

## Western Region February Report

Applications are being accept on the wrra website to referee at regionals. I would like to see referees apply from all associations and get representation from around the region. We will have off-ice referee supervisors/evaluators at all ice facilities during the tournament. Regionals will be a great place for referees to get evaluated and receive feedback on how to improve their officiating. Applications need to be submitted by March 18<sup>th</sup>.

We will be running a level 2/3 clinic for officials trying to move up in ranks at the end of the season. Information will be sent out to referee in chiefs as well as posted on the wrra and ringette Canada website.
