OAICs, I am hoping that we come out on-top and if not, may you all enjoy, be safe and injury free and have a great time.

As for our Region's tournaments for this Season, they have all been completed for our Adult divisions. Thank you to all of those Associations that hosted, the competition and offerings are greatly appreciated.
